Give your servants **GOLD DUST** to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without **GOLD DUST** is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—**GOLD DUST** is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

RING NOTES

Tommy Kilbane and Willie Biggs will meet in Nashville next Friday night.

The bout between Dave Desher and Joe Stein, which was to be boxed in New York this week, has been called off.

Johnny Gallant, the ex-national amateur champion, was matched on Monday to box Kid Nelson of Manchester, in the semi-final to the bout between Eddie Murphy and Johnny Dohan at Manchester, N. H., next Friday night.

Jim Barry, who made Sandy Ferguson quit at New Orleans last Sunday, wired to the Boston Armory A. A. for a bout, and as usual Barry sent the message "collect." Matchmaker Pierce may give him a chance with "Porky" Flynn.

Hector McInnes is trying hard to match Young Ahearn of New York, with Tom Foley of South Boston. Ahearn has been boxing well in New York State, and as George Freeman, manager of Foley, has agreed to let Foley meet him, the pair will probably show at the Armory A. A.

ATHLETICS REPEAT TRICK BEATING CHICAGO CUBS 9 TO 3

Coombs Pitched Unsteady Ball for Winners--Eddie Collins the Star of the Game--Philadelphia Batted Mordecai Brown From Box--Next Game Thursday.

Philadelphia, Oct. 18.—In a game that was full of thrills from the start almost to the finish, the Philadelphia American League champion this afternoon administered a crushing defeat to the Chicago National League champions before more than 24,000 persons. The score was 9 to 3.

It was one of the most exciting games ever played on the American League grounds in this city. It abounded in sensational fielding and terrific batting and the big, perspiring crowd was frequently brought to its feet with wild enthusiasm as player after player made some brilliant stop or throw or lined out a smashing hit into the crowd.

The spectators received a shock when Pitcher Coombs showed unsteady inness, but this was quickly forgotten a little later when the fighting Athletics forced to the front. But in the seventh inning when Captain Chance's splendid machine was crushed under a cannonading of hits, the big crowd's enthusiasm knew no bounds.

Almost everything that goes into a base ball game and makes it one of the most exciting of outdoor sports, was in evidence. There were errors on both sides, a generous contribution of bases on balls that frequently had pitchers in trouble, long hits, fast base running and lightning double plays.

COLLINS HERO OF DAY

The hero of the afternoon who shone as brilliantly in his department of the game as did Bender in yesterday's contest, was "Eddie" Collins, the star second baseman of the home team. This former captain of the Columbia University nine, several times electrified the crowd by his sensational work. The score books show that in his five turns at the place, he reached first every time, making three hits, two of them doubles, receiving a base on balls, and making a force play. He scored two runs and sent two home; accepted ten chances without an error; figured in two sensational plays that stopped Chicago from running the bases, and last but not least, the champion base runner stole twice on the king of National League back-stops, Kling. His work on the paths greatly delighted the crowd.

Mordecai Brown kept Collins as close to the first bag as he could. In the sixth inning, Collins out-guessed the Chicago battery three times, Brown pitching three wide balls for Kling to line the ball to second, but each time Collins appeared to divine the play and waited. Then he made his dash and went into the bag feet first as a perfect throw reached the bag just an instant too late.

Coombs pitched a most erratic game, giving nine bases on balls. He got into trouble in the first inning, by giving two of the first three men up bases on balls. He got away with the inning with but one run scored against him. At several other stages he was in trouble, but the brilliant work of the men behind him pulled him out of difficulties. He seemed to show to better advantage when the bases were equipped than when they were clear. This is shown by the fact that Chicago had four men left on the bases.

CUBS OFF COLOR

Chicago's inside play did not seem to be in working order, for with the men on the bases, and Coombs unsteady, some sharp fielding would break up the inning after there was

every prospect of a score. Brown pitched fairly good ball in the early stages of the game, and was quite steady. The Philadelphia players began to touch him in the third inning and in the seventh he was hit to all corners of the field. Nine men went to bat in this inning and scored six runs on three doubles, two singles, a base on balls, an error and a sacrifice.

After that inning he was taken out and was succeeded by Richie. In the seven innings, he pitched, the "White Elephants" hit him 13 times for a total of 17 bases.

The crowd was not so large as that of yesterday, but it was more enthusiastic as it had more to cheer for. The total attendance for the two days was 51,488, and the total receipts \$72,561.50. The share for the players for the two days is \$39,183.21.

The two teams left here over the Pennsylvania railroad at 8.55 o'clock tonight for Chicago. They are travelling in two special trains.

The third game of the series will be played in that city on Thursday.

GREAT RACE AT ARCTIC RINK TOMORROW NIGHT

There should be a big crowd at the Arctic Rink Thursday night, when the benefit long-distance race for Tom Coward and Pat Whyte will be run off. Sterling, Stubbs, Horsman and Cromwell, of St. John, will run in addition to the two Fredericton men and Hilton of Marysville. The race will be well worth seeing. The proceeds are to be devoted to sending Whyte and Coward to Halifax to run in The Evening Mail race there on Thanksgiving Day.

It is expected that Sterling and Whyte will furnish the excitement tomorrow night. The two have met before and it will have to be proven that the St. John men has anything on Whyte on an indoor track.

The Fredericton Brass Band will play during the race.

VICTORIA TEAM WON BOWLING TOURNAMENT

St. John, Oct. 18.—The provincial bowling tournament, which began and concluded yesterday, was won by Black's Alleys team. In all, six matches were played, two in the morning and four in the afternoon. As a result of yesterday's play, the Balk Calendar trophy goes back to Black's Alleys. The Victoria Alley team were last year's winners, but they explain their defeat at this time by the loss of all but two of their former team. The games have created a lot of interest among bowlers, and the alleys were crowded nearly all day.

Black Fitzsimmons has now pitched his camp at Cleveland and is trying to get on a match with Pat O'Donnell, of that city.

U. N. B. FIFTEEN TOMORROW WILL BE MUCH STRENGTHENED

Red and Black Line-up is Practically Permanent Now--Moncton Will Arrive in Morning.

The U. N. B. Rugby team which will face Moncton tomorrow afternoon at four o'clock, at the College Field was chosen last night. The changes made on the team were expected and the XV. is about as it will be for the balance of the season. Paul Kuhring will not play tomorrow and is not likely to turn out for active service until the intercollegiate fixture.

THE TEAM

The U. N. B. team as chosen last night is as follows:
Fullback—McGibbon.
Halves—Binney, Kinghorn, Howe, Balkam.
Quarters—Jennings, Bender, McNair.
Forwards—Jewett, Gunter, Vavasour, Deedes, Alexander, Rigby, Melrose.
Substitute backs—Machum, W. Loggie.

The selection of a referee has not yet been made. U. N. B. may propose Prof. Stephens, but nothing has been definitely decided.

STRONG LINE-UP

Frank McGibbon at fullback will be a big improvement. The Red and Black will be able to play with confidence when a reliable full-back is behind the other fourteen men. Capt. Kinghorn will make his first appearance on the half-line replacing Machum. "Bung" has been putting up a first-class game in practice. Rigby goes back to his old place in the forward-line making the scrim practically the same as it was the first game of the season. Bender, who played well at quarter in the first game with Fredericton City will again be playing. Altogether it looks like a pretty strong college team.

The Moncton team is expected to arrive here tomorrow morning and will return to Moncton in the evening. It will play Mt. Allison at Moncton Saturday and for that reason will not play Fredericton City here.

It is possible that Fredericton and U. N. B. will play again Saturday.

TY COBB AWARDED THE BATTING PRIZE

Chicago, Oct. 18.—Tyrus Cobb, by official verdict of President Johnson, Saturday, was the leading batsman of the American League during the last season, with a winning percentage over Larry Lajoie of Cleveland, of .00860. As the national leaguers dropped out of the batting contest some time ago, President Johnson's announcement means that Cobb is the champion hitter of the country. The automobile, over which trophy there has been so much excitement and not a little criticism, goes to the Detroiters, but the Cleveland captain, by permission of Mr. Johnson, will be allowed to accept a duplicate.

The batting record of Lajoie and Cobb, as turned in by the official scorers, and approved and promulgated by Mr. Johnson, is as follows:

	A.B.	B.H.	P.C.
Cobb	509	196	.3849
Lajoie	591	227	.3840

Third baseman Corridon, of St. Louis, is vindicated in the statement and Umpire Evans is quoted as saying that not only were Lajoie's eight hits all legitimate but that he really should have been credited with nine hits.

Third baseman Corridon, of St. Louis, is vindicated in the statement, and Umpire Evans is quoted as saying that not only were Lajoie's eight hits all legitimate but that he really should have been credited with nine hits.

Mr. Johnson stated that he has requested President Hedges of the St. Louis club to probe further the charge that some one connected with his club attempted to influence the official scorer.

GIANTS WON FIFTH GAME OF SPECIAL SERIES

New York, Oct. 18.—Christy Mathewson was an unsolvable problem to the Highlanders today and the Giants had no trouble in winning the fifth game of the post-season series, 5 to 1. The games now stand: New York Nationals, 3; Americans, 1; tie, 1.

The Polo grounds were only fairly well filled when today's game began. The Highlanders garnered their only run in the seventh inning on a single hit by Knight and a wild pitch by Mathewson, which put the runner on third, whence he scored on Doyle's error of Cree's grounder. Mathewson struck out nine men.

PROVINCIAL HOCKEY LEAGUE BEING BOOMED

The St. John Globe is the paper which has most recently started to boom a provincial hockey league.

The Globe says:
"As the winter season will soon be visible on the horizon, a discussion on hockey conditions for the coming season is not altogether inopportune, though such might be considered slightly premature. Indications are that the season will be a successful one. Just at present the formation of the proposed and much-talked-of provincial hockey league seems extremely possible. Halley Clawson, the local hockey player, has written to hockey enthusiasts in outside provincial towns, briefly outlining the suggestion, and asking these towns to enter a team in the league if such is at all possible. So far the scheme has met with success. Chatham and Sackville have replied, expressing the willingness to enter teams, and asking further particulars. Other places asked to enter from which no replies have yet been received are Sussex, Moncton, St. Stephen, Marysville, Newcastle and Fredericton. Of these Fredericton and Marysville will doubtless see their way clear to each enter a team. St. Stephen players are dead game sports, and St. John will have a septette ready, so with Chatham and Sackville already agreed to enter, the provincial hockey league may be looked upon almost as a reality. And it's a good thing, push it along."

Fleming formerly of Dalhousie played a star game at half-back for Toronto A. A. C., which beat Dundas 9 to 3 at Toronto, Saturday.

Motyer, who played with Mt. Allison some years ago and was captain of the team one season played Saturday and showed up well.

In the McGill-Queens game Saturday, Ross, one of the McGill halves made a forty-yard gain by following up and catching his own punt.

Dave McCann redeemed himself on Saturday playing steady game as wing half for Ottawa.

At English Rugby McGill lost 5 to 3 to Montreal West on Saturday.

The Wanderers' defeat by Acadia has given Dalhousie stock quite a boom, and they are once more favorites for the Halifax championship.

There has been so much talk about the Wanderers having such a strong team this season that it was with surprise the news was received here that they had been defeated by Acadia at Wolfville Saturday, 8 to 0.

The Wanderers themselves, however, felt satisfied with the showing in the first game of the season and on a strange field—Halifax Recorder.
