McQueen, of Dorchester, Deputy Regent for New Brunswick, arrived in the city last night and visited the local council. A very pleasant evening was spent. At the conclusion of the discussion refreshments were served.

HISTORY OF ORDER.

The Royal Arcanum is a Fraternal Beneficiary Order, incorporated under the laws of Massachusetts in June, 1877. It was founded for furnishing moral and material aid to its members, and their dependents, the relief of sick and distressed members, and the payment of death benefits of \$1,000, \$2,000 or \$3,000.

This institution has over 2,000 councils in the United States, Canada and the Maritime Provinces, with a total of over 245,000 members. It has paid to the beneficiaries of its deceased members over \$136,000,000, besides large amounts for the relief of members who were ill or in distress.

The Royal Arcanum combines with this fraternal assistance and insurance for the family, the social advantages of a secret society. At each meeting, after the routine of business has been transacted, the time is profitably used in debates, the reading of papers upon topics of interest music, etc., and these meetings are frequently supplemented by select popular entertainments, in which the ladies are the entertained and entertainers.

DISTINGUISHED
SPORTSMEN TO
HUNT BIG GAME

The Earl of Kingston and Sir Robert Harvey, En-Route to Miramichi Woods.

The Earl of Kingston, a distinguished Irish nobleman, and Sir Robert Harvey, Bart., have engaged Mr. Henry Braithwaite of this city, and Thomas O'Leary of New Maryland, to guide them on a three weeks' hunting trip to the Miramichi woods. They have been hunting caribou in Newfoundland for several weeks and will arrive at Boiestown tomorrow by way of the I. C. R., and will be met there by the guides. They will go into the woods from Holtville. These gentlemen are personal friends of Lord Hawke, the celebrated English cricketer, who made a hunting trip to Miramichi with Guide Braithwaite several years ago.

Sir Robert Harvey hunted in the Miramichi woods last season, but this is the Earl of Kingston's first hunting trip to New Brunswick.

Dr. H. T. Galpin and wife of New York, and Mrs. M. B. Smith, Mrs. Galpin's mother, arrived in the city by the noon train and are guests at the Barker House. Dr. Galpin is treasurer of the Canadian Camp in New York, and was recommended to come to New Brunswick by Colonel Lampton, the press humorist, who spent a few days here last summer. Dr. Galpin is arranging to spend the next two weeks hunting big game in the Miramichi woods. Mrs. Galpin and Mrs. Smith will remain here till his return.

UNIQUE TONIGHT.

At the Unique last evening the Biograph film "Sorrows of the Unfaithful," came up to the usual high class standard of this company. Tomorrow night a specially selected picture for the children "Alice's Adventures in Wonderland," will be shown.

ANOTHER LICENSE?

The question has arisen in civic circles must George Apostolas pay another license fee to run a fruit-store? Apostolas achieved notoriety last summer through an attempt to have him prevented from selling peanuts and fruit on the streets. He had paid a license for the privilege. Now he has a store and is said his first license will not cover his present business.

Mr. G. Earle Logan, of St. John, is at the Barker House.

BOY SCOUT MOVEMENT
INAUGURATED HERE
BY DEAN SCHOFIELD

1st Fredericton Troop Formed by Church of England Boys—Other Churches Expected to Follow.

The Boy Scout movement was formally inaugurated in Fredericton on Tuesday evening, when Rev. Dean Schofield swore in seventeen boys at the Church Hall as the 1st Fredericton Troop, Boy Scouts. The troop is divided into two patrols.

It is hoped by the promoters of the movement in Fredericton that other troops will be established and a sufficient number of boys interested in the movement to give the city a battalion of scouts.

NOT MILITARY.

The 1st Troop is formed of boys belonging to the Christ Church Cathedral and Parish Church. The leader of No. 1 Patrol is Sterling Brannen, and the leader of No. 2 Patrol, Bert Boone. Dean Schofield is desirous that other churches of the city establish troops. The movement is not military but is calculated to give the boys a love of open-air life, and to inspire habits of obedience and truthfulness. The Dean will welcome to the 1st Troop any boys twelve years of age or over, who are residents of Fredericton or the vicinity and belong to the C. of E. denomination.

HAVE BEGUN WORK.

Sergt. Percy Ryder, of the R. C. R., has assisted Dean Schofield in the organization of the Boy Scouts here and has taken charge of the troop when it has made trips into the country. The boys were out on a trip on Thanksgiving Day, although not formally organized at that time. A certain examination has to be passed by the boys, but all have passed it very satisfactory.

The Boy Scout movement was begun by Sir Robert S. Baden-Powell about two years ago in England, and from that country has spread to all parts of the British Empire, to the United States and to Germany. Sir Robert, on his recent tour through Canada, visited many cities where the movement had taken hold. Among other places, he visited St. John.
