PANGS AND TORTURES OF A WEAK STOMACH

Prompt Relief and Cure can be Obtained Through Dr. Williams' Pink Pills

Indigestion is a condition in which the stomach is more or less unable to digest the food. Even a light case of indigestion means much misery, but when the trouble is at its worst the life of the sufferer is one of constant and acute misery. Indigestion is recognized by a burning sensation in the stomach, bloating, an oppressive feeling of weight, belching wind, pains in the region of the heart often vomiting and nausea, and a dread of food for the misery it causes. Dieting and the use of pre-digested foods may give some relief, but will never cure indigestion. The work of indigestion depends upon the blood and the nerves and the only way to cure indigestion is to so tone up the stomach that it will do the work that nature intended it should do. The very best way to cure a weak stomach is through a course of Dr. Williams' Pink Pills. These renew the blood, strengthen the nerves and thus give tone to the stomach and enable it to do its work with ease and comfort. No one suffering from indigestion or even the slightest form should neglect the trouble for an instant; to do so means that it obtains a firmer hold, and daily the misery and suffering is increased, and the cure made more difficult. At the first approach of the trouble take Dr. Williams' Pink Pills and it will speedily disappear. These Pills will cure even the most obstinate case of indigestion but naturally takes longer to do so. Mr. Philip affeur, St. Jerome, Que., says: "After I left college, when I had studied hard for four years, I suffered so much from indigestion that I found it difficult to earn my living. I was troubled with terrible pains, a bloating feeling, and a sourness in the stomach. This led to a loss of appetite and I began to show signs of a nervous breakdown. I tried several different treatments without finding any apparent relief, and my nervous system had grown so shattered that I could not work. A priest who was interested in me advised me to try Dr. Williams' Pink Pills and I followed his advice. It was not long before they began to bring me back to health, and in the course of a couple of months my stomach was as sound as ever; my nervous system strong and vigorous and I have since enjoyed the best of health. I owe all this to Dr. Williams' Pink Pills, for which I shall always feel grateful." Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
