FIRST CLASS NUMBER OF
"ROD AND GUN IN CANADA"

With the opening of the bird shooting season the September number of Rod and Gun in Canada, published by W. J. Taylor, Limited, Woodstock Ont., gives a number of delightful stories dealing with days amongst the ducks, geese, woodcock and prairie chickens—experiences which will cause many a thrill to sportsmen reading them. Numbers will be able to duplicate, in remembrance, many of these published experiences, and in this way live over again red letter times in their histories. Variety marks this production, every lover of the outdoors, whatever his particular taste, receiving attention. The story of the young moose, one of a pet raccoon, the efforts of an amateur to trap a bear, particulars of the American bison, the Alpine Club's last camp and some dog lore show the manner in which the magazine covers the wide variety of Canadian outdoor life. The verses in this number are excellent and the Bohemian ring of "Fishin' Good" will find an echo with many even of the most staid. "My Little Fisherman" with his wonderful story of the monster that got away appeals to the sympathies of all, while the "Evening Chorus" is equally good. The issue should be found with every shooting party this season.

SARAH ANN PATCH
WON 2.15 AT SYRACUSE
GRAND CIRCUIT MEET

Stearle and Justo Made Great Race
in 2.11 Trot—Locust Boy a
Winner.

Syracuse, N.Y., Sept. 17.—The most successful grand circuit meeting Syracuse has had closed yesterday with four good races, in which close finish and fast time, as throughout the week, abounded.

Sarah Ann Patch was a decisive winner in the 2.15 pace, taking it in straight heats. Direct Adair was second and Oakland Son third.

An extra heat was required in the 2.11 trot, in which D. Gahagan drove the gelding Stearle to ultimate victory. McDonald sent Justo through in the first heat, and after the second, under the rules, he survived to fight it out with Stearle in the last heat. So close was the finish that many thought it a dead heat until the judges announced Stearle the winner.

Just such another fight occurred in the 2.11 pace. Joe Boy, Locust Boy and Dr. Fox competed hotly in two heats. Then Joe Boy, which had failed to win a heat, was ruled out with Gentley and Nancy Allen, and Locust Boy and Dr. Fox settled the issue alone. They were well together till the stretch, when Ernest came up from behind with Locust Boy and beat J. Gahagan with Dr. Fox by a neck.

There was a fine field in the 2.15 trot, but Peter Dorsey with McDevitt up, had enough to take the race in straight heats from such sterling performers as Baron Alcyone, Major Wellington Nance and Fuzz Johnson.

SENIOR RUGBY MEN
PRACTISED SATURDAY

The first practice preparatory to the formation of a Fredericton City Rugby team was held Saturday afternoon at Scully's Grove. The turnout of players was not large and some of those who were out did not have their football togs on. Another practice will be held this afternoon beginning at 4.30 o'clock. Everyone interested in Rugby is invited to turn out.

Among those out Saturday afternoon were Hazlett and Christie of the old Fredericton team, Prof. Day and Prof. Stephens who both have had wide experience in the Rugby game, Brewer, Cass and Lawson of High School, Babbitt who was with U. N. B. last year, Tom Rutter and Lloyd Roberts who used to play here some years ago, Norman Cass of last year's Normal School team, Redpath, Belding, H. Wandlass and others. Some players who had intended to take part in the practise were unable to get out but will be on hand today.

Saturday's practise consisted of passing and punting by the halves and some scrimmage work.

POOR GAME AT ST. JOHN

The Clippers and St. Peters played a 10 to 10 tie at St. John Saturday. The play was rocky on both sides and but a small crowd saw the game. The Clippers had nine errors George Finnamore at second and Bill in left field played errorless ball and also batted well.

Harrington was found for eight safe hits by the Clippers. Harve, Howe, and McGovern were slammed for eleven by St. Peters.

JOHNNY EVERS HAS
OFFERED TO JOIN
BOSTON NATIONALS

His Contract With Cubs Expires This
Fall—He Then Becomes a Free
Agent.

Boston, Sept. 17.—A Chicago special says Johnny Evers, second baseman for the Cubs and one of the best known men on the diamond has offered to quit the Cubs and join the Boston National League team. He has been in correspondence with the owners of the Doves, and the deal is hanging fire. Evers has made certain conditions, which are hanging up the transaction. The facts became known today.

When the subject of the post-season series between the all-star clubs of the American and National leagues was discussed with Evers by President Ban Johnson of the American League, and Comiskey of the White Sox, Evers defied organized baseball. He told President Johnson flatly that he had signed a contract to play a post-season series, that he intended to fulfill the contract, and that as soon as the world's series was finished he intended to report at Cincinnati, prepared to fulfill his part of the contract, and that neither the National Commission nor any other power could keep him from keeping his part of the contract.

Johnson said nothing. Then Comiskey inquired casually:

"Your contract with Murphy expires this Fall does it not?"

Evers admitted the fact and the subject was dropped. The fact revealed by the casual admission is one full of importance for Chicago and Boston. Evers' contract with the Chicago team ends this Fall, and under the terms of that contract Evers will be a free agent as soon as the contract expires. The Cubs will not have any claim to his services, and he can go where he pleases.

The surprising part of it is that Comiskey knew all about the contract before the subject was broached. It then became known that Evers offered, under certain conditions, to go to the Boston National League team.

Evers is in position to do as he pleases and can select his own berth.

CUBS SUED FOR PLAYING RINGERS

Chicago, Sept. 17.—The baseball magnates of Ottumwa, Iowa, have entered a suit for damages against the Chicago Cubs, alleging that President Murphy ran a couple of ringers into the game in Ottumwa on a recent trip, whereas the Iowa team contracted that all the famous Chicago players should be exhibited, President Lynch of the Ottumwa Club, in a statement to the National League Commission, said that younger brothers of Johnny Evers and Artie Hoff man played ball at Ottumwa instead of the real stars.

Lynch says that the exhibition was so miserable that the Ottumwa club had no difficulty in piling up a 10 to 1 score against the Cubs. Lynch further alleges that young Evers and Hoff man masqueraded as their older brothers, even to signing their names on the hotel register.

ATHLETIC WORLD

The September number of "THE ATHLETIC WORLD" magazine has just reached this office. In up-to-date issue, which crated, such a favorably stringer than the August sport affairs and illustrations it is able impression as a Canadian athletic and outdoor periodical, covering all branches of sport in Canada with a liberal number of sport happenings over the world generally. A full measure of success for THE ATHLETIC WORLD" in its able efforts to espouse the cause of good sport in this Dominion is predicted.

NATIONALS LOST

New Westminster, B. S. Sept. 15.—In the lacrosse game for the Minto cup here Saturday the home team beat the Nationals of Montreal seven to three. It was one of the fastest and best games ever seen on the coast.

The coming season is not likely to see so many changes in managers of clubs as was the case a year ago. This is the first year for Dahlen, Lake and Doolin in their berths in the National League, while Donovan McAleer and O'Connor are finishing their first season in their new places in the American League. Lake, Dahlen McAleer and Donovan have already been re-engaged. McAleer has signed a three-year contract.

PREPARATIONS FOR
THE CORONATION
ARE GOING AHEAD

Earl Marshal Flooded with Applications,
But His "Regrets" Sent to Many

London, Sept. 19.—Regarding the date of the King's coronation it is stated that when the Jockey Club Stewards were requested to change the dates for the Ascot meet it was suggested that a week earlier, June 13th, would meet with the requirements of the Court.

The Jockey Club, therefore, fixed June 13th as the date of next year's meeting. When the arrangements for the Coronation of King Edward were completed in 1902, it was decided that the ceremony should take place on the first Wednesday after Ascot. The exact decision seems to have been come to in King George's case.

Already the Earl of Norfolk is busily engaged in preparing the list of "eligibles" for invitation to the ceremony in Westminster Abbey, and attending to a thousand and one other details in connection with that ceremony.

The Earl Marshal's department is absolutely inundated with applications from all sorts and conditions of men and women who are anxious to be present at the Abbey on the day of the Coronation, and all manner of claims are being urged in support of these applications. Weeding out is not difficult, however, and the Earl Marshal's "regrets" are likely to reach many applicants in due course.

Several Rival Steamship Companies
Anxious to Get it

London, Sept. 19.—The efforts of rival companies trying to get the Canadian mail contract are attracting the attention of several ship-building firms, who have for some time been preparing estimates for new ships, tenders for which it is expected will be issued any moment.

The C. N. R. next week opens a weekly service between Bristol and Montreal. The Voltarno, with accommodations for 1,500 steerage passengers is to be put on the St. Lawrence route.

Emigration is to be better catered to by the various lines, which are also being urged to pay attention to the question of better communication with Newfoundland.

BASEBALL NOTES

Frank Chance the wily manager of the Chicago Cubs, is resting up for the world's series, which will be played between his great machine and the Athletics the latter part of October. Frank's underpinning has been ailing him since the time he collided with George B. Gibson in Pittsburgh last year.

John McCloskey, ex-manager of the St. Louis Cardinals is said to be dissatisfied with his berth as manager of the Milwaukee American Association club. When asked about the report, McCloskey refused to either deny or affirm the rumor, merely saying that he would have nothing to say about next year's plans until the close of the season.

It is an odd fact that the star batters of both big leagues experience a slump whenever they strike Philadelphia. Cobb and Lajoie dropped many points while playing against the Athletics recently, while Fred Snodgrass started on the down grade the last time the Giants played at the Phillies' grounds.

There is a phenom pitcher on the San Francisco team who is causing a heap of trouble in those regions. He pitches under the name of F. Mitchell and is said to be a very mysterious person. Knowing ones on the Coast claim that he is none other than George McQuillan, the big pitcher who was recently suspended by the Philadelphia Nationals.

MAILED TENDERS addressed to the Postmaster General, will be received at Ottawa until Noon, on FRIDAY, the 14TH OCTOBER, 1910, for the conveyance of His Majesty's Mails, on a proposed Contract for four years, THREE times per week each way, between MINTO and SCOTCHTOWN, from the 1ST JANUARY next.
