It was re- and points east. tion, but the account never appeared in the Auditor General's report until this year. The bridge was built of all new cedar through out for \$98. The late Neil McKinnon was the commissionor and his returns show the correct figures. The repairs only amount to one new stringer, a little truss and a new floor and cost the province \$316.70. Some of the resident tax payers tried to get the contract for less than one third of the amount of the above mentioned figures but were turned down and the old Tory boodle brigade came up from St. Marys, made the repairs and got away with the swag.
