DOMINION DAY WAS QUIETLY CELEBRATED IN CELESTIAL CITY

Tennis, Baseball, Horse Racing and Festivals Furnished the Day's Amusements.

The pleasure seeking crowds had ideal weather yesterday. The afternoon was a trifle warm, but just about right for the full enjoyment of the holiday.

Many automobile parties from outside points were in the city and yachting parties from St. John spent a pleasant day in town. The holiday was celebrated quietly.

In the morning the attractions were the tennis match between Rotheay and Fredericton and the baseball game between the Tannery and Clippers.

The horse races drew the crowds to the trotting park in the afternoon, where some very fine racing was pulled off.

All the hotels had long lists of visitors and were kept busy from early morning till late at night.

The Firemen's Festival at Scully's Grove proved to be the chief attraction of the evening. The fire boys always give the public their money's worth and last night was no exception to the rule.

The prize winners at the festival were:

Gent's Bagatelle—Umbrella—John Carter.

Ladies' Bagatelle—Satchel—Miss M. Everett.

Pede—White Vest—Thomas Morris.

Three Pins—Ebony Comb and Brush—Sterling Harrison.

The Knights of Pythias also held a summer festival at Pine Grove Marysville. The attraction was a five mile track race, in which Pat White of Fredericton and Hilton, Arnold and Robinson of Miramichi competed. Robinson dropped out after running a few laps of the quarter mile track. Pat White finished a strong first with Hilton second. The prize was a gold medal.

REV. J. W. AND MRS. MCCONNELL REMEMBERED BY FRIENDS

Rev. J. W. and Mrs. McConnell, who leave for their new home in Sydney, N. S., next week, are being shown many tokens of kindly appreciation by the friends whom they have attached to themselves during their four years' residence in this city. Thursday evening they were the guests of honor at a garden party given by the ministers of the city and their wives at the residence of Rev. J. H. and Mrs. MacDonald. The gathering included in addition to the above named, Revs. Dr. and Mrs. Smith, A. A. and Mrs. Rideout, C. P. and Mrs. Wilson, Thomas and Mrs. Stebbings, F. L. Orchard, together with Secretary and Mrs. LaDue of the Y. M. C. A.

A dainty supper was served on the lawn, at the close of which Dr. Smith on behalf of the city ministers presented Mr. McConnell with a brass book-rack as a token of esteem on the part of his brother ministers, all of whom spoke in terms of appreciation of the sterling worth of the guest of the evening, of the universal regret at his departure and of the delightful fellowship of the past four years in the various activities of the kingdom of God in which they had been so intimately associated. Mr. McConnell responded in a gracious and happy vein and reciprocated the many kind things spoken of himself and Mrs. McConnell.

A CAVALRY SQUADRON FROM YORK COUNTY FOR NEXT YEARS CAMP

Report is Current that a New Mounted Regiment will be Raised Along the St. John River.

The Mail's special war correspondent in the field at Sussex writes the following, bearing date July 1st:

There is a report current that next year there will be a new cavalry regiment from New Brunswick in camp here. The new mounted regiment it is said will be raised along the St. John River. One report says that squadron will be raised in Carleton, York, Sunbury and Queen's Counties. Another is to the effect that the new corps will have a squadron in St. John instead of Carleton County.

If the rumor proves correct Fredericton will probably be the headquarters of the York County squadron. The country along the St. John River is considered to be about the best in the province for recruiting cavalry and many young men will take the opportunity to join the new corps. It is not likely that the 71st Regiment would be at all interfered with by the new corps. It is expected however that there will be difficulty in securing qualified officers.

So far the 71sters have enjoyed their stay under canvas. Capt. Murray of Kingsclear, "B" Company, has joined the regiment and been taken on the strength.

Sergeant Thomas Burns of Fredericton Junction will leave Saturday for home, civilian duties having called him from camp. It is expected he will be succeeded as sergeant by Jas. Murray.
