Borden, of Hglifax, who is to examine the teachers in physical drill will be unable to be here before that day. Yesterday afternoon a group photo of the teachers' class, the instructors and officers of No. 3 Regimental Depot was taken on the Officers' Square.

LIKELY TO APPEAL

The "peanut" case was again postponed today but it is understood that a fine will be struck against the defendant James Apostolos. Some attempt at a compromise has been made Apostolos offering to leave the city if the license-fee is refunded to him. He is not likely to get the money and it is likely the case will be appealed.

PAY YOUR TAXES.

Thursday of this week is the last day for paying taxes in order to receive the benefit of the five per cent. discount allowed by law. There has been quite a rush at the treasurer's office this week and it will be continued tomorrow and Thursday. For the convenience of the public the treasurer will be at his office on Thursday evening.

PROVINCIAL CATTLE IN DEMAND

New Brunswick cattle are coming in for considerable notice these days. Prof. James McLay, of the Wyoming State Agricultural College, has bought in the district about Sussex (N. B.), for the Wyoming agriculture department, four pure-bred dairy cattle. He bought a Jersey bull and heifer from Walter McMonagle, a young female Jersey Ayrshire from Frank Roach. The animals were obtained to improve the types of cattle at the Wyoming State Farm, Canadian Farm.

SAW LOTS OF GAME

Mr. Harry Braithwaite, who has been on a three weeks' trip to the Miramichi woods accompanied by his daughter, Mrs. Culligan, Mrs. Annie Collins of Marysville and Master Harry Culligan returned home at noon yesterday. The party saw upwards of fifty moose during their absence and a great many deer. Mr. Braithwaite says that deer have become very plentiful in the Miramichi country during the past few years, and are a source of constant annoyance to farmers. He thinks that it is a mistake for the government to exact a license fee for the privilege of shooting deer.

KENNETH BROWNLOW HARTLEY.

After a very short illness of only a few weeks, Kenneth Brownlow Hartley passed to his rest yesterday, Monday August 15th, at his home on Saunders Street where he had lived with his aunt, Miss Annie Cunliffe from childhood.

Up to within a few weeks he was in apparently excellent health, but a short time ago, hemorrhages began to occur, and he failed rapidly. Young Hartley is widely known among the boys of the High School, which he was attending up to the end of the term and was also known and highly esteemed throughout the community. He was a member of the Church of England and a regular communicant and worshipper at the Parish Church. He was also a member of the Rector's Bible Class and of the Parish Church Brass Band, and by his pure moral conduct his faithful religious life, and his gentlemanly behavior has won the esteem and admiration of all who knew him.

He will be buried from the Parish Church tomorrow, Wednesday afternoon. The funeral will leave the house at 3 o'clock and will be accompanied to the church and rural cemetery by the Parish Church Band, under the direction of their instructor, bandmaster Offen. The deepest sympathy is felt by the whole community for the bereaved relatives.

Ald. Charles S. Everett of St. Andrews is in the city today.

BODY OF GEORGE LOUNSBURY FOUND AT OROMOCTO WHARF

Crew of Dredge Asp First Observed It --Funeral Here This Afternoon-- Inquest Ordered.

The body of George Lounsbury who met a tragic death off Thatcher Island, near the mouth of the Oromocto River on the night of May 27th, was found shortly before nine o'clock this morning at Oromocto wharf. The remains were viewed by Coroner Perley of Manguerville and will be brought to the city this afternoon and interred at the Rural cemetery. There will be a short service at the residence of the parents of the deceased, Mr. and Mrs. John Lounsbury, York Street. Rev. C. P. Wilson will conduct the service. The funeral will take place on the arrival of the body, which is expected at five o'clock.

DREDGE RAISED BODY

Capt. Ring of St. John, of the dredge Asp, and members of his crew first observed the body floating face downward a short distance from their dredge. The latter was working a short distance above Oromocto wharf and it is supposed, caused the body to come to the surface. Walter Logue and George Bryson both of Oromocto towed the body to the low-water wharf where it was made fast. Coroner George Perley of Manguerville, was informed of the discovery. Mr. W. E. Farrell of this city, with whom the deceased had been employed was communicated with by telephone and relatives were also informed.

Arrangements for burial were at once made. At first it was intended to send a tug to bring up the body but this was found impossible and an undertaker went to Oromocto.

INQUEST ORDERED.

The clothing on the body corresponds to that worn by Lounsbury at the time of the drowning and there is no doubt but that it is the body of that unfortunate young man. Coroner Perley has ordered an inquest and enpanelled a jury this afternoon. It is expected that the jury will view the body and the inquest will be adjourned until a later date.

Mr. John Lounsbury, father of the deceased, left the city on business this morning but will be summoned back.

THE CROWNING.

George Lounsbury was drowned late on the night of Friday, May 27th. He was one of a party of twenty-five young people who had gone from this city to Oromocto on a pleasure-sail, using a scow, towed by the tug Allen Sewell, for the purpose. Lounsbury fell from the stern of the scow and was never seen alive again. His body was discovered this morning a short distance below where he is supposed to have been drowned.

THE LAST CAST

Local anglers have been having fine sport at the Hartts Island salmon pool during the past few weeks and regret that their fun is over for this year. Yesterday for a grand wind up. Mr. Harry Chestnut and Capt. du Domaine each caught two grise and Mr. Harry Atherton one. There have been altogether fifty salmon and grise taken from the pool this year by fly-fishermen. Mr. R. M. McCunn was the "high liner" and Mr. H. G. Chestnut caught the largest fish, a fifteen pounder.

JOHN RYAN, FORMERLY OF THIS CITY, KILLED AT GRAND FALLS

Met Death By Dynamite Explosion--Son of Timothy Ryan of Oak Settlement.

A telegram received by Rev. Father Carney last night contained the intelligence that John Ryan of this city had met his death at Grand Falls, late yesterday through an explosion. The message contained no particulars Search for relatives of the man mentioned led to the discovery that the victim of the accident was a son of Timothy Ryan of Oak Settlement, and a brother of James Ryan of this city. The deceased had been employed for some time at Grand Falls, running a steam-drill. The message was given to James Ryan, who got into communication with Grand Falls. He left for that place this morning.

The late John Ryan is survived by a widow and several children. He has not been a resident of Fredericton for some years, having made his home of late in Bangor, Me. He has a brother, William, residing in Nova Scotia.

DETAILS OF ACCIDENT

The following special despatch to The Mail from Grand Falls gives the details of the accident:

Grand Falls, Aug. 16--A sad accident occurred here last evening about seven o'clock in which a Fredericton man, John Ryan, employed with the firm of Johnson Bros., contractors, lost his life in an explosion of dynamite. He was doing some work in connection with blasting and was working over a stick of the dynamite while smoking a pipe, but it is not known exactly whether this had any bearing on the accident or not.

The dynamite exploded and Ryan was thrown some distance into the air, his body badly mutilated, one leg being blown off.

Dr. Puddington was called, but the man was beyond the power of a physician and in a very few minutes had breathed his last. He had been in Grand Falls about two years, he was about thirty-five years old. The body is still being cared for here, but it will probably be taken to Fredericton for interment. An inquest was held last evening and a verdict of accidental death returned.
