STILL HOPEFUL FOR PEACE

Strikers and Representatives of Companies to Confer Today

Mayor Gaynor Decides That Non-Union Drivers Must be Licensed -- A Win For The Strikers.

New York, Nov. 5.—There was renewed promise of peace in the express strike today. The striking drivers and helpers and representatives of the companies will meet at the city hall today and it was hoped a final adjustment would result.

A report was current today that at a conference arranged by Mayor Gaynor last night, common ground had been found for the adjustment of the differences.

Before the peace movement got under headway, the men seemed to have scored an important point in a ruling that drivers must have a license. A plea by the companies that most of their wagons were engaged on interstate commerce and that they were therefore not amendable to city ordinances, is reported to have met with an intimation that if the companies expected city protection, it would be wise for them to comply with the municipal regulations.

The Adams and American Express Companies began operations today and apparently did not intend to pay any attention to the mayor's announcement that drivers of express wagons must have licenses maintaining their stand and their business was not subject to local licensing regulations, being a part of interstate commerce. One hundred empty trucks left the stables of the American Express Company and most of them proceeded along the routes mapped out by the police with the evident intention of making collections.

They had the usual police guard.

CLOSE FINISH IN BICYCLE RACE

Boston, Nov. 5.—The last day of the six day bicycle race began with five teams contending for the mastery on even terms. Try as they would, none of the leading combinations has been equal to the task of shaking the field. But one lap separates the second group from the first while one combination is trailing in the rear two laps behind the leaders. The finish tonight promises to be sensational. With 1,240 miles and six laps to their credit, the first five teams are:

Kramer and Moran, Wiley and Lawrence, Fogler and Collins, Wright and Palmer, Hehir and Goulette. Thomas and McCarthy, Bedell Bros. Walker and Mitten, and Demara and Williams compose the second division. Schiller and Jokus are last.

Portage, Wis., Nov. 5.—Dr. James C. Monaghan, of New York, scholar and educator and chief of the division of consular reports under President Roosevelt, was stricken with apoplexy here last night, while in the midst of an address before a large audience in the Opera House. He was removed to a hospital and his condition is said to be critical.

CROWD IN FRONT OF HANGARS

CANADIAN BRANCH IS SOLVENT

Toronto, Nov. 5.—Grand Commander E. B. Collett, of the Knights of St. John and Malta, has made the following statement regarding the insolvency of the order in the United States:

"The failure of the society was precipitated by the losing end of the insurance department. We made an effort to carry old members over 70 as an inducement, but the United States laws stepped in and prevented us from continuing this.

"Actions were brought against us costing about \$20,000 to fight, and the insurance department of the United States failed to stand by us in carrying out their laws.

The liquidation of the American order will not affect the society in Canada. We are incorporated under an Ontario charter, only about 2600 people are affected. The society in the United States will be continued as a fraternal organization, but not as an insurance society.

There are about 800 members in Toronto, and in Ontario we will start out with our own organization after the necessary preliminaries are completed.

ANOTHER CROWDED HOUSE GREETED LOCAL AMATEURS

Another crowded house greeted the Fredericton amateurs last night, when the performance of "A Sailor's Sweetheart" was even better than that of Thursday evening. This afternoon a matinee performance was given, beginning at 2.30. The unfavorable weather then affected the attendance to a considerable extent.

At last evening's performance the ladies of the company were presented with bouquets by admirers in the audience.

Mr. F. Harold Hatheway, who made a hit as S. Kidder, was also remembered by his friends. On Monday Mr. Theodore H. Bird, under whose management "A Sailor's Sweetheart" has been put on here will leave for St. John, where he will begin rehearsals for a play which the amateurs of that city are to present under his direction. The play is "The Pearl of Savoy."

Financially "A Sailor's Sweetheart" has been a great success and The King's Daughters, under whose auspices the play has been produced, will receive a considerable amount. Various estimates of the total receipts have been made, but the exact amount will not be known until after today's performance.

BIG COLLEGE FOOTBALL TEAMS BATTLE TODAY

New York, Nov. 5.—The foot ball season in the east entered today what might be called its semi-final stage, all the big college teams meeting presumably strong opponents in gridiron contests which are expected to fit them for the final battles.

The Harvard and Cornell game at Cambridge has developed marked interest possibilities of a strong showing by the Ithacans being admitted although Harvard's supporters looked for victory by a considerable margin.

The Yale-Brown game in New Haven promised to be a crucial struggle for the upholders of Yale football prestige in that it was expected to show whether the New Haven colleges had rounded into form for the big games with Princeton and Harvard. Princeton's work today against Holy Cross at Princeton is believed to be closely watched.

CARLETON COUNTY FARMER KILLED

New York, Nov. 4.—After only 30 minutes of deliberation, a jury acquitted Edward T. Rosenheimer today of criminal negligence in causing the death of Miss Grace Hough by running down in his automobile the buggy in which she was riding. The case had been followed with close attention because of the wealth of the defendant, and the effort by the people to convict for murder.

Mrs. W. Tom Murchie has returned from a month's visit to Boston. Miss Edith Gregory will leave shortly for Victoria, B. C., where she will spend the winter with her brother, Mr. Justice Gregory. At present Miss Gregory is visiting friends in St. John.

ELECTIONS MAKE LITTLE CHANGE IN CUBAN CONGRESS

Havana, Nov. 5.—The returns from the elections held in the island last Tuesday are still incomplete. Nothing like actual figures from many provinces have been received and because of the law on proportional representation it will be impossible to announce even approximate results until the vote is counted.

The Conservatives still claim to have won in Ontario and Camaguey provinces and the Liberals in Pinar del Rio, Matanzas and Santa Clara. In Havana province it is believed the Conservatives have elected four congressmen and the Liberals five, while three seats are still doubtful. The probability is that there will be little change in the make-up of congress.

The Independents made a poor showing in the elections.

NOVA SCOTIAN POSTPONES FLIGHT

New York, Nov. 5.—Because of continued wind and rain, the proposed flight today of J. A. D. McCurdy, from the deck of the Str. Kaiserin Augusta Victoria to Governor's Island, has been postponed until Nov. 24, when it will be attempted from the Str. Amerika.

QUEBEC OVER 50 MARK

Montreal, Nov. 5.—Today's excitement in Quebec Railway stock was due largely to a sharp advance in the price in Paris.

Paris cables to a local broker via London said that Quebec was selling in Paris at the equivalent here of 52.30.

This induced a wave of arbitrage trading on the part of several local brokers, with foreign connections, and the outside dealings combined with the heavy buying Mr. Forget sent the stock up to 50 1/2.

There was a lot of stock for sale at 49 1/2, but once the 50 mark was reached it acted rather buoyantly, some enthusiasm being caused by the fact that foreign houses not hitherto identified with the stock took a hand in the trading.

LABOR TROUBLES AT BARCELONA

Madrid, Nov. 5.—Senor Sagsta, Spanish minister of the interior, said today that he had tried unsuccessfully to secure the arbitration of the strikes at Sabell where 6,000 demand a 9 hour working day and at Barcelona, where the men are out.

CRIPPEN APPEAL DISALLOWED

Court Decided Against the Slayer of Belle Elmore On All Points

Big Crowd in Attendance at the Old Bailey to Hear the Argument—To Hang November 8th.

London, Nov. 5.—The hearing of the appeal of Dr. Hawley H. Crippen from his conviction and sentence to death for the murder of his wife, the actress Belle Elmore, drew another great crowd to the new Bailey Court today. Justices Darling, Channell and Pickford heard the appeal. Crippen was brought to the court house but kept in a cell pending a decision to an appeal against Justice Riddles ruling that he could not attend the proceedings. This ruling was set aside and Crippen was brought into the dock. He was very pale and evidently had lost strength since his conviction. The prisoner's counsel was the same as appeared at his trial. The principal grounds upon which they based their appeal were first, that one of the jurors had been taken ill during the trial and removed from the court by physicians without being in the custody of an officer; second, the identity of the corpse found in the cellar of the Crippen home had not been established; and third, that the crown's rebutting evidence had been improperly admitted.

Mr. Tobin said that it was not charged that anyone had tampered with the juror while he was temporarily excused but that an important principle of law was involved.

In reply the crown offered the evidence of a bailiff that the juror was in his charge throughout his illness. Deciding this point, the court ruled that the temporary separation of the juror did not affect the trial.

WILL HANG NOV. 8TH.

London, Nov. 5.—Dr. Hawley H. Crippen, convicted of the murder of his wife, Belle Elmore, the actress, today played his last card and lost. He will be hanged Nov. 8th. The criminal court of appeals heard his appeal from the conviction of the lower court and decided against him on all points. The court refused to grant a new trial and confirmed the order of the execution which will be carried out on Tuesday next.
