### GETTING RID OF BRITISH ADVISERS

Ottawa, June 11—Major General C. J. McKenzie, the British officer sent out from Great Britain two years ago to be chief of staff for the Canadian militia forces has left for England some five months before his regular term of office expired.

As already intimated in the press, General McKenzie has left somewhat sooner than intended owing to differences with the minister of militia, Hon. Col. Sam Hughes over questions of departmental administration and general policy.

It may be noted that the turn of the correspondence in connection with the matter ordered by parliament some weeks ago was not brought down before the house was prorogued. The minister of militia, however as the responsible head of the department said he had nothing to apologize for or to hide in connection with the matter.

General McKenzie has been given several months leave of absence in lieu of completing his term of office in Canada. It is understood that he is being given an important post in the British war department.

Col. Crowe, commandant of the Royal Military College will also leave Canada next month to accept a position under the war office in India.

### CHANGE OF CLIMATE DID NOT HELP

But GIN PILLS Conquered  
His Rheumatism

THE fact that men of standing and responsibility do not hesitate to come out and state frankly how much good GIN PILLS have done them, speaks volumes for this good old remedy.

Mr. W. G. Reid, of Hamilton, whose statement we publish below, with his permission, is one of the best known commercial men in Canada. His many friends throughout the country will be delighted to learn that he is quite himself again. He says:

"I have been for the last two years a cripple with Muscular and Inflammatory Rheumatism. I have tried almost everything known to medical science to relieve me of the intense pain and inflammation. I sought change of climate in Kentucky and other Southern points without relief. Your manager in this city recommended GIN PILLS and I have since taken eight boxes and am now cured. I consider GIN PILLS the conqueror of Rheumatism and Kidney Disease."

(Signed) W. G. REID.

Muscular and Inflammatory Rheumatism, Lumbago, Sciatica and all other troubles arising from weak, inactive or diseased kidneys, have little chance against GIN PILLS.

The curative properties in these pills go straight to the root of the trouble—the failure of the kidneys to keep the blood free from the irritating Uric Acid which is continually being formed in the body. GIN PILLS help the Kidneys to perform this function properly, and the train of troubles vanish.

Just try it and prove it to your own satisfaction. There is no risk—money back if GIN PILLS do not help you.

### OPPORTUNITY FOR LIBERALS TO HELP ALONG THE CAUSE

Ottawa, May 7, 1913.

TO THE LIBERALS OF NEW BRUNSWICK:

Efficient organization is the keystone of success in business or politics. The recognition of this fact and the request to their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States Presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interest of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for large amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial Committee representing the Liberal members from New Brunswick in the House of Commons and subject to the audit of Henry E. Hill, of St. Stephen.

H. R. EMMERSON  
F. B. CARVEIL  
O. TURGEON

The treasurer for York County will be Mr. C. Fred. Chesnut of this city. Dr. J. B. Curtis of Hartland is treasurer for Carleton and Hon. L. P. Farris of White's Cove, treasurer for Queens.

the proposition to begin work of construction at once was considered. Messrs James Manchester and W. H. Thorne of St. John were here during the week, made a tour of inspection of the country and that part of the road already built. They were accompanied by C. S. Ingraham and went through to Woodstock. The result of their tour will

probably be known during the coming week. A. R. Wetmore will have charge of the engineering work. The road will likely be operated by the Grand Trunk Railway Company as part of its system.
