## Greeks Strengthen Hold On League Leadership

Beat the Pets 8 to 5 in Uphill Game at St. John  
Saturday--Charles, St. John Pitcher, Did Great  
Work--Bangor Won From St. Croix in Close  
Game--Pets to Play Bangor Here Today--Ganley  
to be Suspended, P. J. Duggan Manager

"P. J." TO BE MANAGER  
The announcement was made  
this morning on behalf of the  
Fredericton Baseball Club that  
in future the business manager  
of the Club will be P. J. Dug-  
gan. Robert S. Ganley who has  
been manager up to date this  
season has been suspended by  
Duggan. The latter was man-  
ager last season and is fully  
competent to fill the position  
and the choice of those backing  
the team will meet with the  
approval of the fans.  
Ex-Manager Ganley has vio-  
lated certain regulations con-  
nected with the discipline of the  
club and on that account will  
be suspended. Mr. J. J. Mc-  
Caffrey stated this morning  
that Ganley had not yet been  
formally notified of his suspen-  
sion but would be. He still  
is carried by the Club.

### BOXERS HELD ON THOUSAND DOLLARS BAIL

Winnipeg, Man., July 4--Tony  
Capni of Chicago and Freddie Hicks  
of Detroit appeared today in Police  
Court on the charge filed yesterday  
of being "about to engage in a prize  
fight." The court decided, however,  
that last night's bout was only a  
boxing contest.

The bonds of \$1000, which each  
put up last night, will remain in the  
hands of the court for one year to  
prevent them from engaging in prize  
fights in Canada.

### MARTY O'TOOLE HAS HAD APPENDICITIS

Pittsburg, July 4--Marty O'Toole,  
the Pittsburg Pirates' \$22,500 pitcher  
was operated for appendicitis in his  
home last night, and according to  
physicians he will be unable to play  
baseball for the remainder of the sea-  
son.

The incapacity of O'Toole is per-  
haps the most serious blow among  
the many that the Pirates have suf-  
fered this season. The hard luck star  
was just beginning to have success,  
and Manager Clarke relied on him to  
do the heavy share of the staff work  
for the remainder of the season. In  
fact, he had placed his first division  
hope on O'Toole.

### GRAND CIRCUIT OPENS TODAY AT NORTH RANDALL

Cleveland, O., July 5--Quartered at  
the racing plant at North Randall,  
just beyond the limits of this city,  
are several hundred trotters and pac-  
ers who are to furnish the sport  
that marks the first link of the  
Grand Circuit, which was opened at  
the track this afternoon under the  
auspices of the Forest City Fair and  
Live Stock Association. Seldom, if  
ever before have the horses reached  
the big line circuit in such excellent  
condition for the summer's campaign.  
The spring training season was an  
unusually favorable one in both the  
North and South and as a result the  
horses look well to both the owners  
and handlers. Geers, Cox, McDonald  
Murphy and the other noted trainers  
who are familiar figures on the big  
circuit--all are here with their  
strings of trotters and pacers.

The programme here is an excel-  
lent one. It provides for seven stake  
events with a value of \$19,200 of  
which \$13,000 will go to the trotters  
and \$6,200 to the pacers. As usual  
the largest field is offered in the  
\$5,000 Tavern "Steak", the 2.14 trot  
amateur drivers only, for which more  
than a score of horses will race.  
Next in number of entries is the  
\$5,000 Ohio 2.10 trot.

Cleveland, July 5--The first of  
the twelve meetings in which the kings  
of the harness horse world will con-  
test, begins at North Randall track  
next Monday, the opening day of the  
1913 grand circuit.

Following in order the trotters and  
racers will travel to Pittsburg, Buf-  
falo, Grand Rapids, Kalamazoo, De-  
troit, Salem, N. H., New York City,  
Hartford, Syracuse, Detroit, Colum-  
bus and Lexington, a swing of over  
three thousand miles.

St. John, July 7--On Saturday  
afternoon the Marathons defeated the  
strong Fredericton team by the score  
of 8 to 5.

Charles, the new boxman for the  
Greeks, stepped into the gap that the  
visitors opened through Woodbury in  
the first session and Charles did  
things to the "Pets" that have not  
been done to them for some time.  
Charles disposed of the opposing bats  
men almost in order throughout the  
contest and, after Woodbury retired,  
only in the third and ninth innings  
were Fredericton runners able to  
reach first.

After Woodbury had allowed four  
hits and three runs with no one out,  
Charles the new pitcher, was put on  
the mound for the Marathons in the  
first inning and carried his team to  
victory. The Marathon pitchers were  
pretty well played out after the stren-  
uous week and it was with the dread  
of what really happened that Wood-  
bury went into the box. Charles,  
however, was comparatively fresh,  
having pitched only one game during  
the week, and he had the Fredericton  
batters at his mercy from the time  
he pitched the first ball until the  
game was finished. He was touched  
for three safe ones and fanned nine  
men.

The score was:

BANGOR, 2; ST. CROIX, 1.

Calais, July 5--The Bangor base-  
ball team defeated the St. Croix team  
at the St. Stephen diamond Saturday  
afternoon by the score of 2 to 1 in  
one of the prettiest ball games seen  
here this season. The Bangorites cer-  
tainly showed some class in the ad-  
mirable support they give their new  
pitcher, Bill Phinney, the former  
Bates College twirler. However,  
Bill's team mates did not play all  
the game, for Bill had some stuff  
on that outshoot of his and that spitter  
which had that heavy hitting St.  
Croix aggregation up a tree. Home  
run Lynch was the only one made, a  
sensational triple the best hit of the  
game. It takes a mighty good pitch-  
er to stop that St. Croix wrecking  
crew and they have got to hand it to  
Bill for a creditable victory.

The box score follows:

## THE ORANGEMEN OF MONCTON

(Continued from page two)

Rev. Mr. Batty said "My time is  
gone but I must refer to the Ne-  
mese Decees matter. He said that  
Ontario was overwhelmingly Pro-  
testant but out of 7,436 marriages in  
that Province in 1910 and the figures  
for 1911-12 were practically the same  
there were no less than 1,500 mixed  
marriages. In the case in Toronto  
where a man and woman had been  
living together in marriage solemn-  
ized by a Presbyterian clergyman,  
the Rev. Father Bourque stepped in-  
to that home and virtually told  
that wife that she was not married  
and that her children were illegiti-  
mate. Today that woman whose life  
had been wrecked was living south,  
working for her living, while the  
husband is living in Toronto in lux-  
ury and wealth and keeping the  
children. This question should be  
settled and settled right. (Applause.)

It should be arranged by law that  
any marriage solemnized in any Pro-  
vince of Canada by a clergyman, who  
under the law was authorized to so-  
lemnize marriages, that such mar-  
riages should be valid from one end of  
the Dominion to the other. (Ap-  
plause. And that any ecclesiastic, I  
do not care whether he be a Protest-  
ant or Catholic, who goes into a home, where a couple  
have been married legally by some-  
one authorized to solemnize mar-  
riages, and tells those people that  
they are improperly married, and  
virtually that their children are ille-  
gitimate, should not only be arrest-  
ed, but should be imprisoned as a  
criminal. I do not care whether he  
is a Protestant or Catholic ecclesi-  
astic who does so. (Applause.)

The preacher then somewhat hur-  
riedly, because the time for closing  
was past, referred to what is known  
as the Norway House incident. He  
said that in the outlying districts of  
Canada beyond the settlements there  
are mission schools established for  
the training and education of the In-  
dian children. The policy of the gov-  
ernment of Canada had hitherto been  
to recognize the divisions of these  
reservations among the different  
churches, mission schools being estab-  
lished for each church according to

the predilection of the majority in  
the field. Here a reservation went to  
the Presbyterians, and there to the  
Baptists, another to the Anglicans,  
and another to the Methodists, and  
another to the Roman Catholic  
Church and so on. The government  
aided in the building of the indus-  
trial schools of these different reser-  
vations. The Norway House reser-  
vation had been allotted to the Meth-  
odists, and when the school was built  
a former government contributed to-  
wards its building. A short time ago  
the Methodists had the misfortune to  
have their school buildings burnt  
down. They made an appeal to the  
present government at Ottawa for as-  
sistance but were told that there was  
no money available for the purpose.  
And so the matter stood. Some time  
after a government official, who is  
not a Methodist, went into an archi-  
tect's office in the city of Winnipeg,  
and took up a plan which in his as-  
sessment showed the proposed erec-  
tion of an industrial school at Nor-  
way House. He said "This is wrong,  
there is no appropriation for it."  
The architect said "Oh, yes, it is all  
right, the school is going to be  
built." He said, "Who is it going to  
be built for?" "It is to be a Roman  
Catholic school." The official said,  
"There are no Catholic children  
there, I must see about this." He  
then communicated with Norway  
House and found that there were  
three Catholic children there on the  
reservation, some people claimed  
five. The Methodist Church leaders  
becoming aware of the fact, com-  
municated with the government and  
a delegation representing the Meth-  
odist Church of Canada went to Ot-  
tawa to protest against their field  
being taken away from them, and to  
assistance being given to another  
church which was denied to the  
Methodist Church. The members of  
the government expressed their re-  
gret that this had been done, but  
said there was no way out of it, be-  
cause the promise had been made.  
The government was plainly told  
that if this wrong was done, the  
Methodist laymen from the Atlantic  
to the Pacific Ocean would be ap-  
pealed to by their church leaders to  
register their protest against the  
injustice. (Applause.)
