

Vernon Park Announcement!

VERNON PARK, CLARESHOLM, is a sub-division of blocks 89 to 112 of the Original Townsite, directly adjoining the Public School, and is all rich, level prairie land, "guaranteed."

The property is intersected in direct line by the Main Street, and is only three blocks from the Post Office, which point marks the centre of the business section.

The Canadian Pacific Railway Station and Offices are situated two blocks south of Vernon Park. The Railroad runs parallel with the east boundary of Vernon Park and there are some thirty **TRACKAGE LOTS** in this subdivision, including corners.

The four Terminal Elevators and grain-cleaning plants with a capacity of 300,000 bushels are within three blocks of Vernon Park. The assured fact that Claresholm is a grain centre means the building

**WM. MOFFATT,
First Mayor:**

Being one of the first settlers in Claresholm, and having been Mayor since its incorporation in 1905 to 1908, I consider that we have advanced more in population and development than any other town for its age in Alberta or the West. To my mind the progress has been phenomenal.
