

## A Host of Different Centers

You like the spice of variety, therefore you'll enjoy Moir's Chocolates, with their hundred or more different centers.

Toothsome nuts, dainty jellies, luscious fruits, form some of the centers, while others are of unique creamy confections. All are hidden in that wonderfully thick coating of smooth, rich chocolate that's being talked about so much today.

Enjoy a new treat. Try Moir's Chocolates.

## HAD A DREADFUL COUGH FOR OVER SIX MONTHS.

Thought It Would Turn Into Consumption.

Miss Jane Dousette, Point a la Garde, Que., writes:—"Just a few lines of praise I must write on account of your famous remedy, Dr. Wood's Norway Pine Syrup. I had been suffering from a dreadful cough, for over six months, and tried everything but in vain. I thought it was going to turn into consumption. A friend happened to come to my house, and was so frightened when he saw me he nearly dropped. He asked me what I was taking, so I showed him some medicines I had, but he said for me to try Dr. Wood's Norway Pine Syrup. I bought a bottle and before it was finished I was well, and did not cough a bit.

I will recommend your medicine to every suffering friend, for I know it will do good to them just the same as it did me.

See that you get "Dr. Wood's" when you ask for it. Do not accept any imitation. Price, 25 and 50 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

## NEWS FORECAST FOR THE COMING WEEK

Washington, D. C., March 29—The calling of a caucus of the Progressives of the House for organization next Wednesday comes as a forcible reminder of the fact that the Congress about to assemble will be composed of three distinct parties, for the first time in the history of the nation. The Progressives are expected to name Victor Murdock of Kansas as their choice for the Speakership. The Republicans of the House will caucus Saturday and will name Representative Mann of Illinois for Speaker.

Municipal elections involving important local issues will take place during the week in Chicago, St. Louis and several other large cities. Forty cities and towns of Wisconsin will vote on the anti-saloon question, while the voters of Fargo, N. D., Racine, Wis., Durham, N. C., and several other places will ballot on a proposal to adopt the commission plan of government.

Mrs. Woodrow Wilson, Mrs. Thomas R. Marshall, Mrs. Champ Clark and the wives of the cabinet officers are to be the guests of honor at a breakfast in the capital on Saturday. The affair is to be non-partisan in character and is designed to give the Washington official and unofficial circles an opportunity to meet the wife of the President, the Vice President and other women of the new administration.

The wedding of Miss Ethel Carow Roosevelt, daughter of Colonel and Mrs. Theodore Roosevelt, and Dr. Richard Derby, of New York city, will take place Friday morning in the Episcopal Church at Cyster Bay. The ceremony will be followed by a reception at the Roosevelt residence on Sagamore Hill.

The sister ship of the Imperator, the largest ship in the world, is to be launched Thursday at Hamburg and will be christened Europa. The Europa will be 950 feet long and 100 feet beam. Both vessels are to be employed in the transatlantic service of the Hamburg-American Line.

The professional baseball season of 1913 will be ushered in Tuesday with the first championship games of the Pacific Coast League. Portland will open at San Francisco, Vernon at Los Angeles and Oakland at Sacramento.

The seventeenth annual meeting of the American Academy of Political and Social Science will be held in Philadelphia, Friday and Saturday and will be devoted principally to a discussion of "The Cost of Living in the United States." Other notable gatherings of the week will be the Episcopal Church Congress, at Charleston, S. C., and the Mississinipi Valley Suffrage Conference, at St. Louis.

## TRANSACTION HAS A SHADY LOOK

(Carleton Sentinel)

The letter in this issue of the Sentinel dealing with \$150 bagged by Mr. H. M. Blair, of the Public Works Department, would go to show that this gentleman is entitled to grab public money beyond value of his services and above the pay the law provides.

There is no more offensive graft than graft of legislative officials. They have the power to take it in defiance of law and sometimes under loose forms of law.

The manipulation of the funds in this Birmingham matter goes to show one of the worst transactions that has disgraced the New Brunswick government in many years. In this case the government violated its own laws and the people would like to know who is responsible and why an effort was made to cover the matter up.

The naked truth is that the Attorney-General and Minister of Public Works protested strongly against the payment of \$150 to Blair but Premier Flemming stepped in and gave directions that NO SETTLEMENT BE MADE WITH BIRMINGHAM UNLESS BLAIR WAS PAID \$150.

If Premier Flemming thought Blair had an honest right to this money why was he not paid in the usual way? Why was the transaction covered up?

If this isn't a clear case of an act approaching dishonesty it would be hard to conceive of one that would be. Indeed it is so flagrant that it would seem to the ordinary laymen that the Attorney-General would be doing his duty to institute proceedings against the parties concerned in the transaction.

Mr. Blair is employed at a stated salary, if he or anyone else performed extra service there is a proper way to provide payment for it.

What has Mr. Flemming got to say about it?

## NEW STRENGTH IN THE SPRING

Nature Needs Aid in Making New Health-Giving Blood

In the spring the system needs a tonic. To be healthy you must have new blood you will feel weak and new sap to renew their vitality. Nature demands it and without this new blood you will feel weak and languid. You may have twinges of rheumatism or the sharp, stabbing pains of neuralgia. Often there are disfiguring pimples or eruptions on the skin. In other cases there is merely a feeling of tiredness and a variable appetite. Any of these are signs that the blood is out of order—that the indoor life of winter has lessened your vitality. What you need in spring is a tonic medicine to put you right and in all the world of medicine there is no tonic can equal Dr. Williams' Pink Pills. These pills actually make new red rich blood—your greatest need in spring. This new blood drives out the seeds of disease and makes easily tired men, and women and children bright, active and strong.

Mr. John Walfield, La Have Islands, N. S., writes: "I take great pleasure in telling what Dr. Williams' Pink Pills have done for me. I am a fisherman and fifteen years ago through hard work my system became run down and I could scarcely work at all. I lost in weight; my blood became poor, and I was very weak. I consulted several doctors but their treatment did not help me so I decided to try Dr. Williams' Pink Pills and in a short time I was entirely well again. My wife and daughter also used them with benefit. We think so much of the Pills as a family medicine that we always keep them in the house."

These Pills are sold by all medicine dealers or can be had by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medical Co., Brockville, Ont.

### HOOF PRINTS

The Brockton Fair futurity has been renewed. It is for mares bred in 1912 and is worth \$5000. Entries close April 15.

W. A. Blodgett of Lincoln will send a stable to Rockingham in charge of George Moore early next month.

Ed Avery, Lon McDonald's capable assistant is the owner of a trotter by Bob Douglass, 2.04½ that the Indianapolis rail birds say will do in high society.

Grand Opea will be trained and driven by Al Proctor, one of his owners. Al has raced on the big lines in years gone by, his star pupil having been marold H., 2.03½.

In the latest issue of the official publication of the American Association of Trotting Horse Breeders there is a suggestion that the racing associations ignore the two parent associations and use the above organization as a governing body.
