GIVEN UP TO DIE****"Fruit-a-tives" Cured
Kidneys and Bladder**

WILLIAMSTOWN, ONT., JULY 27th, 1910

"I have much pleasure in testifying
to the almost marvellous benefit I have
derived from taking "Fruit-a-tives". I
was a lifelong sufferer from Chronic
Constipation, and the only medicine I
ever secured to do me any real good was
"Fruit-a-tives". This medicine cured
me when everything else failed. Also,
last spring, I had a severe attack of
Bladder Trouble coupled with Kidney
Trouble, and "Fruit-a-tives" cured
these complaints for me, when the
physicians attending me had practically
given me up.I am now over eighty years of age and
I can strongly recommend "Fruit-a-
tives" for Chronic Constipation and
Bladder and Kidney Troubles"

JAMES DINGWALL.

"Fruit-a-tives" is the only medicine
in the world made of fruit juices—and
is the greatest kidney, bladder and liver
medicine ever put on the market.50c a box, 6 for \$2.50 trial size, 25c.

HOW TO GROW HAIR**In Paris the ladies have entirely
abandoned wearing hats, which is
due entirely to this new discovery.It has been proven that Henna
leaves contain the ingredient that
will positively grow hair. That they

proven every day.The French are now placing on the
market a preparation containing the
extract from Henna leaves, which is
having a phenomenal sale.This preparation is called SALVIA
and is being sold with a guarantee
to cure dandruff and to grow hair in
abundance. Being daintily per-
fumed, SALVIA makes a most pleasant
dressing, and is sold by your drug-
gist. A large, generous bottle can
be purchased for 50 cents.

ture his pearl about Xmas. He says

moon. We wish him success in his
undertaking, we hope he will pros-
per and do well.**PRESIDENT WILSON
IS FOR RECIPROCITY**Washington, April 14—With Chair-
man Underwood and other adminis-
tration leaders still in control of the
situation, House Democrats began
the second work of consideration of
the new Tariff Bill in caucus. Hav-
ing witnessed the test of the vigor-
ous opposition to the sugar tariff
schedule Saturday, the prospect was
today that no material changes pro-
posed to the Bill would get enough
support to bear effect except free
wool, against which a definite oppo-
sition has developed. Consideration of
the wool question probably will not
be reached for several days."The Market Basket" attracted at-
tention of the legislators today, the
agricultural schedule having been
reached. Wheat and citrus fruits
were particular targets for some of
the members from the milling and
fruit bearing States. Flour has been
placed on the free list in the ad-
ministration bill, while a duty of
ten per cent ad valorem is left 'on
wheat.' Representatives from milling
States claim that this is a discrimi-
nation against the millers, and they
propose to make a fight either to
put wheat on the free list or to
place a compensating duty on flour.
Opposition developed also to the
free listing of potatoes.The Senate Finance Committee,
which resumed consideration of the
Bill, also had the same question be-
fore it, some Senators proposing to
place a duty of 50 cent a barrel on
flour, on the basis of five bushels of
wheat to the barrel.President Wilson believes the Tariff
Bill meets the general approval of
the country; that no healthy busi-
ness will be interrupted, and that
while in most cases the cost of liv-
ing will not be immediately reduced,
the consumer will feel at once the
benefit of a reduction in the sugar
tariff. The President in an open talk with
duty. These views were expressed by
newspaper men at the White House.
The President said he hoped to open
reciprocity negotiations with var-
ious countries as soon as the Tariff
Bill was passed.Persistent efforts to put cattle and
sheep on the free list, to cut the
the Ways and Means Committee tar-
iff revision bill, were defeated in the
duty on swine and otherwise alter
Democratic caucus of the House to-
day. The Democratic leadership for
the bill as reported was piloted by
Representative Francis C. Burton
Harrison of New York.On the Senate side of Congress the
wool schedule was before the House
tariff revisers were inactive. The
caucus all afternoon, and there were
some lively speeches. Many of the
new members of the House aired
their views, but each time there was
a test the committee was over-
whelmingly sustained.Representatives Lunge of Pennsyl-
vania, a new member, precipitated
the biggest fight of the day with an
amendment to put cattle on the free
list. Cattle and sheep are now ad-
valuable at 10 per cent and swine at
\$1.50 a head.Representatives Baker of Califor-
nia, Russel of Missouri and others,
it would destroy the cattle raising
industry in their states.To clean a copper kettle first rub
it with a lemon dipped in powdered
bath brick. When stains are remov-
ed wash in warm soapy water, polish
with powdered bath brick and a soft
cloth.
