In the Spring Most People Need a  
Tonic Medicine

One of the surest signs that the blood is out of order is the pimples, unsightly eruptions and eczema that come frequently with the change from winter to spring. These prove that the long indoor life of winter has had its effect upon the blood, and that a tonic medicine is needed to put it right. Indeed there are few people who do not need a tonic at this season. Bad blood does not merely show itself in disfiguring eruptions. To this same condition is due attacks of rheumatism and lumbago; the sharp stabbing pains of sciatica and neuralgia; poor appetite and a desire to avoid exertion. You cannot cure these troubles by the use of purgative medicines—you need a tonic, and a tonic only, and among all medicines there is none can equal Dr. Williams' Pink Pills for their tonic, life-giving, nerve-restoring powers. Every dose of this medicine makes new, rich blood which drives out impurities, stimulates every organ and brings a feeling of new health and energy to weak, tired, ailing men, women and children. If you are out of sorts give this medicine a trial and see how quickly it will restore the appetite, revive drooping spirits, and fill your veins with new, health-giving blood. You can get these pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

**BAD ROADS IN ALBERT.**

Some idea of the disgraceful conditions that prevail on many of the roads of Albest County can be obtained from the fact that Rev. H. D. Worden, pastor of Dawson Settlement church, nearly lost his horse on Sunday whilst on the way home from Nixon, where he had preached to full congregations. The reverend gentleman was proceeding on his way, when his steed, a valuable one, went down in a hole in the highway, its legs being completely hidden from view. Mr. Worden, after considerable difficulty, extricated the animal from the dangerous position, very thankful that matters were not of a more serious nature.—Albert Journal.

**NEWS OF FREDERICTON  
TWENTY-ONE YEARS AGO**

(From The Weekly Herald of Saturday, April 30, 1892.)

**REMOVAL**—Blair & Barry and Geo. A. Hughes have removed their offices to the new Whelpley Building, over Oak Hall. (The late Hon. A. G. Blair and Judge Barry were then practising law together in this city.)

**AT THE I.S.C.**—Major Buchan has been transferred to Toronto, Lieut. Carpenter to London, Ont. Lieut. A. H. Macdonald of Toronto, and Major Gordon will take the places in the Infantry School here made vacant by these changes.

**PROMOTED**—The Infantry School Corps Sussex goat, which led the company on the return to Fredericton last summer, has been sent for safe-keeping to the Indian camps across the river. As a means of knocking the laziness out of the goat cannot be beaten. He allows no standing around but keeps all on the move.

**WHARVES AND MARKET**—Harry Estey has secured control of the wharfage and anchorage fees at a bid of \$543. The market tolls have been knocked down to Samuel Cook at the price of \$221.

**PROHIBITION**—Dr. McLeod, who attended the meeting at Montreal of the Prohibition Commission on Tuesday of last week, has returned. The next meeting will be held in the same city in the latter part of May when reports as to legislation will be brought up by each member.

**TOKEN OF ESTEEM**—James Wetmore Jr., of Gibson, on the eve of his departure for Blackville, was presented by the members of the Bible Class of St. Mary's Church Sunday School with an address and plush shaving-case. Mr. Wetmore has been the librarian of the Sunday School for some time and will be much missed by everyone.

**ENTERPRISING**—D. F. George and R. A. Estey are wasting no time in getting their lumber shipped. The Mary George was at the Gibson wharf loading with shingles. The woodboat Pursuit has gone with a load as also the River Gnome.

**TROTting TO BE**—Shareholders

of the Fredericton Trotting Park Association will hold a meeting at the Queen Hotel on Monday evening when directors will be chosen for the coming year. The board henceforth will consist of twelve instead of seven members.

**BUSINESS CHANGES**—There is quite a change apparent along Queen street in business circles. F. B. Edgcombe is to open out the store lately occupied by Thomas W. Smith which he will occupy as well as his old stand. A. F. Morrell has taken half of the McCatherine ship, which he will in future occupy. His old stand will be occupied in a few days by W. H. Carten, druggist, late of Davis, Staples Company.

**FIRE AT THE MILLS**—There was quite an excitement Tuesday afternoon when it was learned that the dwellings around the Victoria Mill below town were afire and the chances were good that the whole village would be wiped out. The wind was very strong and the mill-building was afire several times. Mr. Hale telephoned to the city for help and Chief Engineer Lipsett with Chief J. H. Hawthorn of the H. L. & P. Company, and Capt. H. C. Rutter of No. 4 Company, with a strong force from the central station, were soon on their way down. Johnny Orr with the Alexandra, trotted down in lively shape, the engine appearing glad, the boys taid, to show that the water works had not completely annihilated it. Two houses were completely destroyed. The firemen worked with a will and have won the best wishes of the people of the place and were royally entertained by A. J. Hale.

**DR. O'DELL'S FUNERAL**—The funeral of the late Dr. O'dell was one of the most representative, if not the largest seen here for some time. The remains reached the city from Newport and the procession formed at the railway station. The pallbearers were Col. Maunsell, Judge Fraser, Sir John C. Allen, Andrew Inches, Edward Wilmut and J. Hent-Phair. His Honor Sir Leonard Tilley was also present. Among others were noticed Ex-Wardens Barker and Murray and T. H. Colter M.P.P. (Of the above named gentlemen T. H. Colter, now registrar of deeds, is the sole survivor.)
