

## ZAM-BUK DOES CURE PILES

Mrs. C. Hanson, wife of the proprietor of the Commercial Hotel, Poplar, B. C., suffered from piles for years. Went to doctor after doctor in vain. Finally went to Spokane and had an operation. Twelve months afterwards she was as bad again. She says, "One day I read about Zam-Buk and thought I would try it. The first one or two boxes gave me more ease than anything else I had tried, so went on with the treatment. In a short time I began to feel altogether different and better and I saw that Zam-Buk was going to cure me. Well, I went on using it and by the time I had used six boxes I was delighted to find myself entirely cured."

If you suffer from this painful ailment, or from eczema, ulcers or any skin disease, don't waste time. Try Zam-Buk. 50c. all drug and stores.

bers of the grafting fraternity. The citizens are becoming somewhat tired of the existing state of affairs and are complaining of the lack of protection against depredations by criminals. In the mean while the investigation still continues and the end is not yet in sight. District Attorney Whitman deserves a great deal of credit for his relentless work in cleaning up the Augean stable of graft in the police department. The better classes among the citizens are in full sympathy with the efforts of the district attorney, yet few of them are optimistic enough to believe that the elimination and punishment of a score or so of grafters in the police force will put an end to grafting in the department. One act of grafters may be removed, but after the ex-

citement has blown over, there will probably be another set of grafters to take the places of the men discharged. The system seems to be wrong and the temptation too great.

A well dressed woman, accompanied by her daughter, a girl of seventeen years and a man of about twenty-five years, whose legs are so badly crippled, that he can only get around on his hands and knees, made an early morning call at the house of the town clerk of Riverhead, L. I., the other day to obtain a license for the marriage of her daughter to the cripple. When the clerk learned that the girl was under age and had been taken away from her mother and placed in an institution by the authorities because she had been reared in an improper environment, he refused to issue the license without the consent of the probation officer who was appointed the girl's legal guardian. The trip departed in an automobile and tried to obtain a license from the town clerk at Patchogue. The license was refused and the party crossed the river to New Jersey, evidently determined to obtain a license. The probation officer in whose charge the girl is supposed to be was notified and is making efforts to locate the trip and to find out whether the girl and the cripple were married. If the marriage was performed the probation officer intends to prosecute the cripple and the mother of the girl. It has been learned that on coming over the girl will come into possession of about \$20,000 left to her by her father.

The "Academy of Mississippi Arts" held the first annual vernalizing day reception in the auditorium in the new "Lighthouse for the Blind" in East Fifty-ninth Street. The academy is composed of all the leading artists and sculptors of New York and the exhibition arranged by them was really a burlesque upon the insanity of the Cubists, Futurists, Post-Impressionists and others of that ilk, who recently held an exhibition in the Sixty-ninth Regiment Armory. The "Academy" exhibition was a howling success. About two hundred pictures and works of sculpture were exhibited in which the artists tried to "out-cube the Cubists" and put the Futurists into the middle of the past tense.

John Tanfield, a clerk, died under peculiar circumstances the other day. He came to the Prospect Heights Hospital, Brooklyn, to visit his wife who is a patient there. While waiting in the reception room for admission to his wife's room Tanfield suffered an apoplectic stroke and when the nurse came into the reception room to inform him that his wife was ready to give him, she found the man dead.

## Had Pains Around The Heart AND SMOTHERING FEELINGS.

The terrible smothering and choking up sensations and sinking turns, that come to those whose heart and nerves are deranged or disordered call for prompt relief.

There is nothing that brings with it such a fear of death as to wake up in the night with that awful feeling of smothering.

Milburn's Heart and Nerve Pills are the only remedy that can give prompt relief and effect a complete cure in cases of such severity.

Mrs. Wm. Lee, Uthoff, Ont., writes: "I have taken three boxes of Milburn's Heart and Nerve Pills, and am now well. I had such pains around my heart and such smothering feelings that I thought I would surely die. My head used to be propped up with pillows to keep me from smothering. One day I read in a paper about your Milburn's Heart and Nerve Pills, and three boxes cured me."

Price, 50 cents per box; 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

## CITY CIRCULATION AGENT

Of Leading Montreal Daily Endorses GIN PILLS

I have long years of suffering from Kidney Trouble—two boxes of GIN PILLS—and it's all gone. That has been the experience of Mr. Eugene Quesnel, Chief City Circulation Agent of La Patrie, of Montreal. He describes it feelingly:

May 3rd, 1912  
"I have been suffering from Kidney Trouble for over five long years. I had also Rheumatism in all my bones and muscles, could not sleep nights and on some occasions could hardly walk. I had been treated by some of our best Physicians but without relief and I lost over fifteen pounds. One day I met one of our leading bookkeepers, who had been cured by your famous GIN PILLS, and he advised me to try them. So I bought two boxes at my drugist's and before I had used one box I felt a big change. Before I finished the second one I was completely cured."

I can assure you I can hardly believe it for if I had only known what I know now I would not have spent over One Hundred Dollars for nothing when two boxes of GIN PILLS cured me."

GIN PILLS are gaining a world-wide reputation, by the way they conquer the most obstinate cases of Rheumatism and all kinds of Kidney Trouble. 50c. a box, 6 for \$2.50. Sample free if you write National Drug and Chemical Co. of Canada, Limited, Toronto. 149

## CAMPAIGN IS ON IN AEBERTA

Calgary, Alb., March 27—The announcement that the Sifton Government will go to the country, holding general elections on April 17, has stirred the political organizations of the various ridings into political activities and within the next week not less than 100 conventions will be held in the various sections of the province.

The prospective liberal candidates for the three legislative places in the Calgary district include Geo. Ross, Wm. Davidson, of the Alberta; and Alex. Ross, who may be a liberal candidate; W. M. Adshad and O. G. Davenish. The possibilities among the Conservatives include Dr. T. H. Blow, Wm. George Thompson, of the News Telegram; E. H. Riley and the sitting member M. M. Tweedie. It is currently believed that the retirement of Edward Michener, member for Red Deer, is probably on account of ill-health, and in that event Dr. Blow, of Calgary, is likely to assume the conservative leadership should he win his riding.

At a convention of Liberals in the Rocky Mountain riding, it was decided not to place a liberal candidate in the field, but to endorse the candidature of W. B. Powell, who is running as labor candidate. There probably will be a three-cornered fight in this riding with Chas. O'Brien, Socialist, the sitting member Mr. Powell, and a Conservative. Many of the delegates favored placing a liberal candidate in the field, but were out-voted.

Edmonton, Alb., March 27—Attorney-General Cross and Hon. A. G. Mackay, late leader of the Liberals in the Ontario legislature, were nominated by Edmonton Liberals to contest the city in general election. Other nominations are:

C. Lyster, Liberal, and J. R. Lowery, Conservative, for Lloydminster; J. C. Turgeon, of Hardisty for Robson. The latter is a brother of Hon. W. F. A. Turgeon, attorney-general of Saskatchewan.

The Chicago Cubs have a pair of game cocks as mascots, the birds having been presented to Manager Evers while the team was at Tampa. The Cotton States League will worry along with four clubs this season. The circuit is composed of Jackson, Meridian and Columbus, Miss., and Seima, Ala.
