Give your servants **GOLD DUST** to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without **GOLD DUST** is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—**GOLD DUST** is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of **GOLD DUST** in all household cleaning.

RUGBY MEN HAD
LIVELY PRACTICE
ON SATURDAY

U. N. B. Gets Down to Work Today
—Moncton Wants to Play Here
October 13.

The Rugby men had a good workout at College Field Saturday afternoon. High School and Fredericton City played on one side and U. N. B. on the other. A thunder storm came up while the practice was in progress and the rain came down pretty hard but the ardor of the players was not dampened.

The City half-backs got in some good running and passing Balbitt and Rutter working well together. "Col" McKee was on deck and his punting was a feature of the practice. Clinick was out for the first time and played at quarter.

Kuhring Jennings and Deedes were prominent on the U. N. B. squad. Melrose who comes from St. John High School was used at full back and did very well. Binney was also prominent on the half line.

MONCTON COMING

The Moncton Team has sent word that Wednesday, October 12th, is the day on which they want to play U. N. B. here. Fredericton City also wants a game with Moncton here and an effort will be made to have Moncton play two games here on a Friday and a Saturday.

U. N. B. WORK OUT

U. N. B. will get down to work this afternoon. "Cap" Deedes will have charge of practice in the absence of Kinghorn the team-captain. On Wednesday the College will put a team against a picked team from the city for a practice game.

LAJOIE STILL LEADS

IN BATTING RACE

There is no change in the batting averages of Cobb and Lajoie up to Saturday, as the Detroit and Cleveland teams remained idle.

Speaker of the Red Sox, three times at bat without a hit, dropped two more points. His average slumped steadily in his games last week and he has but little chance of winning the prize auto. Magee lost a fraction of a point, but still holds on to the .334 mark. The averages, including Friday's games:

G. A. B. R. H. Av.
Lajoie, Cleve., .145 563 916208 .370
Cobb, Det., .134 489 98 178 .364
Speaker, Bos., .135 517 89 176 .364
Magee, Phil., .147 491 101 164 .334

PITTSBURG PAPERS
ARE KNOCKING HANS
WAGNER THE GREAT

Dutchman is Said to be Getting Old—
May be Sacrificed For New Blood.

Cincinnati, Oct. 1.—Hans Wagner has worn out his welcome. At least two Pittsburgh newspapers are intimating that the "world's greatest player," has outlived his usefulness in the Smoky City. The papers accuse the Carnegie Dutchman of not fighting for victory with the fire and enthusiasm he exhibited in past seasons.

His decline in fielding and base running is souring the Pennsylvania fans, and his hitting is straky and unimely. On account of the growing infirmities of age, Wagner batted so poorly the first ten weeks of the race that the Pirates got a bad start and never recovered the lost ground. "Two or three of the older hands will be cast aside before the opening of the 1911 season," states The Pittsburgh Leader.

"Wagner was not missed from the line-up," is the curt way The Pittsburgh Press puts it.

Another Pittsburgh paper slaps Wagner in this fashion:

"The men who are paying out big salaries in base ball these days demand ball playing for their money, and fat jobs cannot be held on the strength of past reputations. Young players who do their best and hustle all the time are preferable in the eyes of the club owners and fans alike to men who think they should be allowed to take things easy on the strength of what they have done in other seasons. In this era of base ball it is a case of deliver the goods every day or get out of the way for someone else."

"There's no mistaking the fact that the fans are becoming hostile to Wagner. The newspapers are reflecting public sentiment. The cry for 'new blood' is so persistent that not only Wagner but Leach may be sacrificed."

Friday's Races Were Slow—Lively Contest for Second Place in 2.22 Class.

Rochester, N. H., Oct. 1.—The races of the fair yesterday were the tamest of the week. Two of the three were run off in straight heats. John E. Marston of Pittsfield, uncovered the winner in the 2.22 class without being headed.

The contest in this race was between Fred R and Arrow W for second place, the latter winning in a finish that a blanket would have covered. Miss Overlook had her own way in the 2.18 class pacing. An extra heat had to be trotted in the 2.24 class, as The Montana, leading in the first heat, broke in coming down the stretch and ran under the wire, the judge setting him back to third place. The other three heats were taken by this horse easily.

The summary:

Brighton, Eng. Oct 1.—Jockey Tom Loates, who died here Wednesday left a fortune of about \$1,125,000, largely the results of careful investments made by him under the guidance of Leopold de Rothschild, his chief employer.

Loates twice won the Epsom Derby in 1889 on the Duke of Portland's Donovan, and in 1893 on H. McCalmont's Isinglass. In this latter race, the time 3 minutes 33 seconds is still a record for the event.

GIRL OF SIXTEEN LONG DISTANCE SWIMMER

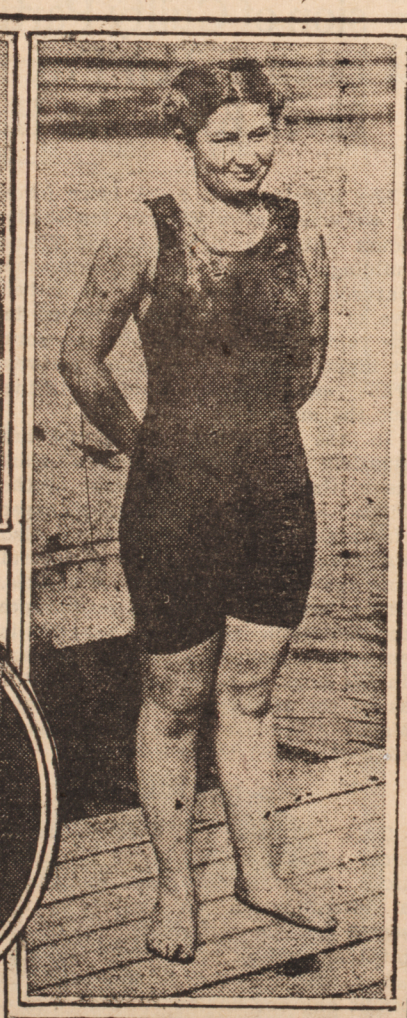

RECEIVING CONGRATULATIONS

New York, Oct. 1.—Miss Rose Pitonof, in appearance a child despite her sixteen years, accomplished the most remarkable feat of distance swimming ever seen in these waters, by stroking with the tide from the New York Yacht Club landing No. 3, at East Twenty-third Street, to Coney Island Light, in five hours and eight minutes.

According to the chart this course in river and harbor is sixteen and a quarter miles, yet, considering detours, one of which resulted in the sensational finish, she must have traversed all of seventeen and a half miles, at which her performance is estimated.

Her longest swim before this one, in which she distanced seven men, competitors, was made on August 7 of this year near her home in Boston. She then went from Charlestown

had for unexpected competitors yesterday two muscular women whom she defeated with ease, although one of them vied with her to the end.
