Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.

## Acadia and Mount Allison Played Tie Game at Wolfville Yesterday

Reid Kicked Penalty Goal For Acadia in First Half--Cochrane Scored Try For Mount A. in Second Half but Failed to Convert--Acadia Protested Try and Declined to Play Overtime to Decide Game--Play Off in Neutral Place Required by Intercollegiate Rules.

ACADIA 3, MT. ALLISON 2.

Wolfville, Nov. 16—Thus ended the great football game for the intercollegiate championship this afternoon. The two thousand spectators who witnessed the contest received full value for their money, as it was a struggle crammed full of excitement from the beginning to the end.

This game was looked upon as the most important football game in eastern Canada, and over two hundred strangers were in town for the occasion. The Mount Allison team brought almost a hundred rooters with them, and old Acadia students were present from all parts of Nova Scotia. Acadia played with the same team that trimmed U. N. B. Her halves were faster and more aggressive than the Allison backs, but they did not have as many opportunities to rush matters as their opponents for the Mount Allison forwards were better heelers than the garnet and blue. Especially in the second half was this very evident.

Mount Allison's quarters are good, but they found their equals today. Acadia made a change in her formation, playing three quarters instead of two. Buckley of Mt. Allison was easily the star of that aggregation, but he was watched so closely by the Acadians that it was impossible for him to indulge in his usual plays. Acadia's halves did not have an opportunity to try any of their trick plays, nor did they get away on any of their usual long combination runs.

### FIRST HALF

Mount Allison kicked off to Acadia's ten yard line. Reid started off for a run but was tackled. From a scrimmage on the garnet and blue's quarter line Richmond got the ball and after a short gain passed to Kaiser, who made a beautiful run for thirty yards. In a few seconds MacDonald punted to Mount Allison's ten yard line. From a mix-up Mt. Allison was awarded a free kick. Cochrane sent the pigskin to Acadia's twenty-five yard line and from there it was dribbled to the garnet and blue's ten yard line.

From a mix-up on Acadia's twenty-five yard line McDougall attempted a drop kick for goal, which was unsuccessful. MacDonald kicked the ball over the dead line. Reid kicked a long drop from the twenty-five yard line and Trapnell returned the compliment.

From a scrimmage on Mount A's ten yard line the garnet and blue were awarded a free kick, making a gain of forty yards. Play was now carried on between Mount Allison's twenty-five and ten yard lines and Mt. Allison were working like demons to prevent Acadia from scoring from a mix-up on the garnet and blue were awarded a free kick.

### SCORE ON PENALTY KICK

It was at a very difficult angle dead against the wind and few there were who thought that Reid could succeed in sending the pig-skin between the posts, but with one of the prettiest kicks ever seen here he sent the ball flying over the cross bar drawing the first blood of the day. Mount Allison set a terrific pace after this and tried harder to score, but to no avail and the Wolfville boys came back faster and stronger than ever and again rushed matters towards the Mt. Allison goal. Buckley got the ball on the half line and got away on a nice run only to be tackled in his tracks.

The Allisonians were awarded a free kick at this point and gained thirty yards. Shortly after this they were awarded another penalty kick on Acadia's twenty-five yard line. It was an easy angle but Cochrane did not connect. Shortly after the drop from Acadia's twenty-five yard line Buckley was hurt but resumed play after a few moments. Play was in centre field now and both teams were fighting hard for an advantage.

Reid heeled the ball on Acadia's quarter line and made a gain of thirty yards. Shortly after this Mt. Allison was awarded a free kick which Reid returned. Mount Allison was awarded another penalty kick two minutes later which Richmond blocked. Mt. Allison was setting a killing pace now but the garnet and blue put up a grand defensive game and withstood the attack. This half ended with the play in centre field. Acadia 3, Mount Allison 0.

In this period play was about even. Acadia's forwards worked finely and showed up equally as good as

### THE MAIL LEADS

The first authentic, and full account of yesterday's game at Wolfville, was received by The Mail fully an hour before any other. Mr. H. F. S. Paisley, coach of the Mt. Allison team, sized the game up for The Mail as follows:

Wolfville, N. S., Nov. 16—(Special)—Today's game ended unsatisfactorily with the score a tie at the end of time, Acadia refused to play off and the game was called. Mt. Allison challenged Acadia to play on any neutral field, but Acadia had not so far decided. Acadia had slightly better of first half and scored 3 on penalty kick. In the second half Mt. Allison had the advantage nearly all through and Cochrane crossed the Acadia line for a try which he did not convert. When the play ended the ball was at Acadia's 15-yard line with Mt. Allison smashing through for gains in every place. Acadia's back line excelled in punting, but the whole team was inferior to Mt. Allison in tackling.

### MUCH INTEREST HERE

Keen interest in the outcome of the Acadia-Mt. Allison game was displayed here by followers of football and graduates of the two colleges concerned. A flash over Western Union wires gave the score without details. Later a message to H. G. Deedes of the University of New Brunswick A. A. A., asking for an interpretation of the rules concerning tie games caused a rumor that Mt. Allison had won by forcing Acadia to touch down for safety.

### RULES RE TIE GAMES

The rules of Intercollegiate Rugby governing tie games are: Rule 4—That in case of a tie game the team forcing their opponents to make the greater number of safety touches shall win the game by one point. Rule 6—That in case of a tie for the cup the two teams tying shall play off in a neutral place.

Mount Allison's. The garnet and blue halves fumbled considerably. The quarters on both teams were on the ball all the time.

### THE SECOND HALF

Acadia picked up in the second half sending the ball to Mount Allison's twenty-five yard line. Trapnell fumbled and a scrim took place on the Mt. Allison quarter line. Mount Allison was given a free kick a few seconds later making a twenty yard gain. Andrews received a pass on the half line and zigzagged through the whole visiting team with the exception of the full back. As the fleet Acadian neared Trapnell everyone held their breath, a score looked sure, but the Allisonian brought Acadia's half down with a thud. Andrews' run was the most spectacular play of the day and he was loudly applauded. The garnet and blue kept the ball on Mount Allison's ten yard line now and worked like tarts for a score.

Rush after rush, pass after pass, but all without success, Mount Allison relieved the situation with a long punt which Reid heeled on Acadia's twenty-five yard line. Play was in the centre of the field for a few seconds, with the Allisonians rushing matters towards Acadia's goal. On the Acadia twenty-five yard line the New Brunswickers were awarded a free kick. It was not a difficult position but Cochrane's attempt at a place kick was a failure as Richmond blocked the ball the second it left his boot.

After the kick play was on Acadia's ten yard line and Mt. Allison rushed matters harder than ever to score but again Acadia held the fort. Mount Allison was given a free kick on Acadia's 25 yard line but once more the Allisonians displayed their poor kicking ability.

The Wolfville boys commenced to rush matters now and the halves got away on a nice combination run, gaining 30 yards.

Acadia was awarded a free kick at mid field, after which both full-backs indulged in an exchange of long punts, until Reid sent the pigskin into touch at Mount Allison's twenty-five yard line. Buckley was working hard now, but Acadia's quarters scarcely allowed him to gain five yards at a time. Play was taken to Mount A's 10-yard line, where Acadia almost scored. Several punts took place until Mt. Allison kicked the ball into touch on Acadia's twenty-five yard line.

From a throwout, the Allisonians dribbled to Acadia's 5-yard line, but MacDonald saved the situation by kicking the ball into touch.

### MT. ALLISON SCORES.

On Acadia's twenty-five the New Brunswickers were given a free kick and McDougall tried to drop for goal. The ball went under the cross-bar and rolled to the side of the field, where it became mixed up with the spectators. It remained there several seconds, bouncing from one person's knees to another's, until before anyone realized what had happened, Cochrane dropped on it and Mt. Allison had scored.

Acadia protested, but the referee said that in cases where the ball becomes mixed in with the spectators and a try is scored, the visiting team has to be given the benefit of the doubt.

Cochrane's attempt to convert was unsuccessful.

### ACADIA WORKS HARD.

The Wolfville boys worked like tigers now and set a pace which fairly took the visitors off their feet. From the kickoff they carried the ball to Mount Allison's quarter line. The half backs participated in some sensational long passes and Kaiser dribbled to Mt. Allison's 10-yard line and almost scored.

### PLAY OFF LIKELY.

During the remainder of the game play was mostly at centre field, and between Acadia's twenty-five and ten yard line. Despite the determined efforts of both teams to score was made and the great struggle for the intercollegiate championship resulted in a tie. Mount Allison wanted to play off but Acadia declined. It is quite probable, however, that the game will be played off on neutral grounds. Kaiser of Acadia, played against the doctor's orders.

Capt. Roglison, who hurt his ankle in the U. N. B. game, was out with the garnet and blue today, and certainly did work hard. McKean of Mt. Allison, played with a sore ankle and put up a plucky fight. Buckley of Mount Allison, hurt his head in the game and is under the care of the doctor. Taking the game as a whole, one team had equally as much of the territory play as the other, and it would be hard to find two more evenly matched football teams in the world. Dr. Destredes of Halifax, refereed satisfactorily.

The visitors were given a reception by the A. A. A. tonight. The line up was as follows:

Mount Allison	Acadia
Fullback	
Trapnell	Reid
Halves	
Godfrey	Kaiser
MacDougall	Andrews
Milford	Porter
Smith	McDonald
Quarters	
McKean	Black
Buckley	Richmond
Dickens	Webster
Forwards	
Fitch	Lawrence
Brooks	Parker
Spurr	Cortmore
Spencer	White
Eaton	Glendenning
Robinson	Peacock
Pineo	Moore

### ZBYSZKO FAILED IN MATCH WITH LEMM

Portland, Me., Nov. 16—In a handi-cap match tonight Or. Stanislaus Zbyszko, the Polish wrestler, failed to throw Frank Lemm, of Switzerland, twice in 45 minutes. He did not gain a fall, and the match was awarded to Lemm.

### DOOLAN WILL NOT BE TRADED FOR HOBLITZEL

Philadelphia, Nov. 16—By way of sealing the deal between the Philadelphia and Cincinnati National league baseball clubs, Charles Doolan, manager of the Phillies, yesterday announced the makeup of his team for next season and incidentally put a spike in the rumor that "Mike" Doolan was to figure in a trade for Hoblitzel, the Reds' star first baseman.

"Not a chance for that in the world," said the Phillies' manager. "You might just as well cut me as to think of a trade for the best short stop in the league, bar none. Take it from me, there is nothing doing on that score."

Asked as to whether he would utilize his new men or use them in connection with a later trade for other players, Doolan stated emphatically that Lobert, just secured from Cincinnati, would play third base and that Paskert would play center field. "I will hold on to Beebe, whom I think will do good work for us. Rowan I look upon as one of the pitching stars of next year. He did not get a chance in Cincinnati. We will give him all the opportunity he wants to make good."

It can be stated almost officially that the Phillies' lineup next year will show Capt. "Mike" Doolan at short. Otto Knabe at second, Lobert at third and Bransfield at first, completing the infield. Magee again will figure in left. Paskert in center, with Titus covering right field, unless "Stent John" fails to beat out some of the new and faster men named for the position. Doolan expects Rowan Brennan, Humphries and Chalmers to help out the veterans in the pitching

### AL KUBIAK HAD AN EASY TIME WITH COTTON

Pittsburg, Pa., Nov. 16—George Cotton, the negro protege of Jack Johnson, was badly beaten last night at the end of six rounds in the Union club, where he met Al Kubiak. Cotton was holding on, apparently badly scared as well as badly whipped, and it would not have taken another full round for Kubiak to have put the colored man out.

Cotton fought with exceeding care for the first five rounds. Kubiak in the sixth round put it all over the startled Cotton before he could get started. He smashed Cotton against the ropes with a right-hand blow which almost put the colored man down and followed this with a battering of the ribs which made Cotton look as if he would like to jump out of the ring.

Jimmy Breen of Lewiston has been substituted for "Shadow" McCormick in the preliminary bout at the Auburn A. C. Friday evening. The main bout will be between Tommy Bergin of Augusta and Johnny Stewart of Bangor.
