It looks as though the New York Yankees are out to hang up a record or a team losing games on its home grounds ...

No more fungo hitting for Walter Johnson. Clark Griffith does not believe that this form of exercise does the big fellow any good.

For the first time in a number of years Charley Frank's New Orleans team failed to catch the step in the Southern league race this season and are now resting in the subway.

Bert Shotten of the Browns is play ng regular ball this season. He is batting over .300 and is also among the dozen leading run-getters and base-stealers in the American league.

This season has been a tough one on major league pitchers. The hit-ting has been so strong that few games have been without either one up several slabbers.

McDonald of the Boston Braves and Cravath of the Phillies are battling for the lead in the list of National league batters. Both players are hit ting well over .400.

MORE PRAISE FOR DR. HAMILTON'S PILLS

"For a period last summer the thought of food excited feelings of nausea," writes Mrs. C. A. Dodge of Bloomsbury. "The heat had made me listless and the distaste for food reduced me to a condition of semistarvation and brought me to the verge of nervous collapse. Tonics were useless to restore an active desire for food. The doctors told me my liver and kidneys were both at fault but the medicines they gave me were too severe and reduced my strength so that I had to abandon them. At the suggestion of a friend who had been cured of blood and skin trouble, I began the use of Dr. Ham ilton's Pills. The difference I first noticed was that while they cleansed the system, instead of feeling weaker I felt better after taking them. In 00003300000-6 deed their activity was so mild it was easy to forget I had taken them at all; they seemed to go right to the liver and in a very brief time not only did all source of nausea disappear but I began to crave food and digested it reasonably well. Then I began to put on weight until within three months I was brought eo a condition of good health. I urge Dr. Hamilton's Fills for all who are in poor health."

Get this best of all medicines to day and sefuse a substitute for Dr Hamilton's Pills of Mandrake and Butternur. Sold by all druggists and storekeepers, 25c. per box or five for \$1.00. Sent postpaid by The Catar rhozone Co., Buffalo, N.Y., and Kingston, Canada.
