## ROD AND GUN DEALS WITH BIG GAME HUNTING

Big game hunting is to the fore in the October issue of Rod and Gun in Canada, published by W. J. Taylor, Limited, Woodstock, Ont., and sportsmen intending to try their fortunes in the woods this season will find the number particularly attractive. Moose, deer, grizzlies, mountain lions and wolves are all told about and both stories and illustrations are bound to find responsive echoes with all hunters. In each case the experiences related are personal and therefore far more interesting than any imaginary tales. In addition to big game stories there are numerous attractive papers dealing with other phases of outdoor life and both the east and west of Canada receive attention in this way. A finely illustrated account of the Dominion trap-shooting meet at Montreal is included. Canadian sportsmen may take up this issue, confident of finding within its pages something to interest them whatever may be their particular inclination in matters of sport. The variety of ground covered is remarkable and probably accounts for the continued and wide interest aroused by the Magazine in the sporting advantages and possibilities of Canada.

## U. N. B. TEAM HAS RAPIDLY GROWING HOSPITAL LIST

Bender Had Collar-Bone Broken and Deedes Had Leg Injured in Saturday's Game—Fredericton Won 9 to 0—Numerous Accidents.

It was a crippled U. N. B. team that played Fredericton City Saturday and before the end of the game its crippled state was more pronounced. Bender, one of the quarters, had to retire with a broken collar-bone and Deedes, on account of colliding with Clynick's head, had to be carried from the field with a badly bruised leg. Bender will be out of the game for the rest of the season, but Deedes is expected to be in playing condition in a couple of days.

The City team won Saturday's game by the score of 9 to 0, and the result was not in doubt at any stage of the contest. Two tries were made in the first half and one in the second. All were made in open play and none was converted, the positions of placement being near the touch-line, and rather difficult. Brooks scored the first try, getting the ball after a scrim broke up near the College goal line. He made a feint to pass to his halves and dodged through the U. N. B. back-division for the try. Babbitt scored the second try near the close of the first half. City was awarded a free-kick near the U. N. B. twenty-five line. Capt. Babbitt, who used his head all through the game, did a nice piece of work kicking short and following his own kick with the result that he scored. McKnight scored in the second half, after the Red and White halves had carried the ball well in on the College goal-line.

### GAME FAIRLY OPEN.

The game was a fairly good one from a spectator's point of view. There was lots of open play and punting was resorted to frequently, especially by the Fredericton backs. The game in spite of the numerous accidents, was not a rough one. Men were put out of the game of knocked out temporarily through no intentional rough play. In addition to Bender and Deedes, McKnight, Brooks and Clynick were out of commission for short periods. Clynick was temporarily dazed by his collision with "Cap" Deedes, and is nursing a stiff neck in consequence.

There were no long runs by the halves of either team. Hazlett got away in the first half for a thirty-five yard run, but was brought down by McKnight within a few feet of the U. N. B. line. His was the longest run of the game. Babbitt, the Fredericton captain, was easily the most effective half on the field. Time and time again he received the ball and running back until clear, would drive the ball into touch for great gains. Both half-lines watched one another closely and that close covering prevented long runs. The Fredericton quarters, as usual, played an aggressive game, which netted large gains. The Red and Black quarters played a snappy game. In the scrim and in the throws out from touch the superior weight of the Fredericton forwards told. The College scrim was the better trained, however, in spite of the large proportion of regular men who were not playing. Deedes' retirement weakened the pack to a marked degree.

### U. N. B. UNFORTUNATE.

U. N. B. was unfortunate in losing so many men. McNair and Jennings were not playing, one on account of injuries received in the Moncton game and the other on account of an attack of tonsillitis. Vava-

### THE FREDERICTON TEAM.

The new men used by Fredericton showed up well. Colter "came back" strong and was very noticeable in the open play. Jardine on the half-line, was closely watched, but showed that with practice he will be as good as he ever was. Among the forwards Brooks was prominent in the open play and Day and Wandless, where weight told, particularly in throws-out from touch.

The line up was:

Fredericton, 9. U. N. B., 0.  
Fullback ..... McKnight  
McKee ..... McGibbon  
Halves ..... Rutter ..... Binney  
Jardine ..... (Capt.) Kinghorn  
Babbitt (Capt.) ..... Howe  
Hazlett ..... Balkam  
Quarters ..... Clynick ..... Machum  
McKnight ..... Bender  
McFadden ..... Gilbert  
Forwards ..... Day ..... Alexander  
Brewer ..... Deedes  
Colter ..... Melrose  
Clark ..... Rigby  
Wandless ..... VanWart  
Barker ..... Gunter  
Brooks ..... Patterson  
Referee—Prof. Stephens.  
Touch judges, Sadler and Dayton.

### THE GAME.

Fredericton won the toss and defended the southern goal, taking advantage of the sun. U. N. B. kicked off and the ball was returned. There were several scrimmages at mid-field in which "Selina" Clynick was prominent. City got away on a dribble which put the College goal-line in danger. McKnight had his wind knocked out and had to rest. Shortly afterward Fredericton got started again and the ball was dribbled over the College goal-line. Binney prevented a score, the ball being kicked into touch-in-goal. The drop-out was returned into touch and scrimmage followed scrimmage about the U. N. B. twenty-five yard line. From a scrim the ball went out to the City halves and was passed to Hazlett at right-outride. He got away on a good run and a try seemed certain, but McKnight caught him near the goal-line. U. N. B. took a brace and worked the ball into City territory. Some loose play by the Red and White backs let the ball get dangerously near the Fredericton goal-line. Deedes got a good chance and kicked over the City line. McKee caught the ball and touched down, although he could have run the ball back or kicked safely. City dropped out. Soon after U. N. B. was penalized for handling in the scrimmage and Babbitt made a good gain by the kick. Play went to the U. N. B. end. Brooks, who was playing a remarkably good game in the loose, got the ball after

a scrim and scored after a short dodging run. McKnight failed to convert. Score 3 to 0.

### DEEDES INJURED.

Deedes dropped out and his kick was returned, Fredericton keeping the College on the defensive. Babbitt's kicks into touch became noticeable at this stage of the game. It was just before he punted for a forty-yard gain that Deedes and Clynick collided with such dire results. There was a long wait, during which "Selina" tried to get his neck into working order, and "Cap" was carried off the field in state. Play was no sooner resumed than another wait occurred, while Melrose was recovering from the effect of a hard tackle. The U. N. B. halves showed a tendency to fumble and as a result, lost ground. Hazlett got in some good work at this juncture. Fredericton was awarded a free-kick and the Red and White spread out across the field as if expecting a cross-kick. Capt. Babbitt, however, made a short kick, which he followed up and getting the ball scored. The kick was a hard one and no goal was made. Score 6 to 0. Half time was called soon afterward.

### SECOND HALF.

In the second half there was a great deal of scrimmaging and line-bucking and play was not as open as in the first half. The Fredericton kick-off was a short one, but U. N. B. was ready for it, and the Red and Black forwards ran the ball back. Loose play carried the ball into the Fredericton territory. It was at this point that Bender was hurt. How he was injured is not certain, but after a tackle following the breaking up of a scrim, he was found with his collar-bone broken. Porter took his place. Play remained about mid-field and became rather ragged. The referee imposed several penalties on both sides for handling in the scrimmage. Soon afterward the Fredericton backs got away on a nice run, and after some passing McKnight went over for the last try. McKee failed to convert.

After the drop-out there was much playing along the touch-line in front of the grand-stand. Day and Wandless used their weight to great advantage. The ball was finally dribbled over the U. N. B. line and only poor work on the part of the City forwards prevented a score, the ball being kicked into touch-in-goal. Time was called with the ball about mid-field.

### GRIDIRON GOSSIP.

The Fredericton forwards' average weight was over 185 pounds. Bender had recovered from the injury received in the first Fredericton—U. N. B. game only on Thursday. Machum and Jennings are looked upon as the quarters for the rest of the season, as it is doubtful if Kuhring will be able to play again this season. Colter came back all right. "Selina's" head is evidently pretty hard. U. N. B. has certainly a big hospital list. The games of the local series have been a good preparation for the College for the intercollegiate matches. U. N. B. defeated Moncton 10 to 0 here. A strengthened Moncton team got away from Mount A. 5 to 3. Acadia has beaten the Wanderers and the Wanderers have won from Mt. Allison. It almost looks as if the fight will be between U. N. B. and Acadia.

## ATHLETICS ARE CHAMPIONS OF THE WORLD

Won Fourth Game of Series Yesterday  
—Chicago Cubs Won 4 to 3 on Saturday.

Chicago, Oct. 23.—The baseball championship of the world belongs to the Philadelphia club of the American League. They clinched the big pennant today, seven runs to two, from the Chicago Nationals and there was none in the big overflow crowd to say that they had not won it fairly and squarely. Five games were played and the eastern youngsters took four of them by outbating, outfielding and outrunning the veteran Chicago Cubs. They "got the jump" at the start, and although Chicago halted their progress with a defeat yesterday, it really did not change the situation a bit.

The Philadelphians were due. They won the American League banner in 1902, but there was no world's series that year. Five years ago the New York Nationals were too strong for them. So in this year of grace it was not in the cards that they should be denied. While the series were not the most profitable ever played, the players' share of the money amounts to \$79,071. Of this amount sixty per cent or \$47,442 goes to the winners and \$31,628 to the losers. As there are 23 players on each team eligible to participate, each of the Philadelphians is entitled in round numbers to \$2,062, and each Chicagoan to \$1,376.

The players shared in today's receipts by courtesy of the management of the two clubs, who conceded that if today's receipts should be larger than those of any previous day, the smallest receipts should be considered as accruing to the fifth game, and Sunday's receipts should be accredited to the fourth contest, the last in which the players had a financial share.

The total receipts for the series were \$178,980. The two clubs receiving \$38,755 each, while \$178,980 goes to the National Commission. The total paid attendance was 125,219.
