GOOD SHOWING MADE BY YORK COUNTY FRUIT GROWERS

St. John, Nov. 4.—The closing of
the doors in St. Andrew's rink last
evening at ten o'clock brought to an
end the sixth annual exhibition of
the New Brunswick Fruit Growers'
Association. By experts and all other
who had occasion to visit the
excellent and varied display, it was
conceded to be one of the best of its
kind ever held in eastern Canada. The
apples which were awarded the honor
prizes are to be immediately shipped
to the Old Country, there to be placed
on exhibition in competition with
fruits from all fruit growing countries
in the world.

Yesterday afternoon was children's
day and all of the school children
were admitted free. The children took
great delight in viewing the apples,
but did not appear to appreciate very
well the signs "hands off" which were
everywhere in evidence. The children
were under the impression that sam-
ples were to be distributed and when
they learned otherwise they were, to
say the least, rather disappointed.

The business and lecture part of
the convention was concluded yester-
day morning when two interesting
lectures based on scientific theories,
and practical experiments were given.
The statement of G. H. Vroom, fruit
inspector, that contrary to the many
startling announcements that had
been made, there was little or no
possibility of an over-production of
apples, especially in the Province of
New Brunswick, caused the spread of
a spirit of optimism at the meeting,
and the fruit growers and experts
present were ready to accept this
statement as agreeing with the con-
sensus of opinion of the best authori-
ties on the subject. A. G. Turney,
provincial horticulturist, followed up
this announcement with the expres-
sion of opinion that the outlook for
apple growing in the province was
extremely bright, and apple raising
was destined to be one of its great-
est industries, the fruit growers hav-
ing the advantage of excellent op-
portunities, with the ability to trans-
port their goods to St. John by
boat, the cheapest means of trans-
portation, with the cold storage fac-
ilities here, and with the nearness,
comparatively speaking, of St. John
to the markets of the old world.

The following are the awards in the
bottled fruits exhibit:

GREAT PROBLEM BEFORE CANADA

In Decade Half Immigrants Will Not
Speak English—Address by Dr.
Roberts.

Toronto, Nov. 3.—Ten years ago
eighty-five per cent of the immigrants
coming to Canada spoke English,
now seventy per cent. speak English,
and in ten years time, if the same
ratio of decrease keeps up, there will
be only fifty per cent. of the new
citizens annually reaching the shores
of Canada who can understand what
is said to them in English.

This was the remark of Dr. Roberts
Immigration Secretary of the Y M C
A., of New York, while describing the
work done by the Y M C A. among
immigrant arrivals in the United
States. He spoke at the evening ses-
sion of the fifth annual meeting of the
Toronto Presbytery of the Women's
Home Missionary Society at Cooke's
Presbyterian Church last night. The
members of the Toronto Presbytery
were guests.

EXPERIENCE AMONG MINERS.

That their self-appointed task of
teaching the incamers English was
not work thrown away Dr. Roberts
showed by giving the simple facts
that 90 per cent of the immigrants
could not speak English, and that 75
per cent. were either Roman Catholic
or Greek Catholic in religion. What
this meant to foreigners who had to
go down a thousand-foot shaft twenty-
four hours after arriving at the
coal fields in Pennsylvania he made
evident by stating that of the four
hundred men killed during the year,
hardly any knew English, and of the
twelve hundred disabled the same
was true. He felt that under these cir-
cumstances the volunteer army of six
hundred and fifty young men who
were trying to teach the foreigners
English were doing a great work.
They taught citizenship as well as
English.

Mr. Christian Phildeus of Geneva,
Switzerland, Secretary of the World's
Alliance, and Dr. Taylor, Convenor of
Immigration in the Toronto Presby-
tery, also spoke. Mr. Phildeus told
what a great influence both in civil
and religious matters was being wield-
ed by Italians who had returned from
America to their native land. They
returned very often converted to Pro-
testantism, and generally with new
ideas of the meaning of liberty. The
civilizing of Italy, he claimed, was be-
ing done on the North American con-
tinent.

REPORTS SHOW PROGRESS

At the afternoon session of the
Presbytery the reports showed an
advance in every department. Four
new Auxiliaries have been added.
Forty-two bales of supplies, weighing
4700 pounds, two organs and a large
quantity of literature have been sent
to home mission stations. The circula-
tion of The Pioneer, the official
magazine, is now 3,157 in the Presby-
tery. The receipts during the year to-
talled \$6,000, an increase of nearly
\$1,000.

The following officers were elected:
President, Mrs. Logue; Vice-Presi-
dents (each in charge of one section
of the Presbytery) Mrs. Taylor, Mrs.
McKerroll, Mrs. Britton, Mrs. Rae
Miss Scott, Mrs. Overend and Mrs. F.
W. Anderson; Treasurer, Mrs. Gregg;
Recording Secretary, Mrs. Melville
White; Corresponding Secretary, Miss
Gibson; Supplies, Miss McMichael;
Pioneer, Miss Prittie; Hospital, Mrs.
G. S. Young; Deaconess, Miss Watson
Educational, Mrs. McLaughlin; Home
Helper, Miss Russell; the Press, Mrs.
Erickson Brown; Auxiliary Programs,
Mrs. J. M. West; Mission Band Com-
mittee (with Miss Riddell as Conven-
er), Miss Dickson, Miss Christian,
Miss Somerville, Miss Hendry, Miss
Hooley, Miss Hozack, Miss Gartshore,
Miss Fraser, Miss Wingate and Mrs.
C. P. Smith.

Mr. Duncan McDonald, who had as-
sisted during the summer at the In-
stitutional Church in the north end of
Winnipeg, gave glimpses of the work
among the foreigners. Mrs. Sorague
who had just retired from the staff of
the Anna Turnbull Hospital at Wakaw
Saskatchewan, thirty-five miles north
of Rosthern, described the work of
the missionaries in the Ruthenian
colony there. About four hundred
guests including the ministers of the
Presbytery and their wives and mem-
bers of the society, were entertained
by the ladies of Cooke's church at tea
in the basement at 6 o'clock.
