They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without **GOLD DUST** is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—**GOLD DUST** is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of **GOLD DUST** in all household cleaning.

## RING NOTES

Young Erne and Kid Broad will meet in Philadelphia Tuesday night. Phil McGovern and Johnny Coulton will box for the bantamweight championship at New Orleans Dec. 3. Bombarrier Wells, the English heavyweight, must be improving, or the man he is being sent against are poor boxers. He stopped Seaman Parsons in one round at London the other night.—Boston Globe. Jim Barry and Tony Ross have been signed for a bout at New Orleans Dec. 11. If Ross is no better boxer than he was when he met Barry at Chelsea a few years ago he is in for another walloping.

Tom O'Rourke, manager of the National sporting club of New York is considering matching Eddie Murphy and other Boston lightweights against some of the good lightweights of New York at one of the club's meetings next month. A man in London, Eng., named Wilson, claims that Stanley Ketchel was his brother, that Ketchel's right name was Arthur Thomas Wilson, and that he was born 23 years ago at West Hyde, Bedfordshire. The Englishman has engaged a lawyer to look after his interests in the property left by Ketchel. It is a case of mistaken identity, and Jimmy Britt, who is now in England, could make that Englishman aware of that fact.—Boston Globe.

# MORAN KNOCKED NELSON OUT IN ELEVENTH ROUND

Englishman Had American at His Mercy at All Stages of the Fight—Put Him Down Three Times in Bout—8000 People Present.

San Francisco, Cal., Nov. 26.—Battling Nelson of Hedgewick will no longer menace the lightweight belt. For the first time in his fighting career the "Durable Dane" a shell of the once great pugilist, was knocked out today beyond all dispute. Owen Moran, a sturdy lad from Birmingham, performed the feat in the presence of one of the largest crowds that ever assembled at a glove contest in this city.

Moran knocked Nelson out in the 11th round of a scheduled 20 round event, his victory being clean and leaving no room for argument as to his complete mastery over the one-time champion. But he was compelled to drop Nelson five times in this round, for despite the force of the Briton's right hand punches on the point of the chin, the wonderful fighting spirit of the Dane was ever present. One second after the final count had been tolled off and Referee Benjamin Selig above the din shouted: "Your out, Moran wins," Nelson was on his feet with blood streaming from his mouth and nose, loudly importuning the referee to permit him to continue.

Moran from the first tap of the gong proved himself complete master of the situation. There was not one round of the eleven that could be accredited to Nelson. The Dane was always the aggressor, his evident intention being to force Moran to fight. Closing in he was accommodated, but the fight was scarcely two rounds old before Moran showed that he too could fight at the Battler's old game. Round after round Moran would step back, sidestep and dance round the aggressive Nelson all the while shooting in straight, forceful punches to the jaw and he seldom suffered a punch in return.

## THE LAST ROUND

The eleventh and final round opened with neither fighter perceptibly in distress. Moran who, apparently had been biding his time for a finishing blow got his chance when Nelson, with bowed head, rushed into close quarters. Moran lunged his right forward, catching Nelson flush on the jaw, down the Dane tumbled to his haunches for the count of nine. It was the same kind of a blow which several months ago caught Tom McCarthy off his guard. He subsequently died as a result of the fight and the ousting of the Jeffries-Johnson bout from California followed. Nelson tottered to his feet, bleeding and dazed. Moran stood back, waiting for him. Again the Briton's powerful right shot out and Nelson dropped to the mat once more.

The performance was thrice more repeated. Moran each time reaching Nelson's unprotected jaw with his right. With the last knockdown the referee and the time-keeper counted the fateful ten.

When Referee Selig declared Moran the victor, Moran turned a hand-spring into the arms of his second and dashed from the ring without a mark to indicate that he had been in a fight.

## AFTER CHAMPIONSHIP

"I always knew I could turn the trick," he later declared, "and you bet I feel glad I have been the first man to put Nelson out. Now I want Wolgast. The sooner the match can be made the better."

Nelson declared that he had been counted out prematurely, he said: "It lacked but three seconds for the round to end, and I believe that I would have been as fresh as ever in the next round. However, Moran deserves all the credit. He is a great little fighter and will be able to hold his own against any of them."

Today's contest was the first twenty round bout to be held in this city since last June, when Gov. Gillette stepped in and put a temporary stop to fights of more than ten rounds duration, and the fight followers are hopeful of the future.

It is estimated that 8,000 persons witnessed the fight.

## PRELIMINARIES

The first preliminary of the Nelson-Moran contest ended at two o'clock. It was a six-round bout between Marty Kane and Kid Burns, and resulted in a draw.

The ringside betting, which was light, favored Moran at odds of 10 to 8. Weather conditions were ideal, the sun was shining brightly from a clear sky.

Rufus Williams (colored) knocked out Lupie Carranza in the second round of a scheduled ten-round fight. Nelson arrived at the ring at 2.30 p. Moran jumped into the ring four minutes later. A few bets at even money were made at this stage. Ben Selig was the referee.

## LATE STANLEY KETCHEL CLAIMED AS ENGLISHMAN

New York, Nov. 26.—"Cestus" writing in The London Sportsman of Nov. 18, a copy of which was received here today, says that he has evidence that the late Stanley Ketchel, middleweight champion of the world, was born an Englishman and that his real name was Arthur Thomas Wilson, of West Hyde, near Luton, in Bedfordshire.

"I may add," continues Cestus, "that Ketchel's father and mother are still alive, and they naturally think that if there is any of his estate to have it ought to come to them, especially as they are in none too flourishing circumstances."

Grand Rapids, Mich., Nov. 26.—No question, so far as is known, has ever been raised here as to the identity of Stanley Ketchel, and his closest friends and relatives are positive that he was the son of Mr. and Mrs. John Kiecal, Poles, who live near here. Neither of the parents could be located tonight. The fighter assumed the name Ketchel when he took to the ring.

# TORONTO 'VARSITY WON FROM TIGERS 16 TO 7

## GROUND SLIPPERY.

Hamilton, Nov. 27.—Once more the Toronto 'Varsity blue and white reigns supreme in Canadian football and Captain Hugh Gall and his brilliant fifteen established a record which may never be equalled. Eight straight victories, six in the intercollegiate union and the others in semi-final and final games of the respective unions. 16 to 7 was the score this afternoon at the cricket grounds, and for the second time in eight years on the local grounds the famous Tigers were forced to take the short end of the count.

It was a hard game for the Tigers to lose, playing as they were before a crowd of 15,000 frenzied fans in which Hamilton supporters outnumbered the followers of the blue and white by 2 to 1.

## GREAT GAME

Lose, they did however, and in face of the fact that they played one of the best games in their history. There was nothing left for them to do but admit that 'varsity are the better team.

The weather was all that could be desired. The sky was cloudy, giving the halves every advantage in catching while there was little or no wind. Under foot however, conditions were anything but favorable, particularly to the 'varsity players who averaging nearly 20 pounds per man lighter than their opponents on the line, depended on speed and teamwork to win for them.

Almost intermittent rain for the past three days had thoroughly soaked the ground making it soggy and greasy.

At half time so badly was the turf up that sawdust had to be spread thickly in front of each goal line where the battle had waged the closest. Only to the soggy condition of the footing can the fact that the Tigers were not swamped under a big score be attributed.

During the first half the 'Varsity wings played rings around the heavier Tigers, and had Gall chosen to kick for points when in Tiger territory the score of half time would have been at least 20 to 0, in place of 11 to 0.

Over fifteen thousand people saw the game. The west end stands were given over to the Rooters Clubs—Varsity in the southwest and Tigers in the northwest. Each was led by a band, the students bringing the band of the 48th Highlanders from Toronto while the Tigers had the 13th Regt. band.

Over 5000 people came from Toronto in special trains, and at least \$75,000 changed hands on the result of the game, prevailing odds being 3 to 5, although much Toronto money was placed at 2 to 1. Hamilton City was represented by Mayor McLaren and the City Council, while Mayor Geary and a number of Toronto aldermen were also present.

# WEST POINTS WON FROM ANNAPOLIS BY SCORE OF 3 TO 0

Winners' Quarterback Played With Broken Rib and Punctured Lung.

Annapolis, Md. Nov. 27.—After the return from Philadelphia of the victorious Naval Academy football squad tonight, the Army having been conquered by a score of 3 to 0, it was learned that Ingram C. Howell, the quarter back played almost the entire game with the West Point cadets yesterday, suffering from a broken rib and probably a punctured lung. The injury was sustained during the first few minutes of play, but Howell paid no attention to it and his hurt was not known to any one else until the expiration of the first period.

The quarterback's chest is heavily muscled and it was perhaps owing to this that an examination on the field did not disclose the serious injury. He was allowed to continue playing but was told not to run with the ball. He disregarded that order however.

# MIKE MURPHY TALKS OF NORTH SYDNEY HOCKEY

The Moncton Times last week said: The noted Mike Murphy, the professional hockey player of North Sydney, New Glasgow, Fredericton and numerous places, passed through the city this morning on No. 10 for North Sydney from Fredericton, where he has been holding out all summer. Mike looks in the pink of condition. In speaking about hockey this winter, he said that if North Sydney goes into the professional league they will sure have a good team. He said the best is none too good for Charlie Thompson, manager of last year's North Sydney team, and also this year's team. Mike said if they want him to play this winter, that they will have to hand over \$50 per week, (or \$500 for 10 weeks' season), pretty deep for a defence player in these parts.

# BOWLING LEAGUES WILL BEGIN ON THURSDAY

The local bowling season will get going in earnest Thursday night, when the lately organized league begins its schedule with a game between the Sans Souci team and the Pirates.

The teams which compose the league are as follows: Sans Souci: F. P. Hatt, (capt.); N. J. Dougherty, Frank VanWart, Frank Lingley, A. Staples. Queen Hotel: D. B. Winslow, W. E. Jardine, J. E. Giles, C. H. Colwell, J. E. Sullivan, (capt.) Athletics: C. F. Randolph, (capt.), D. Lee Babbitt, R. B. VanDine, E. R. Golding, Douglas Coburn. Pirates: Chas. Warwick (capt.), W. M. Foster, J. G. Dunn, Pauquette. The schedule will be completed by December 15th.

# JIM SMART PLACED UNDER ARREST

A despatch from Presque Isle concerning the fatal Leon—Dunning bout which resulted in Billy Dunning's death says:—

"Sheriff Thurlough ordered Lecn-Jim Smart, Leon's manager; the manager of the exhibition, and all connected held for further investigation."

At a recent meeting of the A. A. U. of England, an effort was made to have the weights in the different classes changed but it failed to go through.

## BASEBALL NOTES

Pres. Ban Johnson, as usual, took his Thanksgiving dinner at Cincinnati with his aged parents.

The Jersey City fans are anxious to see Billy Murray at the head of their ball team once more.

"Jiggs" Donahue says that he has regained his old form and would like to get a chance to play his old position for the Chicago White Sox.

This winter Pres. Hermann is signing up his Cincinnati players. Last year Manager Griffith was assigned to this disagreeable part of the business.

Manager "Red" Dooin of the Phillies, is going back to vaudeville with his old partner, Jim McCool. Dooin appreciates a good press agent, evidently.

As house-cleaning time approaches, don't forget the use of dampened cloths in furniture cleaning. Dust is easily removed in this way without streaking woodwork or filling lungs.

# CROWN SEEKS TO REDUCE AWARD

Ottawa, Nov. 25.—In the supreme court today, the King vs. Walberg was argued. The respondent was a contractor for the new car shops erected for the government of Canada in Moncton, N. B. He did the work under the direction of Mr. McKenzie, the government engineer, but there was no contract appointing him sole judge of the cost of the work.

When completed, the contractor presented an account claiming the actual cost of the work plus a profit of fifteen per cent., which the engineer certified as a proper amount. The sum claimed was \$105,000. The government contended that it was excessive and the claim was referred to the exchequer court for adjustment. The court made a reference to the registrar who reported that the work could have been done for less, if a somewhat different plan had been adopted, and he considered \$53,000 a fair value. On his report coming before the court, the amount was increased to the sum of \$93,000, being the amount claimed, less what was charged for injuries to workmen, loss of horses and wear and tear of machinery.

The crown seeks to have the registrar's estimate restored alleging that the engineer had no authority to agree to a fifteen per cent. profit, and that the work was badly and extravagantly executed.
