Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools.
You cannot expect your maid to keep everything ship-shape unless you give her every modern help.
To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and *keep sweet* with the aid of GOLD DUST in all household cleaning.

ST. PETERS LOST TO CHATHAM IN VERY LOOSE GAME

Score 12 to 7--Callaghan Forced to Leave Box--Saints Startep Well.

Chatham, Oct. 6.—The Stars defeated St. Peters, the provincial champions, on the local diamond here this afternoon, 12 to 7, before the largest gathering ever assembled to see a baseball game in this town. With the exception of the first inning, when the Stars were decidedly off color, and allowed St. Peters to get five runs, the locals had it on the visitors at every stage of the game and gradually hauled their big lead and passed them.

Play at times was loose on both sides, but the Stars showed up better at critical moments. Handley pitched better ball than Callahan, who was retired in favor of Lynch in the seventh inning, and the Stars played an almost errorless game after the first inning.

Feature catches were made by H. Dever, McCormick, Currie and Kendall, and each side had double plays to their credit. Godfrey knocked out a home run and McLean a three bagger. The only runs St. Peters got after the first inning, were due to errors by Perry in centre field while the Stars scored in four innings. The scores were:

ARCHER HITS THE BALL WITH "NAILED UP" BAT

"That bat looks like a badly damaged fence board," said "Johnny" Evers, the second baseman of the Cubs, to his friend and colleague, James Archer.

"You may be right, but I wouldn't trade it to you for your bloomin' shoe store up at Troy," retorted Archer.

This shows how much a player values his "war club." With few exceptions big league players are hard to suit on the bat question, and onre they discover a bat which they like

they refuse to part with it for gold.

Archer's bat is a curiosity. Imagine a National League player hitting with a split bat. That's what Archer does and he refuses to accept a new one of the same model, which is patterned after his own design, until he finally splits his present club into kindling wood.

For two years Archer has used this bat. He was fortunate to split the outer grain. He straightway got a hammer and some nails and drove six into the damaged portion of the hickory. Then he wrapped it with tape and now the bat rings as true when you strike it against the ground as a new one.

JOHNNY EVERS LEG IN PLASTER CAST

Chicago, Oct. 6—All Johnny Evers has now to do is to wait for his leg to heal. Surgeons in the West Side hospital yesterday set the fractured bone and put the leg in a cast.

The operations lasted half an hour. Surgeons declare there is no danger of the injury being a permanent one and give out the cheering statement that Evers' leg will be as strong as ever in 1911 and wouldn't interfere with his playing badeball next season.

The injury to Evers' leg is technically known as a "Fox fracture," according to the physicians.

All day scores of friends visited Evers. Charles Webb Murphy, owner of the Cubs, hurried to the hospital as soon as he teached Chicago from Cincinnati. Mr. Murphy watched the operation with Steinfeldt and Zimmerman, who also called and cheered up Johnny.

HIGH SCHOOL XV. TO TAKE A TRIP

It is likely that the Fredericton High School football team will take a trip this week for the purpose of playing St. John High School and Rothesay College.

The High School team expects to leave Friday morning, playing at Rothesay that afternoon and at St. John on the day following.

The Yellow and Black XV this year is up to the average and plays a snappy game.

BASEBALL NOTES

Buffalo Times:—The Barrow boom or the President of the Eastern League is said to have gained considerable momentum. A report comes from Toronto that Barrow has been pledged five votes, enough to beat Powers. Toronto and Buffalo are the hotbeds of opposition to Powers. The oily one will be given a battle this year, it seems, that will extend him some.

Manager Chas. Dooin of the Philadelphia National League Club has signed a contract to have charge of the team again next season. Dooin's contract calls for a period of one year. This is his first season as manager of the Philadelphia Club.

kid's cause. "You ought to have soaked that one, Donie. It was right past your eyes. You couldn't help see it." Batter and catcher laughed. Connolly didn't. The umpire turned to McIntyre. He thought for a minute and then it flashed through his mind. "Get off the grounds," roared Tommy.

Baltimore News:—Baltimore stands in danger of losing another prominent citizen. Joseph Kelley, manager of the Toronto team and member of the old pennant-winning Orioles. The fact is that they like "Kel" so well up in Canada that it is more than possible that we shall only see him around here occasionally—during the summer months when he brings his Canucks here. Advices from the King's lands have it that "Kel" has been offered a decidedly soft job as travelling representative for a big scale concern with headquarters in Toronto, and that he will in all probability accept. We will hate to lose "Kel" but then we must remember that "Joe" was always a regular bear cat for getting those sinecure jobs during the cold months.

FREDERICTON CITY AND U. N. B. TEAMS TO BE PICKED TODAY

The teams which will face one another on the College Field tomorrow have not been chosen but is pretty well known who the majority of the players will be. The Fredericton City team will be picked tonight and the U. N. B. team sometime during the day. The game will begin at 4. p. m. and John Dolan will be the referee. It should be a fairly good game for the first of the season. The City team will hold a practice at Scullys grove.

U. N. B. LINE-UP

Out at the College Field yesterday rumor had it that Laughlin was the man likely to be tried out at fullback and the halves would be Binney at right outside with Creaghan and Murray inside and the remaining wing either Parker or Barry. Jennings will be one quarter with Bender and Porter will have chances for the other position behind the scrim. Jack McNair will play as loose forward and "Cap" Deedes and Rigby will be in the scrim. The other five forwards will be picked from among the following: —Vavasour, Jewett, Melrose, Gunter, Patterson, Barnes, G. Kuhring and J. Alexander.

P. Kuhring one of the regular college quarters is nursing a wrenched knee. Vanwart who is also a possibility for the scrim is also out of business with injuries.

THE CITY TEAM

The City team which will be picked tonight will play with McKee as full-back three of the halves will be Rutter, Babbitt and McGibbon. The other is yet to be selected. "Sheeney McKnight is likely to be tried out at quarter with McFadgen. Clynick will not be in the city and Roberts, Hazlett, Hoben and Burns are mentioned in connection with the remaining vacancies in the back division. Day, Brewer, Clark H. Wandless Christie and Stephens are likely to to be forwards while Chappell, Barker and Brooks are also in line for a place.

PUNTS AND DROPS

Walsh the policeman scrimmager, is the biggest man on the Ottawa team, going well over six feet, while he is shaped in proportion, weighing about 210 pounds.

The Ottawa team is stronger than ever on the back division and though the wing, line and scrimmage are are doubtful, both departments will be in smooth working order for Saturday's game at Hamilton.

Suspensions and professionalization makes trouble for the Upper Canadian football teams as well as those in the Maritime Provinces. Ryan of Ottawa is shut out for this reason.

The Board of Governors, it is understood, have decided to take a mail vote on Ryan's application, and on this account it is not expected that he will be eligible for the opening game against the Tigers.

MR. JOUDREY OPTIMISTIC.

Moncton Times:—Mr. L. T. Joudrey of Campbellton, was one of the heaviest losers by the fire in that town last July. All his property, having value of something like $25,000, was swept away and his loss was only partially covered by insurance. Mr. Joudry had just about completed a substantial new residence at a cost of $3,000, and on this he had only a carpenters' risk of some $1,200. Mr. Joudry has, however, not lost confidence in the future of the northern town and will erect a substantial brick block on his land in the business district. Mr. Joudry says the town presents a busy appearance at present, with scores of buildings in course of erection. There will be considerable inconvenience and some hardship during the coming winter, and the relief committee yet requires a considerable amount to carry on its work in a thoroughly efficient manner.

Matty McIntyre, Detroit outfielder, was ordered off Shibe Park in Philadelphia by Umpire Tommy Connolly. The usual reason, "for disputing the umpire's decision," was given. Here is what occurred: Bush was at bat and McIntyre was standing near the plate. Bender shot one past Bush's face. "Strike" yelled Connolly. Bush turned, looked at Connolly, but said nothing. McIntyre took up the
