Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.

RNG NOTES

Kid Wilson, the New Jersey lightweight, is going to England.
Mike Glover of South Boston, has been matched to box Kid Broad in Philadelphia tonight.

Al Kaufman is on his way back to his home in San Francisco, where he will remain till after the holidays.

Gov. Elect Johnson of California, is boxing fan, and a revival of the game is looked for in that state.
Joe Thomas and Connie Schmidt,

who boxed a 10-round draw here last month, have been rematched for a bout in Brooklyn Nov. 29.—Boston Globe.

Ian Hague, the champion heavyweight of England, must have found a new "gaffer" who is willing to back him, for he is out with a challenge to meet any heavyweight in England for \$1,000 a side.

The heavyweight material in England must be poor. The National sporting club of London recently arranged to hold a competition for the class, but the boxers appeared to be afraid of each other and the club called the competition off.

TY COBB'S BATTING AVERAGE ONE POINT BETTER THAN LAJOIE'S

Jackson of Cleveland Leads With 387 But Played in Very Few Games.

Chicago, Nov. 20.—Jackson of Cleveland, might have been a disputant with both Lajoie and Cobb for the prize automobile for hitting in the American baseball league during 1910 but for the limited number of games in which he appeared.

In the official list of batting averages, made public today, he heads the list with a percentage of .387. He appeared in only 20 games, however, and was not eligible for the prize. Cobb is second with a percentage of .385, and Lajoie third with .384. Philadelphia heads the clubs in batting with .265, Chicago being last with .212.

U. N. B. BEGINS TO TALK OF HOCKEY PROSPECTS

Hockey is the next intercollegiate sport to which the U. N. B. athletics will devote their attention and if all goes well the Red and Black will spring a few surprises. As announced exclusively in The Mail on Friday the U. N. B. Athletic Association has submitted to the student body a number of propositions, chief among which are those in reference to the hockey team. It is very likely that a hockey coach will be obtained if the necessary rink accommodation can be obtained, and it is thought that it can. Some new hockey material will be available this year, it is said, which will make the best of the Intercollegiate League hustle.

JUNIORS AND FRESHMEN PLAYED TIE SATURDAY

U. N. B. Basketball Plans for Coming Season—Interesting Game Played by Coeds—Season's Prospects.

The fastest game that has been played in the class basketball league at the U. N. B., took place on Saturday afternoon between teams representing Juniors and Freshmen. The score was 13 to 13 and it is probable that the game will be replayed. The tie was not played out on Saturday because of injuries to some of the Freshmen. The score at half time was 10 to 6 in favor of the Juniors, but in the second half the Freshmen pulled up on their opponents and Howe tied the score by making a penalty goal.

The teams lined up as follows:

Freshmen		Juniors	
Pugh	Gillis	McGibbon (Capt.)	Loggie
Howe	Centre	(Capt) Colwell	
Melrose	Guards	Lockary	Macnutt
Laughlin	Referee—Rigby, '11.		

The Juniors had a good combination which netted them goal. The Freshmen were able to get shot after shot at the baskets but their shooting was poor. Each team scored five goals from the floor with three penalties. For the Freshmen the penalties were scored by Howe, who also scored one goal from the floor.

McGibbon had three goals to his credit and Pugh one.

For the Juniors Colwell scored the three penalty goals and one from the floor. Loggie scored three times on throws from the floor and Gillis once.

COEDS' GAME

The class game was preceded by a very interesting match between two teams of coeds. The teams lined up as follows:

Forwards	
Miss McKnight (capt)	Miss McKnight
Miss Hill	Miss Thomas
Centre	
Miss Hallet (capt)	Miss Fish
Guards	

Miss Hallet's team was victorious by a score of 52 to 16. The game was a remarkably fast one and showed that the Coeds have excellent basketball material.

'VARSITY TEAM

The U. N. B. first team has planned a very ambitious schedule for the year and as announced by The Mail last spring at the conclusion of the season will go after the Canadian championship if all goes well. A trip to Wolfville for a return game with Acadia is a certainty and it is likely that the hockey and basketball teams will take the trip together. A trip to northern Maine during the Christmas holidays is also a possibility. Games will be played at Presque Isle, Caribou, Andover and probably other places at that time.

UPPER CANADIAN TOUR

"The other tour," said Capt. Rigby to a representative of The Mail, "will depend on developments. We lost Alexander, Dave Smith and Spicer by graduation last year and John Dolan is not back this year. It took us

YALE CLAIMS SATURDAY'S DRAW AS MORAL VICTORY

Harvard Constantly Aggressive But Failed to Score—Poor Generalship Assigned as Cause.

New Haven, Conn., Nov. 19.—A drawn and scoreless battle was fought out on Yale field this afternoon between Harvard and Yale. To the adherents of the blue it was a moral victory for their team had proved too strong for the powerful crimson team which had come here confident of victory. When the game, which must be reckoned amongst the greatest ever fought between these rival universities was over, the great throng of people quietly stepped down from the tiers of seats and took up their homeward journey with mingled emotions, the Yale men supremely happy over what their team had done, and the Harvard adherents sad in having victory snatched from grasp by lost opportunities.

This is the third time that Yale has come back at the eleventh hour to cheat Harvard out of a victory, the others, in 1897 and 1899 being on Soldiers' field under conditions somewhat like those of today. In those years as in the present season, Yale had a disastrous mid-season, but rallied when the time came for the supreme test game.

In the game this afternoon both teams were very strong on the defense, but the wonderful teamwork which Harvard had shown all the season, went to naught through costly fumbles, both when it was not a long way to the Yale goal line, and when the crimson was battering her way down towards the coveted point. Poor generalship both times had elected to rush, with downs to spare, instead of trying a field goal which seemed to promise success. These fumbles were the critical points in the game.

HARVARD THE AGGRESSOR

Harvard was always the aggressor, and Yale made few consistent gains. The punting was disappointing as a whole, although in the first period it gave promise of being a feature. From the spectators' point of view, the features of the game were the variety of plays used and the fact that the ball could always be seen. The forward pass was used by Harvard five times, of which three tries were failures and of the other two only one made a gain and that simply eight yards.

Yale did not use the play.

The game was played in the shortest time of a championship contest on the field, lasting less than one hour and three-quarters. The scene, which had as its setting a patch of green turf with banks of humanity on four sides, scintillated with colors. The singing was effective and one of the striking color effects was when the Harvard cheering section in the west stand outlined a great H and red and white pennants, waving them to the singing of a college air.

TORONTO 'VARSITY WON IN EASY FASHION

Toronto, Ont., Nov. 19.—Out-lucked and out-played, the Toronto A. A. C. fourteen, Ontario's R. F. U. champions, went down to defeat at Rosedale this afternoon by 22 to 3 in the semi-final game for the Dominion championship.

Toronto Varsity had the game well in hand all the way and the crimson were never dangerous.

three years to get our team perfected in combination play and it is going to be hard work to get new men trained."

Capt. Rigby and Kinghorn are the retiring members of the team of 1910. McKnight, who played on the first team in 1908 and 1909, is slated for a position on the team. For the remaining two positions there are numerous candidates. Howe and Joe Alexander are working out for the centre position and Jennings and Laughlin for guard. McKnight may be shifted to guard and in that event Colwell or McGibbon is the probable man for forward.

If the Upper Canadian tour is made the best teams in Canada will be played. The U. N. B. team, if all goes well, leave during the second week of February. Montreal A. A. C. and McGill are to be played at Montreal; West End Y. M. C. A., and Toronto University, at Toronto; Ottawa Y. M. C. A. at Ottawa and Queen's University at Kingston.

LOCAL LEAGUE

It is probable that a team composed of members of the Fredericton City Football Club will be entered in the proposed City Basketball League. Several of the members of the Club have played the game at U. N. B. and elsewhere.

SAM ANDERSON GOT ONLY ONE FALL OUT OF SANDY McLEOD

Moncton, N. B., Nov. 20.—Sandy McLeod, champion middleweight wrestler of Scotland, proved a tough proposition for Sam Anderson, champion middleweight wrestler of the world, in their match in the Grand Theatre Saturday night. The match was the best two out of three to a finish.

After wrestling fifty-one minutes, Anderson secured a fall, but this was the only one of the bout. The match did not start till about 10.30 and the men wrestled till 12 o'clock, when the chief of police called time, as it was Sunday morning.

McLeod had it on the champion in weight and strength, and it took all of Anderson's superior science to offset this. A large crowd witnessed the bout, which was among the best seen here. The last thirty minutes of the match McLeod was very aggressive, and by his great strength seemed to be wearing his opponent down. The opinion seemed to be that if the match went to three falls the Scotchman would have won. As it was the decision was given to Anderson.

At the conclusion of the match Anderson challenged Dan McDonald, if the latter got down to weight. The Cape Breton wrestler is asking for time, but Anderson says the match must take place this week, as he has to leave Moncton by Saturday. So far the match has not been made.

HACK THREW THREE MEN WITHIN THE HOUR

New York, Nov. 18.—George Hackenschmidt threw three men in less than an hour tonight. He had little difficulty in pinning down the shoulders of Adolph Hensy and Fritz Mohl two big local wrestlers, and then after a hard tussle, with Amil Popons a French champion, he scored his third victory.

Hackenschmidt had agreed to throw three men, including Liavoff, the Finnish champion, in less than one hour. At the last minute the Finn refused to go on, claiming he had a sore ankle. Popons was substituted.

Royal Military College won the Canadian intermediate intercollegiate football championship, by defeating Toronto Varsity II 6 to 2 on Saturday.
