Give your servants **GOLD DUST** to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without **GOLD DUST** is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—**GOLD DUST** is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of **GOLD DUST** in all household cleaning.

MOUNT ALLISON WON FROM ACADIA, ONE TRY TO NIL.

St. Francis Xavier Likely to Play Winners at Sackville—Godfrey Scored in First Half Cochrane Failed to Convert—Mount A's Tackling Feature of the Game.

Truro, Nov. 23.—The play-off game between Mount Allison and Acadia for the intercollegiate football championship was won today by Mount Allison with a score of 3 to 0.

Two hundred enthusiasts came from Wolfville to see the game and there were as many more adherents of the Sackville institution. After the game "Hump" Campbell, of St. Francis Xavier, challenged the winner for a game at Sackville. This will likely be accepted.

The game was a battle royal from the beginning, and both teams fought hard. It was a fairly good exhibition of the game. Mount Allison easily had the better of the first half, and it was in this half that the only score of the day was made. It was a forwards' game throughout and the heavier scrum men from Mount Allison won. Acadia's halves were faster than their opponents, but missed several opportunities for making gains by fumbles. The quarters on both teams played well and both fullbacks made no mistakes. Reid, Acadia's fullback, made many elective long punts. Trappell, who was Mount Allison's fullback, made several spectacular tackles which prevented scores by the Wolfville men.

BETTER TEAM WON

Those who saw the game are unanimous in saying that the better team won. Both teams showed marked improvement over the game at Wolfville where a draw was played. The play began with a kickoff by Mount Allison which Reid returned and the play was carried to Mount Allison territory. From a scrimmage the New Brunswickers were awarded a free kick which gave them twenty yards of a gain. The Allisonians rushed matters and carried the pigskin to Acadia's 25 yard line. Cochrane tried a place kick but without success. After some minutes of play Cochrane and Milford combined and made a gain of thirty yards. As the latter was tackled he dropped the ball and Godfrey swooped on the pigskin and with a magnificent spurt, running twenty yards, shot across Acadia's line, making a try. Cochrane's attempt to convert into a goal failed, and this ended the only score of the day, leaving Mount Allison in a lead of three.

ACADIA RUSHES MATTERS

The first half was about half over. The Wolfville boys found themselves and rushed matters, dribbling the ball to Mt. Allison's twenty-five line. The Allisonians were prepared for the attack, however, and quickly carried the ball back, making their way into Acadia's territory line and almost making another score. Reid was equal to the occasion and prevented this by a good tackle. Play was in centre field for several minutes. Godfrey for Mount Allison made a run of thirty yards, then he was tackled by Kaiser. Andrews received a pass from Pattillo and after making a fifteen yard gain passed to McDonald, who punted to Mount Allison's twenty-five line. Then the ball was brought to centre field, where Referee Stairs awarded a free kick. In a mixup Richmond, Acadia's speedy halfback, wrenched his shoulder and had to retire, Porter taking his place. Andrews heeled the ball at mid-field and Reid tried a drop kick for the goal, but without success.

PROVINCIAL HOCKEY LEAGUE FORMED WITH THREE TEAMS

St. John, Nov. 23.—The members of the St. John Hockey Club had a meeting in the Y. M. C. A. parlors last night for the purpose of discussing plans for the coming season. The meeting was well attended. Hal Clawson, the centre of last year's septette, was elected captain to succeed Graeme Paterson, who is now located in the west. It was decided to endeavor to try and form a provincial league with Chatham, Sussex, St. John, and perhaps Fredericton or Moncton. So far the first three named teams have signified their willingness to enter a league, and at last night's meeting it was settled that whether Fredericton or Moncton enter a team, that Chatham, Sussex, and St. John would form one. E. P. Howard will be manager of this year's team, which will be about as good a team as St. John has had for some time. In this year's team there will be Malcolm McAvity, who played

with the Royal Military College team last year; Tully, Phillips, Parker and Clawson, of last year's septette; Brinkman, formerly of Halifax Wanderers; Errol Inches, Don Macaulay, Brad Gilbert, all fast local players, and McEachern, a former Edmonton, Alberta, player. The team picked from the above named players ought to make the best of them hustle, and St. John enthusiasts can look forward to some good games this season. Wiz Cribbs, who is under suspension for playing pro ball during the summer, will likely be out of the game, but perhaps if enough influence is brought to bear on the proper authorities, this fast young player, who saved many a game for his team last season, will again be found between the nets.

"Devilish Dorothy, 2:18½, has been

bred to Commodore Ledyard.

At times his style reminded one of the late "Spider" Weir, and he made Whitney keep his arms moving at a rapid pace about all the time.

Williams was also very speedy in getting back to his corner at the end of the round. Once he made a backward leap so fast that his legs struck the water pail and not only bent it in, but sent the water flying over those near the corner.

Whitney landed only a few blows on Williams' face, but he shot a right and left into the body nearly every time they got to close range.

Williams jabbed and hooked Whitney quite often in the face and on the ear with the left and sent the right to the body and face many times.

While it looked as if Williams had the better of the argument, the referee declared it a draw.

In the opening bout of eight rounds A. J. Duffy of Jamaica, Plains met his old rival, Tom Foley of South Boston, and Duffy was given the decision. Duffy outpointed Foley in every round and displayed better boxing ability than he has ever shown at the club. He also was very fast on his feet.

GALLANT — BURKE

In the second eight round bout Johnny Gallant of Chelsea was given the award over Billy Burke of South Boston. Gallant did not box up to his usual standard and in many of the rounds Burke scored well with left jabs and right-hand upper cuts. Gallant landed many rights and lefts on Burke's face and body, but he was able to land on the point of the jaw for a knockout as he did the last time they met.

ST. JOHN MAN WON

Johnny Glover of South Boston lost the decision in his eight-round bout with McIntyre of St. John. Glover, as usual, did too much posing, and this enabled McIntyre to do a lot of scoring. In the first round he put Glover down twice. The latter landed some rights and lefts on the face and body, but McIntyre counted him with both hands on body and face.

MADDEN KNOCKED OUT

The bout between Jeff Wadden of South Boston and Andrew Morris of East Boston, also down for eight rounds, went only four for Madden hooked a short right to Madden's jaw, in that round that forced him to stay on the mat till he was counted out.

Up to that time Madden looked like the winner. He landed some stiff jabs on Morris' face and he crossed his right to the jaw and body several times. Morris hoot many stiff rights to Madden's body and planted a few lefts on Madden's face. They were at close range when Morris landed the punch that gave him victory.

WELL KNOWN UMPIRE SERIOUSLY ILL

New York, Nov. 23.—Tim Hurst, the well known umpire is seriously ill here with blood poisoning which developed from a sharp blow from the ankle several weeks ago. The physicians expect his recovery.

MONTE ATTELL WON

Kansas City, Mo., Nov. 23.—Monte Attell, of California, won a 10-round decision over Jimmie Walsh, of Boston, here tonight.

The Fredericton City Football Club has some fairly good basketball material and is likely to go into that game. Fred Baird, Colter, Tom Rutter and Saddle have all played. "Darby" Coy is likely to wear the Red and White and there are others who will get into the game.

HOF BEATS

George C. Graddy, long identified with the breeding of the trotter, died at his home in Versailles, Ky., Nov. 15. He was the owner of Daytona farm and among others bred Governor Francis, 2:08½; his dam, Gracie Onward, 2:12; J. N. Blakemore, 2:11½; Woodford Todd (2), 2:24½, the latter being the last one he had trained.

The great brood mare Trix, by Nutwood Wilkes, 2:16½, is the dam of four high-class pacers in Mona Wilkes, 2:08½; Mooratrix, 2:07½; Aerolite, 2:11½; trial 2:05½; and Sirius Pointer, 2:18, second in 2:10, 2:10½ and 2:11. There are many who believe Trix will be the first mare to equal Bertha, by Alcantara, who has five 2:10 performers.

The sensational 2-year-old colt Tidy Peter, who trotted in 2:19½ with 12 days' work by Hunter Moody at Lexington, Ky., was bred and is still owned by George M. Stevens of Lancaster, N. H.

Princess Proem, 2:29½, a 3-year-old trotter who has been winning in the south this fall, was bred by Thomas W. Lawson and is by Luther Sexton, 2:10½, out of the famous show mare Ruritania, 2:22½.

George Estabrook of Denver has bought Countess Marie, 2:14½, by The Earl, 2:14½. The Countess is a 3-year-old and is expected to develop into as good an aged pacer as her relative, Earl Jr.
