Give your servants **GOLD DUST** to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without **GOLD DUST** is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—**GOLD DUST** is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of **GOLD DUST** in all household cleaning.

U. N. B. Back Division Plays Rugby of the Stellar Variety

Moncton Snowed Under 19 to 0—Pressed College Hard at Times—Visitors' Forwards Good—Red and Black Halves Work in Great Style.

The U. N. B. Rugby team sprang one of the biggest surprises of the football season yesterday afternoon, by walloping the Moncton XV 19 to 0 at College Field and incidentally displaying some work by the back-division that was classy, to say the least, and particularly so when it is taken into consideration that the greater part of the match was played in a drizzling rain, which made the handling of the ball difficult.

The Moncton team was not the strongest the Railway Town can put in the field and the team which will tackle Mt. Allison tomorrow will be much stronger while that which will play U. N. B. a return game in Moncton will be stronger still. Stoyles of hockey-fame, was booked to play forward, but the night before the game found it impossible to get away from Moncton. He, McFarland and Lightizer will be in the game Saturday when Mt. Allison plays in Moncton and Donald will be on the half-line. It is also probable that McLeod will be replaced at full-back.

THE MONCTON TEAM.

If the U. N. B. backs excelled themselves, the Moncton backs were away off color. The weak portion of the visiting team was behind the quarters. The forwards played a sharp game, heeling well and taking the ball from U. N. B. in the scrim during the greater part of the game. The quarters handled the ball fairly well, but the halves were unable to take the offensive and their defensive work left much to be desired. Doe, formerly of Mount A., who has been coaching the Garnet and Gold team, played left-outside. He got no chance to get away with the ball and the first try was made around his end by Binney, the speedy College back, running away from him. McLeod, the Moncton full-back, was playing his first senior game, and failed at critical moments.

Of the quarters, Jack McBeath played his old game of bucking the scrimmage and making short gains. McIsaac, an old St. P. X. man, was also playing quarter and showed up well until injured and forced to retire late in the game. Gallagher replaced him.

U. N. B.'S STRONG POINT.

All of the U. N. B. backs played in great style and the passing of the half-line was for the greater part of the time, clean and effective. Binney scored the first try, the ball being fed to him by Howe, who took a pass from Kinghorn. Howe scored three tries, two on passes from Kinghorn, the other by fast following. McGibbon repeated McKnight's play of Saturday's game against Fredericton City, that of a full-back taking the offensive. The three quarters were always in evidence. On the occasions that the College forwards heeled the ball, they fed their halves well. McNair's dashes with the ball were also prominent features of the game. In the loose, the forwards played aggressively and followed up in great style. In the scrim, however, they were opposed by a heavy pack and were hardly equal to their opponents. The supporters of the Red and Black think that chances for a good showing in the Intercollegiate games are growing brighter all the time. The showing Mount A. will make in Moncton will enable followers of the game to size up the three teams of the Intercollegiate League pretty well.

The line-up was as follows:

Moncton		U. N. B.	
McLeod	Fullback	McGibbon	Fullback
Doe	Halves	Binney	Halves
Dayton (Capt.)		(Capt) Kinghorn	
Edington		Howe	
Brown	Quarters	Balkam	Quarters
McIsaac		Jennings	
Humphrey		Bender	
McBeath		McNair	
Mark	Forwards	Gunter	Forwards
Rae		Jewett	
Jummings		Deedes	
Mackasey		Melrose	
Doherty		Rigby	
Jewell		Vavasour	
Ayer		Alexander	

Referee—John Dolan.
Touch judges—Gallagher and Dayton.

THE FIRST HALF.

A stiff breeze was blowing across the field when the game started, but gave neither side any great advantage. Moncton kicked off and the kick was returned. There was some

scrimmaging. U. N. B. was given a free-kick for picking the ball out of the scrim. Soon after Moncton was given a free-kick for the same offence. Play stayed about mid-field. Moncton forwards got away on a dribble, and loose play by the U. N. B. backs let the pigskin get within a couple of yards of the College goal-line. A score for Moncton seemed imminent. U. N. B. tried to clear by dribbling, but without success. Handling the ball in the scrim resulted in a free-kick for the College. Deedes kicked from behind his own goal-line, and found touch twenty-five yards out. Moncton weakened a little and by punting into touch and dribbling, U. N. B. forced the play into the visitors' territory. Referee Dolan gave Moncton a free-kick, which relieved the pressure. An offside by a Moncton quarter gave U. N. B. a free-kick and "Cap." Deedes tried for a penalty-goal from placement about forty yards out. Touch-judge Dayton signalled a goal after the ball had been kicked. A long wrangle ensued, in which it was decided that the eyesight of the U. N. B. touch-judge was rather poor and no goal was awarded.

BINNEY GETS AWAY.

Moncton dropped out. Deedes heeled the ball and was allowed a fair-catch. His kick was run back and Moncton by passing, carried the ball to U. N. B.'s twenty-five yard line. Bender got the ball from a scrim and after running with it, passed to Balkam, who carried it to mid-field. U. N. B. forwards began to heel the ball. The ether came out cleanly to Howe who passed to Kinghorn, who passed to Binney. The latter was off like a shot and Doe had as much chance to catch him as a snowball in a very warm place not mentioned in polite society. The try was made very near the touch-line and Deedes failed to convert. Score, 3 to 0.

TOUCH-JUDGE DEPOSED.

U. N. B. got right into the game on the drop-out, and play stayed in Moncton territory. The ball went in to touch on the east side of the field. Forward play out of touch continued for some time. Dayton's work as touch-judge had been proving unsatisfactory and he was "canned." Jack Feeney was put in his place. Play swung backward and forward between Moncton's twenty-five and five yard lines. From a scrim the ball went to the U. N. B. halves. Howe got it and made a rush through the Moncton backs and scored. The position was a good one and Deedes kicked a fine goal. Score 8 to 0. Half time was called soon after.

SECOND HALF.

With the score 8 to 0 against them, the Moncton men started the second half with a rush and had U. N. B. up in the air for a while. A free-kick for Moncton within a short distance of the U. N. B. line gave Moncton a great chance. All that could be done, however, was to force McGibbon to touch down. The drop-out was returned, Moncton pressing U. N. B. hard. A scrim formed on the College five yard line. Deedes booted the ball into touch at the twenty-five and U. N. B.'s supporters breathed easier. The Red and Black backs began to buck-up. Kinghorn received the ball on a cross-kick and carried it almost over the Moncton line, but lost it when tackled. Howe was following and dropped on the ball for his second try. Deedes could not get the combination for a goal. Score 11 to 0.

ALL U. N. B.

The rest of the game was pretty much all U. N. B. The College forwards began to open out and make big gains in the loose and the backs played rings around Moncton. McGibbon followed up a combination run of the half-line and receiving the ball on a pass, scored a try which was not converted. Score 14 to 0. Until the end of the game Moncton was kept on the defensive but fought hard. Howe made the last try, his fellow-halves doing some good passing which enabled him to score right behind the goal. "Cap." converted on an easy kick and the game ended, score 19 to 0.

ON THE TOUCH LINE.

Some class to the rooting of the U. N. B. co-eds. Doe is reported to have said that Mt. Allison can take U. N. B.'s measure all right. Rigby, Alexander and McNair played well in the loose. A good full-back makes all the dif-

ference in the world. McGibbon behind the Red and Black half-line gave its members a confidence that otherwise they would not have.

Moncton used only two lines in the scrim. For heeling that formation is much better than the more modern ones.

Too much encouragement is a bad thing. U. N. B. should remember that both Mount A. and Acadia have training and practice that Moncton lacked.

Moncton kicked hard at some of Johnny Dolan's decisions. A few of them seemed a trifle under-done. However a referee cannot see everything, and the motto of a Rugby team should be "Play the whistle."

In Halifax Wednesday the Mount Allison footballists were defeated by two tries to nothing, 6 to 0. The first was "earned" while the second, though it came after an exceedingly pretty piece of combination play starting about centre field, was primarily due to some very loose work on Mt. A.'s part.

ATHLETICS MAKE IT THREE STRAIGHT FROM CHICAGO

Chicago, Ill., Oct. 20.—Philadelphia came out here today and rubbed it in. The Athletics claimed their third successive victory of the world's championship series with the Chicago Nationals to the tune of 12 to 5, and if the big pennant is not nailed to the Quaker City mast tomorrow, Connie Mack will be the most surprised gentleman on the baseball map.

Captain Chance was ordered from the field in the third inning for disputing a decision. In the three games so far, the easterners have pounded every assortment of curves which the entire galaxy of Cub pitchers could offer. Only "King" Cole, the so-called pitching find of the year, remains to be seriously considered by Manager Chance and has been held back because of his inexperience in crucial games and a belief also that his assortment of shoots is just what the Mackmen like. Mack will in all probability, furnish local enthusiasts with a view of Bender tomorrow. The combat today was a slaughter. Big Ed Reulbach lasted just two innings, during which he allowed one single and two doubles, passed two batsmen and saw three runs across the home plate. McIntyre was the next twirler, led forth for slaughter. He pitched just one-third of an inning, but that was long enough for the visitors to hammer out two singles, a home run and to send Davis to first, rubbing his back where he of McIntyre's inshoots had hit him. With the assistance of a boot y Schulte, four runs were scored under his beneficent reign.

COOMBS, BARRY AND MURPHY STARS.

The bright particular stars of the day were Coombs, Barry and Murphy. Coombs allowed only six hits, passed four men and contributed a two bagger and a single which added three runs to the Philadelphia selection. Barry hit as if there was another automobile in sight. Also he figured in double plays. He made three hits, each one a double, drove in two runs, and himself reached the counting station thrice. It remained for Murphy, however, to electrify the crowd. His first noteworthy exploit was to smash the ball over the heads of the right field overflow into the regular bleachers for four sacks, driving in two runners ahead of him. At the time he didn't know how far the sphere had travelled, and stopped after covering the two bases allowed under the ground rules, for hits into the overflow. Umpire O'Day waved for him to come in, which he did, with half the team slapping him on the back.

The score was:

PHILADELPHIA.

STERLING WON TEN-MILE RACE IN SLOW TIME

Pat Whyte Failed to Finish—Tom Coward Ran Game Race—Stubbs was Second.

Ernie Sterling, of St. John won the ten-mile race at the Arctic Rink last night in easy style, running as he pleased throughout the distance. The time was slow, 60 minutes being that announced. Jerry Stubbs, another St. John man was second and Tommy Coward, the local runner came in third, delighting his many supporters by running a game race. Pat Whyte, the other Fredericton entry failed to finish. He was evidently in poor condition and collapsed in the last mile.

The crowd was very slim in spite of the fact that the race had been advertised and the Fredericton Brass Band had donated its services. The proceeds were to go toward sending Whyte and Coward to the Herald Road Race in Halifax on Thanksgiving Day, but if the runners are depending on last night's gate they will not get very far. The unfavorable weather kept a good many people away.

The track was supposed to be thirteen laps to the mile. At the finish Sterling was leading Stubbs by four laps, Coward by five and Whyte by ten.

The race had no particularly exciting features. Sterling had the measure of the others and taking the lead in the first mile increased it throughout the race. Coward's running was the feature of the evening.
