ALFIE LYNCH SHOWED UP STRONG AT WATERBURY

Canadian is Expected to Make Good—Frankie Mantell and Dixie Kid is Another Fake.

Alfie Lynch, formerly of St. John, where he was associated with the late Hazen Campbell as his manager, has been heard from again. On Thursday he appeared at Waterbury, Conn., in a fast bout in which he had everything his own way.

The Boston Globe has the following concerning Lynch's bout: "Pat Callahan failed to show up, but sent a substitute against Alf Lynch, who did well for four rounds and who is still a dark horse. Lynch forced the fight so that the police stopped the bout in the ninth."

Concerning the other bouts called off the same evening, The Globe says: "In the main go, which was to be for the welterweight championship, Frankie Mantell and Dixie Kid, who pulled off a rank fake with Willie Lewis in New York last week, attempted to duplicate it, but the Waterbury crowd objected, and the bout was declared off in the fourth round."

"The men kicked for money, and on the refusal of Fitzgerald to continue as referee, the matchmaker, George Milligan, said he would referee if they would fight. Their third attempt was no better. Mantell and Dixie Kid got nothing and were lucky to escape with their lives."

"Bunny Ford and Fighting Joe Hyland fought twelve rounds. It was Ford's fight all through. Phillie McGovern struck a snag in Bunny Volz, who showed real championship class. The boys fought six rounds to a draw."

HAMILTON-TORONTO GAME TODAY FOR THE CHAMPIONSHIP

Hamilton, Nov. 25.—Dumoulin drilling the Tigers in grueling practices every day, 'varsity money flowing in like water to wager on the collegians at 2-1; a rooters' club organized, the department stores stocked up with yards of yellow and black colors, the merchants petitioning for a military guard to assist the police in protecting property—these are a few of the incidents that combine to throw Hamilton into a furor of excitement over the approaching championship game. The city is football daffy. Everywhere you go you hear them discussing the Tigers' chances. Business will practically be suspended here tomorrow afternoon.

The thing that is flustering the Tiger fans is the way 'varsity money keeps pouring in here to bet at odds of 2-1. Yesterday a local hotel man got \$500 against \$1,000 on the Tigers. The Yellow and Black supporters can offer only one explanation and that is that Toronto has taken the downfall of the Tigers in Toronto a week ago Saturday, too seriously.

PICKS THE TIGERS.

Ottawa, Nov. 25.—Discussing the Dominion rugby final, which will be played at Hamilton, tomorrow, Jack Williams, the Ottawa centre half-believes there will be a lot of people fooled after the game is over. Jack has a distinct hankering for Tigers, and were he speculating on the result he would surely cast his roll on the boys from Jungletown.

Williams has played both intercollegiate and big four football for some years, figured in the final last year against 'varsity, and knows Tigers' ability about as well as anyone connected with football.

But Williams isn't the only one to pick Tigers. Nick Bawf, the former back field star on the Ottawa College team, calls Tigers. It is well known all the intercollegiate and big four teams perform this season, looked upon Tigers as the prospective champions. He does not count 'varsity as being up to last year's strength, and what's more, does not believe that the blue and white are the team McGil is.

KNOCK OUT IN PRESQUE ISLE HAS FATAL RESULT

Billy Dunning Never Regained Consciousness After Jack Leon Put Him Out—Had Met Johnson.

Bangor, Me., Nov. 25.—Billy Dunning, the heavyweight pugilist, who was knocked out by Jack Leon in the fifth round of a bout in Presque Isle Thursday night, died at two o'clock this afternoon, in the office of a physician in that town, never having regained consciousness.

Coroner George H. Moers, of Ashland, Medical Examiner S. W. Boone, Sheriff Thurlough and others will hold an autopsy Saturday morning, and the case will be thoroughly investigated. It is said that Dunning was in no condition to fight and that the match should have been called off.

Dunning has been a familiar figure in Maine boxing circles for some years. He came from Caribou and has lived at various times in Millinocket and Portland, in which latter city he leaves a family.

Portland, Me., Nov. 27.—Mrs. Wm. Dunning, wife of "Billy" Dunning, a prize fighter well known in Maine, received a telegram today stating that her husband had died as a result of injuries received in a fight with Jack Leon, at Presque Isle, Thursday night. No particulars were given. Dunning had been making his home at Millinocket. He once fought Jack Johnson on an occasion of the present champion's visit to Maine five years ago.

Buffalo, Nov. 25.—George Hackenschmidt, the Russian lion last night met Zbyszko, the Pole, in a handicap match the conditions of which required the Russian to throw his opponent twice in one hour.

He failed. It was a repetition of the match a year ago between Frank Gotch and Zbyszko. Hackenschmidt was always back of his man, but could never get his shoulders to the mat.

EVEN MONEY ON NELSON-MORAN GO

San Francisco, Epy. 25.—Several features in connection with the Battering Nelson-Moran bout, to be decided in the Cofroth arena tomorrow afternoon, have combined to attract to the affair more than the ordinary amount of public interest. In the first place the contest will be the first fistic event of any consequence that has taken place in this vicinity in some time. Then, too, the result is expected to show conclusively whether the former champion light weight has any chance to "come back" Nelson has completed his training, and declares confidence in his ability to defeat the game little Britisher.

The latter likewise has finished his work of preparation, and appears to be in shape to keep the Dane going from the first tap of the gong. The bout is scheduled for twenty rounds. Betting to-day is at even money.

DAN McDONALD WAS HURT AND LOST TO ANDERSON

Cape Bretoner Got First Fall in 57 Minutes—Anderson Got Second in 30 Minutes.

Moncton, Nov. 25.—The wrestling match here tonight between Sam Anderson, world's middleweight champion wrestler, and Dan McDonald, of Cape Breton, for the championship belt and \$500 purse, went to Anderson. Each man had a fall to his credit, but McDonald was injured in the last fall and was unable to continue.

More than 1,000 people witnessed the match, which surpassed any previous event of the kind seen here. After struggling 57 minutes, 16 seconds McDonald got the first fall on a half-Nelson and bar hold. Thirty minutes later Anderson threw McDonald with half-Nelson and block. McDonald was thrown heavily on his left arm and shoulder and was unable to continue. Referee Danny Smith awarded the match to Anderson, who retains the belt and got \$400 as his end of the purse.

Anderson showed superior science and had McDonald in difficult positions many times, the Cape Breton man saving himself by his great strength. Anderson will return to Boston tomorrow.

HALIFAX BANQUET FOR COACH PAISLEY

(Halifax Herald)
The result of the Acadia-Mount Allison football play-off at Truro gives the trophy to the boys from Sackville for another year. Acadia, contrary to expectation, was unable to stand the grueling pace and failed at the crucial test. The result was not a big surprise, although perhaps Acadia was a little the favorite in Halifax. Those Mount Allison fellows are a gritty bunch and never know when they are beaten. The writer has seen them pull more than one game out of the coals at the last moment, and this spirit has won another championship for them. Mount Allison is now happy, but in the midst of her rejoicings she should not forget the services of her coach, Herb Paisley. To him belongs the principal credit, and Mount Allison without him directing her squad, would be almost at sea. As a football strategist and trainer, he is without a doubt the best this side of Montreal, and Mount Allison's victory is in many respects a tribute to his skill and methods.

GRAND FALLS MAN BATTLES WITH A BEAR

(Victoria County News)
In becoming the possessors of a bear skin taken from the largest bear ever shot in Eastern Quebec, Frank Price of Grand Falls had a narrow escape from death while hunting at New Perth, St. Perpetue, Quebec, on Saturday, Nov. 12.

The monster bear had floored Price and seized him by the shoulder when Price's companion, John Cox, a merchant of New Perth, dropped from his position in a tree and by kicking the bear from behind drew the animals' attention to himself, allowing Price to rise to his feet and secure the rifle he had dropped.

While Cox in turn set the pace for bruin in a foot race, Price shot the animal but not until it had seized Cox by the foot as he was endeavoring to climb a tree.

The two men were on the trail of a deer several miles from camp when they came upon the tracks of a bear, which by their size they knew must have been made by an animal of unusual proportions. The trail led them to a cave in a cliff and as they were considering the next move they were horrified by the sudden appearance of the animal, who rushed upon them with their hair on end and foam flying from its mouth.

Cox immediately sought refuge in a tree, but as Price tried to flee his foot slipped and in an instant the monster was upon him. He seized Price by the shoulder and was dragging him in the direction of the cave when Cox slipped down from his perch and kicked the bear heartily in the rear.

Price bore marks of the encounter but was not severely injured.

An obstinately fixed glass stopper which not only resists force but also the usually prescribed hot cloths, should be treated with sweet oil the rim of the stopper. Let it by putting a few drops of oil around stand a short time and then the stopper can be easily removed.

STANDARD OIL PEOPLE MAY BREAK STOCKS

Wall Street, Nov. 25.—Has Standard Oil missed its market? This question is beginning to be asked in Wall Street. The understanding is that the Rockefeller group of financial corporation activity of the government, greatly perturbed by the anti-corporation activity of the government and by the suits against their own enterprises, many months ago made up their minds that trouble must be expected. Accordingly they started to reduce their holdings of securities.

They found a better market owing to the bullish activity of the Morgan interests than had been anticipated. As 26 Broadway's load has been lightened, more and more money has been available for lending in the call and time money market.

The expectation is that nothing radical will be done yet awhile, indeed, it is thought probable that no coup will be attempted until the Supreme Court decrees what shall be done to the Oil Trust. That uncomfortable possibilities exist, however, is coming to be realized.
