## Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.

## ROOT-MORAN TEAM WON SIX-DAY GRIND SATURDAY NIGHT

First Prize Was \$1600—Time Slow but Race Full of Spurts, Rutt-Clark Second.

New York, N. Y., Dec. 10.—Eddie Root, of the Root-Moran team, finished first tonight in the final mile dash that decided the winner of the six day bicycle race at Madison Square Garden. His time for the mile was 3 minutes, 56 1-5 seconds, and his distance for the six days, 2,454 miles 1 laps.

Jackie Clarke, of the Rutt-Clarke team, finished second by half a wheel, Jie Fogler, of the Hill-Fogler team, third, and Paddy Hehir, of the Goulet-Hehir team, fourth. By their victory Root and Moran divide \$1,600, the prize for the first place. The record is 2,377 miles, 1 lap made by McFarland and Moran in 1908.

Slow as the pace this year shows in the averages and totals, it was punctuated by bursts of furious sprinting. In the early hours while the weaker teams were being shaken out the riders were far ahead of all previous figures, but when the competition narrowed down to the real contenders, there was a slackening of interest until penalties began to come into play.

Two veteran teams, Clarke-MacFarland and Rutt-Stol, disbanded and formed the reconstructed team of Rutt-Clarke, which accepted the penalty of two laps always imposed on new partners. MacFarland became their coaching leader and the new alignment provoked the bitterest jealousy among the remaining leaders. They succeeded in lapping Rutt and Clarke once and it was apparent from then on that the real battle was to lap the new team out of the final sprint.

### GAINED THE LAP.

But Rutt and Clarke were not discouraged. By hard sprinting they won back the lost distance early this morning and from that time until the teams withdrew for the final dash at 3.56 tonight, the pace slackened and the riders merely loafed around the wooden bowl, with only an occasional spurt from some tailender.

In the decisive move Root led at a slow pace during the first three laps, still led at an increased pace during the next two laps and then burst into racing speed and beat Clarke home by half a wheel.

In spite of the fact that there were so few threatening accidents there was much foul riding and the judges imposed many penalties for unfair jockeying, pocketing and improper reliefs.

### THE SUMMARIES

Final score 142nd hour.

1st—Eddie Root, New York, and James Moran, Chelsea, Mass., 2,454 miles, 3 laps; \$1,600.

2nd—Jackie Clarke, Melbourne, Australia, and Walter Rutt, of Germany, 2,545 miles, 3 laps; \$1,000.

3rd—Joe Fogler, Brooklyn, and Fred Hill, of Boston, 2,545 miles, 3 laps; \$800.

4th—Patrick O'Sullivan, Hehir, New Zealand and Alfred Goulet, Australia, 2,545 miles, 3 laps; \$600.

5th—W. L. Mitten, Davenport, Ia., and Floyd Thomas, San Francisco, 2,545 miles, 2 laps, \$400.

6th—Fred West, San Francisco, and Walter DeMara, San Francisco, 2,545 miles, 1 lap; \$350.

7th—George Cameron, New York, and Alfred Halstead, San Francisco, 2,545 miles; \$200.

## AD. WOLGAST WON'T NAME DAY OF WEDDING

Cadillac, Mich., Dec. 10.—Ad Wolgast, lightweight champion pugilist, and Miss Mildred Ensign of this city are having a quiet laugh at the expense of their friends. Some time ago it was announced that they were soon to be married, and now that a rumor has been set in circulation that the ceremony has already been performed they refuse to confirm or deny the report.

"I'm not looking for any advertising," said Wolgast.

"What's the use of denying it?" said Miss Ensign.

"It was expected that the wedding would take place on the anniversary of Wolgast's victory over Battling Nelson.

Miss Ensign said the champion had promised to retire after his next battle. She said she would not witness the bout, but would be near the arena.

## FANS IN ROME WERE INTERESTED IN WORLD'S SERIES

Connie Mack Tells American College Why He Removed Plank From Pitcher's Box.

Rome, Dec. 10.—Connie Mack manager of the Philadelphia American baseball team which won the world's championship this year and who is here on his honeymoon, visited the pope and the American college and was received with much distinction. He entertained the students at the college today with an account of the deciding game for the baseball championship.

Asked about his visit to the pope, he became unusually serious and replied: "His is a wonderful personality. He is at once natural and dignified and without an effort carries with him an atmosphere that is not of this world. Yes, I am a Catholic, and my visit to the vatican will always remain a red-letter day in my life."

"The boys at the American college some 150 of them listened eagerly to all I had to tell them about the great victory of the Athletics. In the middle of my story a grave prelate in flowing robes broke in with, 'O, Mr. Mack, why didn't you place Plank in as pitcher?'"

"Because," I replied, "Plank is a left-hander, and I felt that the Chicago team would hit the left-hand pitchers."

"But the question showed such careful study of the game and such local knowledge from an onlooker 3,000 miles away that I felt American baseball had penetrated into Rome, at least among my countrymen here."

### PUCKERINGS

Yale and Cornell will meet in Chicago on December 30 and 31 and January 2.

Randall of Lindsay and Andy Kyt of Toronto are booked for Port Hope pros. Randall has reported.

Trenton has offered \$20 per week for the services of Leo Milan, the fast youngster on last season's Kingston junior champions. The offer was promptly declined.

A Brockville despatch says that three of the St. Michael's College champions have been secured for the Brockville team which is trying to put into the outlaw league. The latter is the outcome of the salary limit in the National Association. Needless to say there is not the slightest truth in the report.

Lalonde has signed a Les Canadiens contract. He has not been released from Renfrew, and Les Canadiens by making any advance to him are violating the first principles of the league. Renfrew will not release Lalonde unless Les Canadiens pay the price, and so far as President Quinn knew yesterday Renfrew had not granted the release.

Ottawa Journal:—"When Fred Taylor left Ottawa last winter and signed up with Renfrew it was understood at the time that the Listowel Cyclone was to receive \$1,800 per season for his hockey playing abilities, with a two-year contract in the bargain. The Renfrew officers therefore face a pretty hard problem, for that \$1,800 will cut a big hole in the \$5,000 allowed the different teams. Six others will have to be found for \$3,200.

Mike Murphy is getting into shape on the river. Mike was out yesterday and with a little more work should be as good as ever.

### DIAMOND DUST

Harry Morgan, another of the world champions, has entered vaudeville on the Keith circuit.

Walter Manning, the former pitcher of the Yankees, is credited with only one putout in sixteen games.

Bill Carrigan, who may be sold or traded by the Boston Americans, had fifteen passed balls during last season.

Jimmy Casey, the former Toronto player, and later manager of the Montreal club, has signed to manage the Fort Wayne team in the Central League.

Billy Clymer, who wore a Pittsburgh uniform for many years and now manager of the Wilkesbarre team, has bought Pitcher Oberlin, who last season was with the Senators. Oberlin played in the American Association when Clymer was manager of the Columbus team.

Many of the old-time ball players are seeking umpire positions for either league. Among them are Kid Gleason, formerly with the Phillies; Heine Peitz, the old Cincinnati Reds catcher, who later managed the Louisville team of the American Association; Carl Lundgren, formerly a pitcher with Toronto; Jack Doyle, veteran of New York, Chicago and many other teams.

## THIS WILL BE BASEBALL WEEK IN NEW YORK

Ed. Barrow Will Oppose Pat Powers For Eastern League Presidency—Boston Wants Pat.

New York, Dec. 11.—This will be baseball week in New York. Within the next three or four days the magnates of the three leagues—two of them major—will meet here in annual convention, elect officers, discuss amendments to the rules and map out their plans for the season of 1911. Two of the leagues—the National and the Eastern—will elect presidents. In the American Ban Johnston still has nineteen years to serve of a twenty-year term at \$25,000 a year.

Thus far there has been little talk of any opposition to Tom Lynch, president of the National, but the friends of Edgar G. Barrow, of Toronto, who managed the Montreal team last year, will put him forward against Pat Powers of the Eastern League. Barrow is said to have the pledges of five clubs—Toronto, Montreal, Buffalo, Baltimore and Newark—while it is understood that Rochester Jersey City and Providence will support Powers. The result will be known tomorrow afternoon or evening, after the annual meeting of the Eastern League. The story ran last year that Powers had promised not to run again, but it is known that strong pressure has been brought to bear on him to allow his name to be presented again. He has been negotiating for the Boston Nationals, and it is understood that if he is sure that he can buy a controlling interest in that club he will withdraw. In any event his friends wish to name his successor and will oppose Barrow. Here for the meeting tomorrow are; Jack Dunn, owner and manager of the Baltimore Club; President J. J. McCaffrey and Manager Joe McGinnity of Newark; President Chas. T. Chapin and Manager John Gangel of Rochester, and Manager Ryan of Jersey City.

The National League meets on Tuesday and the American League on Wednesday.

### COULON AND CONLEY

WILL FIGHT JAN. 8TH

New Orleans, La., Dec. 11.—Johnny Coulon, claimant of the bantamweight championship of the world, today signed articles for a fight with Frankie Conley before the West Side Athletic Club here on January 8th.

Conley is expected to sign articles in Chicago tomorrow. The articles call for a 20 round bout, both men to weigh in three and a half hours before the fight.

### RUDOLPH KNOCKED OUT YOUNG COTE

Biddeford, Me., Dec. 10.—Before a good sized crowd at the Crescent A. C. last evening, Al Rudolph, of Portland, knocked out young Cote, of this city after about a minute of the second round had elapsed. Cote claimed that he was tripped and that it was the hard fall that prevented him from continuing.

Rudolph, however, had all the better of the argument up to the time that Young Cote went down and out. It was the first boxing card that has been pulled off in the club's new quarters and there was a good sized crowd of fight fans present. There were some good preliminary bouts between local boxers.
