## KILLED BY A BULL.

Globe.—William Cameron, a well-known farmer of Upper Hampstead, was killed by a three-year-old bull on Wednesday. The bull was very wild, and a few days before had attacked a young lad. Mr. Cameron was one of those who helped to pull the bull away. On Wednesday, Mr. Cameron was found lying dead in the field where the bull was kept. He was terribly battered, and was almost unrecognizable. It is supposed that the bull attacked a yoke of oxen which Mr. Cameron was driving through the field, and that when the bull attacked the oxen he attempted to drive it away. The people near by are shocked by the occurrence, and several farmers who have vicious bulls, have decided to get rid of them. Mr. Cameron's funeral took place Thursday.

## MANY BAPTISMS RESULT FROM TORREY MEETINGS

Twenty-one Baptized in Baptist Church Yesterday—Other Churches to Receive New Members.

The results of the evangelistic campaign recently conducted in this city by Dr. Torrey and those associated with him are becoming apparent in the marked increase in church membership as far as the four churches engaged in the campaign are concerned. Baptisms took place in large numbers at both the Brunswick street and George street Baptist churches last night. At the Methodist church there will be a baptismal service next Sunday morning and a reception service in the evening at St. Paul's Presbyterian Church the reception service will be held on Friday evening.

## METHODIST CHURCH

Rev. J. W. McConnell pastor of the Methodist church informed The Mail this morning that it was expected that over fifty would be baptized Sunday morning at the Methodist church. At the evening service they would be received into membership. The exact number of candidates will not be known until later in the week.

## AT ST. PAUL'S CHURCH.

Rev. Dr. W. H. Smith of St. Paul's church stated that he would not know the exact number of those to be received as members of his church, until Thursday next. He expected the number would be about fifty. This addition to the active membership of St. Paul's, said Dr. Smith was due largely to the Torrey campaign. Many had expressed their intention of joining the church before the Torrey meetings had begun but the campaign seemed to be the means of inducing the majority to make the decision. The reception at St. Paul's service will be on Friday evening next.

## THE BAPTIST CHURCHES.

Five candidates were baptised by Rev. A. A. Rideout at the George St. Baptist church last night. At the Brunswick street church, sixteen persons were baptised by Rev. J. H. MacDonald. Other baptisms will follow in the same churches.

## ADVANCE PARTIES HAVE ARRIVED

Fishing on Miramichi Attracts Noted American Sportsmen—Increased Number will Follow

## (North Shore Leader.)

Annually large numbers of wealthy American sportsmen arrive here to enjoy the magnificent fishing privileges, which the Miramichi affords and 1910 promises to be no exception to the general rule. In fact, increased numbers are being awaited and there promises to be a considerable expansion over former seasons. Unsurpassed probably in any section of Canada, is the fishing on the Miramichi. The attractions and beauties are numerous and each season but tends to bring New-castle and the North Shore more prominently to the front ranks along these lines.

There have arrived at the Miramichi Hotel, where all the sportsmen are quartered during their sojourn in New castle, two advance parties of Americans who have already gone on their fishing expeditions. These Americans almost generally are regular visitors to the Miramichi and speak to The Leader in the highest terms of the advantages of the river and streams.

They also appreciate the many courtesies extended them by the management of the Miramichi.

Included in the number of sportsmen who are now at Camp Adams, Ban Camp or Lower Camp are:

James S. Whitman, C. F. Whitman, New York; F. G. Crane, Dalton, Mass; William Crawford, New York; C. B. Wallace, Springfield; James A. Hueston, Boston.

These are some of the most noted American sportsmen. Mr. R. H. Armstrong accompanied the parties.

Others who are fishing on the stream include A. R. Brown and R. Pennington, of St. Paul. They were also registered at the Miramichi Hotel. Mr. James P. Whalen, proprietor of the Miramichi, who is in close touch with the sportsmen, intimates that there will be several additional parties during the summer.

## ASSESSMENT RATE FOR 1910 WILL BE \$1.50

Total Valuation Increased \$148,686—Tax Rate Inside Limits Increased Six Cents—1802 Polls in City.

## RATE IS LOWER THAN WHAT WAS EXPECTED

The tax rate inside the fire limits for the year 1910 is to be \$1.50. Outside the limits the rate is to be \$1.05. The new inside rate is six cents more than that of 1909 and the outside rate five cents more. The increase, however, is not as great as was expected. The figure which had been generally expected was \$1.55.

One cause of the unexpectedly small increase in the assessment rate is the increase in the valuation of real estate, personal property and income. The valuation for the years 1909 and 1910 are as follows:

REAL ESTATE	
1910.....	\$2,881,210
1909.....	2,772,143
Increase.....	\$ 109,067
PERSONAL PROPERTY	
1910.....	\$1,472,647
1909.....	1,445,438
Increase.....	\$ 27,209
INCOME	
1910.....	\$389,025
1909.....	376,615
Increase.....	\$ 12,410
TOTAL VALUATION	
1910.....	\$4,742,882
1909.....	4,594,196
Increase.....	\$ 148,686

There has also been an increase in the number of polls. Last year polls numbered 1,760. This year they number 1,802, an increase of 42. It is expected that the tax notices will be issued about the usual time, August 15th. The customary period for discount will also be given.

## ALD. H. C. JEWETT INJURED AT TROTTER PARK

Attempting to Stop Horse was Knocked Over and Dragged Quarter of Mile Able to be About.

Ald. H. C. Jewett had his left shoulder and side severely bruised and torn at the Fredericton Trotting Park this morning when a colt belonging to Mr. George Moore, of this city, dragged him a quarter of a mile on the track. Dr. VanWart was summoned and attended Ald. Jewett. The injuries are painful, but the alderman is able to be about.

Ald. Jewett was driving the colt this morning and, something after eight o'clock, proceeded to the trotting park, where some work on the track was in progress. He got out of the carriage to direct operations, and the colt started off. Mr. Jewett caught the reins in an attempt to stop the horse, but was knocked over by the animal, which started off at a fast rate. Mr. Jewett kept his hold, however, and was dragged half way round the half-mile track. When the animal was stopped, it was found that the alderman, besides having his clothing torn, was severely shaken up, torn and bruised as mentioned before.
