#### PUBLIC UTILITIES COMMISSION

St. John Globe—Col. D. McLeod, Vince of Woodstock, and Mr. Fred P. Robinson, of Fredericton, arrived in this city at noon today to attend the monthly meeting of the Public Utilities Commission, which will be held here this afternoon. Mr. Robinson said that outside of routine business, he knew of nothing to come before the commission.

Speaking of conditions around Fredericton, Mr. Robinson said that the farmers should all be prosperous as the result of this year's crops. The

grain crops were making a splendid showing, and the late vegetables were very fair. The potatoes dug were sound, but generally small. He was much impressed with the sale of imported sheep held at Fredericton Tuesday, as an illustration of the way the farmers of New Brunswick are going in for pure bred live stock. Greater attention is being paid to this, and he has noticed a steady improvement in the grade of all kinds of live stock in the province.

Babe, the Atlantic King pacer raced at the early meeting in Rhode Island matined in 2:10 recently.

#### SHADELAND FAUSETTA IN LOTTERY

Drawing Took Place at the Gem Theatre Last Night Before Large Crowd.

The drawing for the mare Shadeland Fausetta, which was raffled by her owner, Mr. J. E. Sullivan, of the Queen Hotel, took place at the Gem Theatre last night. Leo Higgins of this city was the holder of the lucky ticket, No. 2207, and is now possessor of the mare.

The drawing took place before a large crowd after the regular programme at the Gem and was superintended by Mr. Sullivan. The drawing was done by Messrs. Roy Horn-Castle and Joseph Christie. About three hundred tickets were drawn before the lucky one was found.

Shadeland Fausetta was imported last spring by Mr. Sullivan and showed good speed on the local track during the summer. It is expected that next season if she is raced she will be prominent among the winners.

Tickets on this mare were sold all over the province, very much interest in the raffle having been displayed.

#### STRONG ST. JOHN TEAM

#### WILL PLAY HERE MONDAY

The football match between U. N. B. and a picked St. John aggregation on Thanksgiving Day has been advertised and with favorable weather a big crowd should turn out at the College Field Monday for the game.

The St. John Times-Star yesterday said:

"Arrangements have been completed for a picked St. John football team to play the U. N. B. in Fredericton on Thanksgiving Day. While a team has not been chosen as yet, it will be picked from the following players:

For the back division—William Malcolm, Walter Willis, Roy Drynan, Hazen Howard, George Clarke, Lyle McGowan, Armstrong and Alex. Thorne, and for the forwards, Goodspeed, McKinnon, Leonard, Gardner, Turner, Smith and Gearson.

"As will be seen from the list a strong team can be picked from these players, one that should be able to give the red and black the game of their lives, even if they do not lower the collegian's colors. Malcolm and Willis are a half line in themselves, and with Drynan and Clarke added would make a very strong combination. McGowan and Armstrong in the quarter division look decidedly strong, and with a forward make up of Goodspeed, Jack McKinnon, Charles Leonard, Stan Smith, Thorne, Gardner, Frank Gearson and Turner ought to round out a good team.

"The fifteen are picked from the Algonquians and Carleton teams."

Capt. Kinghorn of the U. N. B. team, said this morning:

"We don't know yet what our team will be. The cripples may all be playing and some of them may not."

#### HIGH SCHOOL MADE

#### TEN TRIES AGAINST NORMAL SCHOOL

Yellow and Black Showed Much Improved Form—Team Has Been Changed Considerably.

Fredericton High School played the Provincial Normal School football team at College Field yesterday and won by the score of 30 to 0, a record for these parts. The match was played in the rain and on a wet and slippery field and there was frequent fumbling. High School, however, played in much better style than at any time this season, and should show up well against St. John High School on Saturday. None of the tries were converted. The wet condition of the ball made kicking difficult, but even allowing for that disadvantage, the attempts to convert were laughable.

The Normal team as far as P. N. S. teams go, was light and was outplayed in all departments. High School used the halves for scoring whenever possible and played sharply all through the game. The Yellow and Black team has been well shaken up and the result is beneficial. Some players who have been on the team this year did not figure on the line-up yesterday and others were playing in new positions.

Normal School showed a lack of knowledge of Rugby, but had a couple of men who were dangerous. Steeves at quarter, played well, and Byron of the halves, got away on a couple of long runs.

The High School played well as a team. Some of the backs displayed poor judgment, however, in running and passing, and kicked seldom. Burns scored two tries, McKenzie two, McAdam two, Kilburn one, Cass one, Brewer one and Gunter one.

The line-up was:

High School	P. N. S.
Fullback	
VanWart	Rouse
Halves	
Steeves	Wetmore
Burden	Logan
Walker	Cronkite
Burns	Byron
Quarters	
McFadgen	Higgins
McAdam	Steeves
Jago	Woodcock
Forwards	
McKenzie	Hallett
Gunter	Perry
R. Turner	Patterson
Cass	Walsh
Brewer	Green
Belleveau	Davis
Kilburn	Estabrook

Columbus, O., Oct. 26.—Columbus today secured pitcher Rube Waddell and second baseman Blake from the St. Louis American League Club. Waddell, who was recalled from Newark, N. Blake was secured last fall by St. Louis from Lancaster of the Ohio State league. He needs more seasoning and has been turned over by St. Louis, Blake is a Columbus boy.

#### FREE-FOR-ALL

#### TROT AT HILLSGROVE FEATURE RACE

Carried Over Until Today—Billy Patten Won 2.18 Pace, Aloyda the 2.20.

Hillsgrove, R. I. Oct. 26.—The free for all trot was the feature race on the card this afternoon and after four heats in which as many horses led the field to the wire, the race was carried over till tomorrow.

Derby Boy was the favorite and made good in the first heat, but he could not repeat. Direct Tom and Ralph Wick took the next two heats in that order. Walter Cox of Grand Circuit fame with Betsy G. went out to win the fourth heat and in the back stretch he lifted his brown mare out in front and thereafter was never in danger. The battle will be continued tomorrow, and the wise ones pick Cox to land the money.

Billy Patten, with William O'Neil of Lexington, Mass., the owner, driving up the talent by winning the 2.18 pace brought forward from yesterday, in straight heats. Ben Hur Marston up, was the favorite, but he failed in every attempt to head the Bingen gelding.

Aloyda, owned by G. S. Pratt of Southbridge, Mass., was public choice in the 2.20 pace and he justified his backers by winning handily in straight heats.

#### A FASCINATING DRAMA

The people of the great Canadian west is a fascinating drama, whether we view it from the large or the small end of the telescope or from the point of the great railroad builder throwing a steel spine across the continent, or from the point of one little family unit finding its tree farm under the aegis of this transportation line. The line of the Grand Trunk Pacific across Canada is essentially the belt of homes. Who is it that answers the call of the wheat? The young, the brave, the hopeful, the helpful, says Miss Agnes Deans Cameron, in the March issue of the "Magazine of Commerce." The writing tools to write the dreams are the strong arms of men and of faith-possessed women. It is a goodly play for the world to watch. The first scene is enacted on the prairie farm where the virgin soil is turned under to a crop of wheat for the first time since creation's dawn. The second scene is the grain elevator, red against the setting sun, and the waiting wheat train of Grand Trunk cars. Our drama, closes with the loaf of bread clutched in the eager grasp of the little child in some crowded city of the old world. "Manchester (Eng.) City News," March 19, 1910.

Oatmeal can be used instead of barley or rice in the soup. It thickens it, and adds a flavor which is pleasant.

#### THE ELECTION IN DRUMMOND AND ARTHABASKA

Montreal, Oct. 26.—The opening of the campaign in Drummond gives promise of being an interesting fight. At Victoriaville on Sunday a joint meeting of Liberals and Nationalists was held. Messrs. Bourassa, Monk and Laliberte were the Nationalist orators, while Hon. Jacques Bureau Dr. Beland and Mr. J. E. Perrault were the Liberal speakers.

Mr. F. D. Monk, M. P., in opening referred to the Nationalist flag as that of Canadian national liberty. Sir Wilfrid Laurier, he added, had admitted at the meeting in the Monument National that the naval policy was a new one. It was for this reason that opponents of the scheme were asking that it be submitted to the people. Referring to militarism, Mr. Monk said the reasons why Americans emigrated to Canada was that they wished to avoid this evil. Quoting Mr. Fielding, the speaker endeavored to show that in regard to the naval bill Sir Wilfrid was trying to deceive the people.

Mr. Henri Bourassa, referring to the Niobe, said that in five years this vessel would only be good for sale as old iron, and that with the cost of the boat a thousand roads might have been made. The cost of a single shot, he said, was from \$100 to \$150, and this money would be better placed in the construction of canals, roads, etc. Sir Wilfrid Laurier, he said, had deceived the people when he declared the annual cost of maintenance of the fleet would be three million dollars, when, according to the Admiralty reports, the cost would be \$3,680,000.

Dr. Beland, M. P. for Beauce, said he would contradict Mr. Bourassa out of Mr. Bourassa's own mouth. In the course of the 1903 session, he said, Mr. Bourassa, referring to the resolution passed in the Imperial Conference of 1902, remarked: "To this no Canadian can refuse to give his assent." "No," said Dr. Beland, "if Mr. Bourassa says it was not a question of a navy, I will confront him with this statement of Mr. Monk who said, 'The government has declared that it is proposing to construct a navy.' The Bourassa of 1910, then, is not the Bourassa of 1903."

"The cause of this change of faith is that he has allied himself with the Conservatives of Ontario to overthrow the Laurier Government. The proof of this is that Mr. Charles Beaubien, the Nationalist organizer, and a Conservative, had a secret conference with Mr. R. L. Borden, leader of the Opposition, during the last session. If Mr. Monk," Dr. Beland added, "had any objections to the resolution passed by the House in 1909, during his so-called absence, why did he not speak of it during the two months that followed, before the close of the session, and why did the Nationalists let the whole summer pass without protesting in any way against the tenor of this resolution?" During the day meetings were held at Drummondville, Wickham, Victoriaville and other places in the country.

#### DECISION FOR McMASTER AT BAPTIST CONVENTION

The Baptist Convention of Ontario and Quebec, after one of the most remarkable debates in the history of the Baptist Church, decided that the report of the Faculty of McMaster University to the Senate and the Board of Governors in December, 1909, should represent the attitude of that institution towards the Bible. The report included excerpts from a report of the professors embodying doctrinal statements, and in its essential features was as follows:

"The Divine inspiration of the Scriptures of the Old and New Testaments, and their absolute supremacy and sufficiency in matters of faith and practice."

"The Scriptures of the Old and New Testaments were given by inspiration of God, and are the only sufficient, certain and authoritative rule of all saving knowledge, faith and obedience."

"The Divine inspiration of the Scriptures of all Old and New Testaments as a complete and infallible rule of faith and practice."

"That McMaster University should be organized and developed as a permanently independent Christian school of learning, with the Lordship of Christ as the controlling principle."

"In Christ all things consist." "Each member of the theological faculty hereby declares that, according to his best knowledge and belief, he is teaching in harmony and in sympathy with that attitude; and they agree that, while complete freedom should be accorded in the investigation and discussion of facts, no theory should be taught in McMaster University which fails to give their proper place to supernatural revelation and inspiration, or which would impair in any way the supreme authority of the Lord Jesus Christ, our God and Saviour."
