THE FIGHTER WHO DID NOT FIGHT

"AL" KAUFMANN.

Al Kaufman, the big Californian, who has ambitions of challenging Jack Johnson, for the world's championship, has had hard luck with his matches lately. He was to meet Sam Langford at Philadelphia the other day but Sam wanted to see more

money before he would fight. That is one story. Another is that Sam was not in shape to fight and backed out. Kaufman was again booked to fight Bill Lang Tuesday night, but the authorities refused to permit the bout.

RAIN STOPPED TODAY'S DOUBLEHEADER WITH WOODSTOCK

That Team Will be Brought Here Next Week—Possibly For Two Days.

The double-header between Woodstock and Fredericton booked for this afternoon has been called off on account of the heavy rain. The Woodstock team after trimming Calais on the Calais diamond yesterday left for Fredericton this morning. The manager of the Woodstock team wired from Watt Junction to know if the game were called off and Manager Smith of the locals headed Woodstock off at McAdam.

The two Finnermore boys, Tom Howe and Donnelly came here from St. John to play for Fredericton and will return today. It is a pretty sure thing that Woodstock will be here next week possibly for two days. The date will depend on the games in St. John as the locals want that Fredericton—St. John contingent to brace their team up.

WOODSTOCK SHUT CALAIS OUT BEFORE 2,500 POEPL

Winners Played Errorless Ball—Peasley in Box and Neptune in Field Played Great Game.

St. Stephen, N. B., Aug. 18.—Over twenty-five hundred people saw great ball played on the Calais diamond this afternoon when Woodstock met Calais for the rubber in a series of three games. Calais had shut Woodstock out in the first. Woodstock scored three and Calais one in the second and today the mighty Peasley and his supporters shut out Calais five to nothing.

The batteries were Peasley and Wilson for Woodstock, Ryan and Cobb for Calais. The other most prominent player on the field was Woodstock's Indian, Neptune. Peasley only struck out six men to Ryan's ten, but the hits of the men from Buckwheat land were ineffectual and numbered only one or two safe ones. The Woodstock end of the game was played without an error and Calais had very few.

Not until the sixth inning did a Calais man see first base. Spinney reached it on a tap by a pitched ball but was out at second. Cobb also got first in that inning, but died there. In the ninth Chism walked and reached third giving Calais its only hope for a score but Murchie fanned and was the third man out. Woodstock brought the strongest aggregation of ball players that was ever seen on the border. For a losing team Calais put up wonderful ball, never conceding an inch until the last attempt at bat had been made. A very large amount of money changed hands on the result. Woodstock made two runs in the third, two in the fifth and one in the seventh. E. Doyle was a satisfactory umpire.

In some practice ball on the St. Stephen diamond this evening, Stevens, a new recruit on the Thistle team, was severely injured by a batted ball and at the time of writing has not regained consciousness.

WILL SANDY BE GOOD

George Little, the new manager of Sandy Ferguson, writes to the Boston Globe to say that he has made elaborate plans to get Sandy right to meet Jack Johnson, whom both despise. He is going to put Sandy on a farm in Ohio and train him. That sounds good, but Little wants to figure how he is going to keep Sandy on the farm, away from his old haunts, and make him train. None of Sandy's other managers have had much luck in doing that. Little is going to challenge the win-

RACING AT BATHURST TRACK ON WEDNESDAY

Two races took place, a 2.20 trot and pace for which a purse of \$100 was offered and a 2.35 trot and pace for a \$50 purse. Both races were well contested, the track record of 2.22 for the 2.20 race being lowered to 2.20½ by Claudia Hal, with Driver McGowan up. The following is the summary of the races:

2.20 TROT AND PACE—PURSE \$100.

DUBUQUE PITCHER'S REMARKABLE FEAT

Davenport, Ia., Aug. 18.—Pitcher Faber of the Dubuque team of the Three I. Baseball League today did not allow a hit and did not let a Davenport player reach first base in the nine innings played. This feat has been accomplished but few times notably by Cy Young pitching for Boston against Philadelphia in 1904 and by Addie Joss pitching for Cleveland against Chicago in 1908.

The trick was first turned by Galvin of St. Louis in defeating Detroit in 1876. It was duplicated by Lee Richmond of Worcester against Cleveland in 1890 and by Ward of Providence against Buffalo in the same season.

ner of the Lang-Kaufman bout to meet Ferguson for \$5,000 a side. If Sandy should win over either of those boxers, Little says that he will match him against Jeannette, and that if his man continues winning he will challenge Johnson.

It is a good chance for Sandy, but the question is, Will he follow out the plans? It is good betting that he will back away, as usual.

The dull season in the boxing game does not seem to have affected Porky Flynn's bank roll, as he has bought a fast motor boat.
Big Larry McLean, the baseball catcher, who once had an idea of going after Jeffries and Johnson, has given it up.
