AthleticsST. JOHN CRICKETERS
WON BY 14 RUNS

First Match of Season at Scully's Grove on Saturday--Return Match on 18th.

The St. John Cricket Club, in the first match of the season, won from Fredericton by 14 runs. It is expected that a return match will be played on June 18th. For the first of the season the match was a good one. The fielding might have been better, however.

THE GAME.

Fredericton won the toss and sent St. John to the wickets. Popham, Cousins and Sturdee were responsible for 49 runs out of 53, the remainder of the team offering but poor resistance to the bowling.

The home side fared better and were not dismissed until they had obtained a lead of 5, sufficient to win the match if they could play out time on the second innings.

The visitors, however, were not to be denied and in the second attempt ran up a total of 69 for 8 wickets when F. R. Fairweather, who captained the side, declared the innings lost, leaving Fredericton 65 to win in an hour and a half.

The effective bowling of Popham and Cooper, however, proved too much for the home eleven and despite the efforts of Dean Schofield and Galloway, the innings closed for 50, leaving St. John the winners of an exciting match by 14 runs.

DICK MALLOY PITCHED

The Clippers at St. John Saturday turned the tables on the St. Johns winning 6 to 4. Dick Malloy of this city pitched for the winning team, striking out six men. Eight hits were made off his delivery. Dick got no hits and one put out is all that appears in his fielding record. Geo. Finnmore at second base for the Clippers had three put outs and two assists but failed to get a hit. Boone, who played in right field for part of the game, made a great one-hand catch of a fly. In two times at bat he got two safe hits and scored two runs.

JACK JOHNSON WAS
HOOTED BY CROWD

Big Negro Received Cool Reception in San Francisco--Is in Fine Physical Condition.

San Francisco, Calif. June 5.--The crowd enjoyed Jack Johnson's speech following his boxing exhibition at Dreamland Rink Friday night. Though he was frequently interrupted by cat-calls from the gallery, the majority of those present demanded fair treatment and the negroes talk was liberally applauded.

"For the benefit of the gentlemen present," he began in his most impressive style, "I will indulge in a few remarks regarding the heavy weight battle which will take place in San Francisco on the fourth of July." Here he paused awaiting patiently for hooting in the gallery to subside. "And," he resumed, "for the benefit of the well educated gentlemen in the gallery I do hope that when people from all parts of the world come here they will see--'A funeral' floated a voice from up stairs. "Will see two men well trained," continued Johnson, apparently untroubled "both in the best condition and a fight in which the best man wins." The close of the speech brought cheers from all parts of the house. As has been the case in all of his sparring work during his training here, Johnson showed to advantage in his bouts last night in his defensive tactics. When he took on Marty Cutler he assumed the aggressive. Experts regarded his work outs as fast and generally satisfactory.

DIAMOND DUST

Manager John J. McGraw says that Fred Merkle, his first baseman is more than making good, both in the field and at the bat.

The Chicago Cubs cannot afford to lose an inch of ground with the New York Giants at their heels and hustling for all in sight.

No conditional contracts can be made with ball players. All minor league players are subject to draft.

Billy Murray is scouting for the Pirates and Barney Dreyfus has wired him to hurry up with some of his promising recruits.

Manager Frank Chance is out of the game with a sore finger, but he will be in shape for the New York game.

Minneapolis and St. Paul are fighting a neck and neck race for honors in the American Association, with the champion Louisvilles bringing bringing up the rear.

The Chicago Cubs have picked up a great pitcher in Cole. He has all the ear marks of becoming one of the great ones of the country. Friday's victory was his seventh straight.

The two major leagues have started off this season with the intention of keeping their strings of umpires in tact to the close, unless some of the indicator bolders become disabled. Good way to encourage the members of a thankless profession.

C. (Pop) Anson, the veteran baseball man who managed the Chicago National League team for 22 years, won six pennants and retired from the league in 1898 with a fortune reputed to have been \$300,000, is broke. The last financial straw blew away when a mortgage on his home was fore-closed in default of notes aggregat-ing \$6,800.

ABOUT THR BOXERS

Dick Hyland and Benny Yanger will meet in Cohoes tonight.

Ed McGoorty and Young Mahoney, have been matched to box in Apple-ton, Wis., June 9.

Matty Baldwin and his manager, Aleck McLean, left Boston yesterday for Akron, where Baldwin is to meet Paul Koehler, Tuesday night.

Mike ("Twin") Sullivan is doing some hard training in Cambridge, as he expects a match with Willie Lewis in New York in about two weeks.

Billy Griffiths, the western scrapper will probably not again slug referees who decide against him. The other night at Chattanooga when the referee declared him the loser, Griffiths made a lunge at the official and the latter was ready for him. He planted a few on Griffiths' face and the police then arrested Griffith on the charge of assaulting the referee.

Charlie Griffin, the Australian featherweight, meets Bant Dorsey at Albany on Tuesday night.

Joe Woodman is certainly keeping Sam Langford busy. With matches ahead against Sandy Ferguson, Al Kaufman and Tommy Burns, Sam has a busy summer in prospect and when he hits Boston again it will take a freight car to bring home the kale.

Even sour oranges may be employed in the cooked desserts, because the sugar used will modify the tartness sufficiently. For made desserts they serve as well as the other kind.

RED SOX ARE
AFTER WADDELL

O'Connor Said to be Willing to Part with Him--Wants two Infielders at Once.

St. Louis June 5--There is a tip afloat here that Manager Donovan of the Red Sox would like to grab one of the Browns' pitchers. It is said that he favors one of the southpaws on the local club's payroll. O'Connor needs two infielders and would be willing to part with Waddell or Bailey if the desired players could be obtained in exchange. It wouldn't be surprising if Waddell became a Red Sox. The former Cardinal manager says he likes his team and has given it out here that he has hopes of finishing on top in the American league Marathon. He figures that the lead the Athletics now have can be pulled down, while the Tigers haven't shown a whole lot startling to date.

LAND SALES OF C. P. R.
FOOT UP TO 45 MILLIONS

The rise in C. P. R. stock to over 203 in London and above 198 in New York, has started the financial papers writing columns of literature, and fiction), on that issue.

One paper gives a return showing the C. P. R.'s land sales, price per acre, and amount realized from the sales since 1896 as follows:

Year	Acres	Price	Amount
	sold	per acre	realized
1903	376,450	\$13.52	\$5,085,517
1908	164,450	9.54	1,569,165

1897	199,482	3.33	665,740
1896	87,878	3.51	308,928
Total,	10,038,895		\$45,778,833

*\$9,963 acres irrigated land sold at \$24.71 per acre included in 1909 figures.

**Fiscal year changed from December 31 to June 30.

z Figures for six months January 1, 1900 to June 30, 1909, only.

The land sales by the Canadian Pacific bear a very close relation to the dividends paid by the company each year. At present the road is paying 7 per cent. annually, of which 1 per cent. is obtained from the interest on deferred payments of land sales.

With the rapid rise in land prices which the Canadian Pacific has received in the last few years, the possibility of larger dividends from the lands still held by the company becomes an important factor.

This accounts to some extent for the recent rise in Canadian Pacific stock and the rumors that before long the common will be selling at fully \$200 per acre.

GROWTH OF EARNINGS.

A comparison of C. P. R. earnings is interesting, especially when compared with an estimate of this year's figures:

Year	Gr. earns	Surplus
1909	\$76,313,321	\$15,835,028
1908	71,384,174	15,676,923
1907	72,217,523	19,156,034
1906	61,669,758	16,592,216
1905	50,481,883	9,105,686

MARYSVILLE

June 6--There was a united meeting at the Methodist church on Sunday morning, Rev. Mr. Jacobie preached to a very large congregation. After the regular service there was an address to young people. The usual service held in the evening. Rev. Mr. Berrie officiating.

Miss Helen Waterman was taken to the Victoria hospital on Friday evening suffering from appendicitis. An operation was performed and the young lady is doing as well as can be expected.

A young son of Mr. Geo. Nason, was also operated on for the same disease.

Mr. and Mrs. Sweeney of Ravine Lodge, spent the week end with Mr. and Mrs. Chas. Hatt.

Mr. John T. Gibson left this morning for St. John where he has been appointed to a position in the Public Works Department.

Mrs. James Gibson is spending a few days in St. John.

Not too much heating feed now for poultry. They are hot enough already. Just give them free range and all the milk and water they need and they will get a good share of the other stuff they need, but don't forget to look after the supply of grit.

Cream should never be churned when less than twenty-four hours old; it should be let to sour or ripen before churning, and fresh cream should never be added to that already ripened when churning. The cream should be kept at a certain temperature.
