SONOMA GIRL WON FREE-FOR-ALL AT DETROIT FRIDAY

Merry Widow, Canadian Mare, Took
2.09 Pace in Easy Style—Favorites
were Beaten.

Detroit, Aug. 6.—The Grand Circuit horses closed their engagement here yesterday with a four-race program that furnished nothing in the line of thrilling sport. The defeat of three favorites did not enliven things much as Willy, Clover Patch and King Cole fell without a struggle.

Miss Lotta Crabtree's speed wonder, Sonoma Girl, 2.04, was the only popular choice to win. The Boston mare was full of trot and it was only play for her to romp home ahead of Oro, Margin and Jack Leyburn in 2.05, 2.08, McMahon let a couple of the outclassed horses rush down the half, then moved the girl along in the third quarter, jogging home. Clover Patch, making her second start of the week, could not repeat her victory, allowing the local entry May Queen, to win as she liked in slow time.

Gamar, the handsome little Indiana stallion, who misbehaved after winning a heat from Dudie Archdale at Kalamazoo, was a racehorse for sure today and he took the trot out of the European flier, Willy, without coming to a drive. His miles, 2.08, 2.08, 2.08, were all finished with a lot to spare.

The Canadian crowd made its annual killing in the fast pace, when Merry Widow, from Winnipeg, tramped on King Cole and the other 2.09 horses. More money was wagered on this race than any other of the meeting, fully half of it being played on King Cole to win.

The Bingen horse was not up to expectations and never was dangerous. In the second mile he nosed out Asa Wilkes for the place, but the judges placed him last for interference with the trailers going into the first turn.

Asa Wilkes rushed off at the word both trips, setting the pace until past the seven-eighths, when the Widow came on, finishing comfortably in 2.05, both heats. The first time the New England pony was at the quarter in 29.4 seconds. The summary:

HOOF BEATS

Jimmy Stahl is winning over the half-mile tracks with Baron Arnold, Glendale and Thespian, pupils of Tom my Murphy's that would not do in the grand circuit.

Nancy Jarl, 2:16, who is winning over the twice arounds out in Illinois, is by Jarl, a son of Allerton, and her dam produced Belle Kuser, 2:08, and Belle Bird, 2:10.

Little Sweetheart, the daughter of Moko, who flashed into the lime light by selling for \$5,250 when an unbroken 2-year-old, is winning over the half mile tracks and carries a record of 2:18. She is now five years of age.

Andy Welch's fame as a breeder does not rest alone with Fanella, 2:13, the dam of Todd and Sadie Mac, as three members of the 2:20 list are the result of his having mated Star Lily, 2:20, with Arion, Peter the Great and Bingen.

It's the experience of every man that he wants a lot he doesn't get, and gets a lot he doesn't want.

Bessie Pardener in 2.27 Trot.

New Glasgow, Aug. 7.—The race track management in New Glasgow travelled in bad luck today. Just at the hour for calling the races the sky clouded up and gave every indication of rain, but the lowering skies did not live up to expectations, though they had a dampening effect on the attendance. The races were splendid and afforded good sport. All first moneys went to Halifax owned and driven horses and Boutilier landed a second and third.

Worcester has passed New Bedford in the New England League. Look out for Jesse Burkett from now on. Chicago Cubs, leading the National League race by a big margin, will play an exhibition in Buffalo with the Bisons on August 18th.

JOE GANS LIFE SLOWLY EBBING AWAY

Pittsburg, Aug. 5.—Joe Gans, one time light-weight champion of the prize ring, will live to see his parents in Baltimore toward whom he is speeding in a race with death. Wasted by the ravages of consumption and only able to faintly articulate between gasps "Fix my head" or "Drink" the once applauded gladiator of the fist arena passed through this city shortly before 7 o'clock this morning. His train arrived from Chicago at 6.30 a. m. and departed for the east twenty minutes later and is due at Baltimore at 3.30 this afternoon. With Gans is his wife, his attending physician and Dr. H. T. Southworth of Prescott Arizona and "Kid" North an old time ring partner of the former pugilist. The party is travelling on train No. 2, of the Pennsylvania Railroad in the car "Raritan" in which Gans occupied a drawing room. Dr. Southworth to the Associated Press said, that Gans had dozed fitfully during the trip from Chicago where they left at 5.30 last night and had taken but a small glass of milk for nourishment. The physician said that it had not been necessary to resort to the administration of oxygen since leaving Chicago and expressed the opinion that the patient would live to reach Baltimore and, if the weather was not too hot would survive for ten days or two weeks.

MARITIME O. DS TO BE FURTHER DEVELOPED

Moncton, Aug. 7.—Dr. Henderson, head of the Maritime Oilfields Company, returned last night from England, after an absence of several months. Dr. Henderson has little to say as to the company's intentions. He was greatly pleased with the citizens' vote on the question of leasing the city lighting plant to the street railway company, but is unable to say at present when the street railway will be started, or when the gas pipe laying will commence. He says he will be here two months, and will have experts look over the proposition, and will be busy some time preparing estimates and working out details in connection with the proposed installation of natural gas and construction of the street railway.

PRESCQUE ISLE LOST AT CALAIS AND ST. STEPHEN

St. Stephen, Aug. 6.—The visit of the Presque Isle ball team to the border has been somewhat disastrous to the northern Maine players.

In a double-header at Calais yesterday the scores were 6 to 1 and 3 to 1 against the visitors and in a game in St. Stephen this afternoon the score was, Thistles, 8; Presque Isle, 2.

The home team made two runs in the 3rd four in the 4th, one in the 5th and one in the 7th. Presque Isle made 1 in the seventh and 1 in the eighth, both on errors.

Carter and Chapelaime formed the battery for the Thistles. Upton pitched and Minot caught for Presque Isle until the 5th inning, when they were replaced by Rogers and Higgins. Carter struck out 14 men and the two Presque Isle tossers got 9. Neptune, the Indian player borrowed from Wood stock, played the star game in striking and base running for the visitors and outside of Carter's strikeouts, Hurley played the star game for the Thistles.

LORD IS LET GO BY THE RED SOX

Cleveland, Aug. 6.—Manager Donovan announced yesterday that Charlie Wagner had been appointed regular captain of the Boston Americans. Harry Lord being relieved of further duty in that position.

Later Pres. John I. Taylor said that Engle would be the regular third baseman of the team and Lord would be traded to any club who could offer a player satisfactory to the Boston Club.

Lord has not been satisfied with sitting on the bench of late and so informed Pres. Taylor.

As the team has a fine streak of good luck since Engle went to third, Manager Donovan was dead set against making a change. Then, too, Lord was not willing to pull with the manager, and Pres. Taylor finding conditions of this sort in the club, spoke to Lord at Detroit, and the two came to a full understanding. Lord agreeing that he would be much better off with some other club.

Harry Babcock of Columbia and the New York A. C. is vaulting in wonderful form these days. Recently he stopped training for three weeks, and the first day he resumed he vaulted 12ft. 2in.

At Winthrop beach the friends of Johnny Mack, the Yale trainer, are "joshing" him about his ability as a fisherman. Several days ago he ventured three miles to sea from Winthrop, spent all day, and returned without catching anything.
