TORONTO WINS FROM MONTREAL AT LACROSSE

Toronto, June 12.--At Scarborough Beach in a pouring rain Saturday, Toronto beat Montreal in the national lacrosse series by six goals to three. Toronto took a lead of three early in the game and held Montreal outside the nets until the last quarter, when the visitors score three and tied the score. In the overtime the Totontos scored three more.

Baltimore, Md., June 11.--The University of Toronto lacrosse team defeated the John Hopkins University alumni team by a score of five to two. The game was played in the mud.

EASTERN LEAGUE GETS NATIONAL PLAYERS

New York, June 11. President T. W. Lynch, of the National League of base ball clubs, today announced the release by Brooklyn to Montreal of George H. Hunter, and by Cincinnati to Buffalo of Mike Konnick and Arthur McCabe.

NATIONAL COMMISSION WITHDRAWS PROTECTION

Cincinnati, June 12.--The protecting arm of the national baseball commission no longer hovers over semi-professional baseball players. Rule 5 prevented any major of minor league from signing semiprofessional players without coming to terms with the semiprofessional club management. This rule was rescinded today.

In a finding handed down by the commission the claim of Richard T. Carroll, formerly of the New York Americans, now of Toronto, Eastern league, was disallowed. The player will be compelled to pay \$140 to the Toronto club.

Washington is bound to get a fine ball team if hustling will do it. The club has four scouts on the road and the club is paying big prices for the men wanted.

MONTREAL HORSES MAY RACE HERE

It is understood that there are several Upper Canadian stables which will campaign the Maritime Circuit this season. They are located in and around Montreal and will make their start in the Maritime Provinces at the local track. If the Montreal horses do show up here it will be the first of an Upper Canadian "invasion."

FRANK NEBRICH IS READY FOR LONGBOAT

Toronto, June 12.--"If Tom Longboat is so anxious to air his legs in a match with me, as Sol Mintz declares" said Frank Nebrich yesterday replying to the challenge issued by the Hamilton man on behalf of the redskin, "then he cannot make it too soon, but I want something to say about the distance myself." Nebrich has been invited to appear in a fifteen-mile race on Dominion Day at Sunderland, Ont., in which Hayes, Meadows, Sellen and others will run, and he has also been asked to enter the New York Marathon, to be run on July 2 in the big city. Nebrich will probably tackle the New York race.

CLIPPERS WIN ANOTHER, BOONE SHOWS UP WELL

In St. John Saturday afternoon with Boone in the box the Clippers pitcher made six of the St. Johns fan and had also one put-out, one run and five assists to his credit. In four hits he got oae hit, a three bagger. Four balls off his delivery. At second base George Finnmore had three put-outs and two assists. He failed to hit safely however.

In the Inter Society League, St. Peter's won from St. Joseph's 5 to 3. Collaghan of St. Joseph's formerly of this city collapsed during the game and was replaced.

Jack (Twin) Sullivan has accepted terms to meet Ed. McGoorty in Milwaukee July 4.

MUST NOT USE BAD LANGUAGE

President Lynch, of National League, After Profane Ballplayers--Two Umpires Fined.

New York, June 11.--President Lynch of the National League, intends to wage a vigorous warfare on players who are guilty of using bad language on the field.

"Most of the men I have suspended this year," said President Lynch today, have been disciplined, not for arguing with the umpires, but for cursing at them. Had some of the remarks of the players to the referees been made in the south or west great trouble would have ensued.

"I intend to break up this habit of having players call the arbitrators bad names and I will go the limit to discipline the next who offends. I also will not stand for umpires talking back to spectators or taking it upon themselves to criticize newspaper men. My attention has been called to the fact that last Thursday on the Polo grounds here, Umpires Johnstone and Moran stood in front of the press box and made remarks about the baseball writers. For this breach of the playing rule Johnstone has been fined \$25 and Moran \$15.

EACH PUGILIST IS CONFIDENT HE'LL WIN

Ben Lomond, Cal., June 11.--Before leaving the Jeffries camp last evening for San Francisco with Choyynski with whom he will box in that city today, former champion James J. Corbett reiterated his belief that Jeffries is ready to go into the ring tomorrow if he had to and put up the fight of his life. After his bout with Jeffries yesterday Corbett turned to Mrs. Jeffries who had witnessed the three fast rounds and told her that she had no cause to fear the outcome of the coming battle. Corbett's opinion is shared by all the experts in the camp. Jeffries is rid of every surplus pound of flesh, is as hard as nails and ready to go any route he may be called on.

The visiting newspaper men have told Jeffries the impression prevails in the east that he has been doing very little hard work since he began training. The big fellow spoke warmly on that subject while undergoing his daily massage.

"Where do these people get that idea?" he demanded. "I have trained for too many fights not to know something about condition and it is the truth I never went into a fight feeling any better than I do right now. I am satisfied with the shape I'm in. When I was hunting in the Tehachipi Mountains there was not a day that I did not walk thirty miles over rough country and that took the weight off me without my knowledge. I will be ten pounds lighter in the ring than I am now. The drying out process will do that. What I have been doing lately is to build up my shoulders and to get my wind right and that's what I need most."

TAYLOR TRYING HARD TO STRENGTHEN RED SOX

Boston, June 12.--Pres. John I. Taylor has returned from his trip to Lenox Thursday afternoon, and has been a very busy man at the American league headquarters. He was in close communication with Manager Donovan and Hugh McBreen at Cleveland by long distance telephone. While he is satisfied that Hearne, the young infielder from the Bakersfield, Calif., club, will prove a good man, he is not taking chances, and is looking about for a young shortstop, fearing that Wagner may find trouble in getting into his old form raght away.

Gardner is suffering from lameness and must have a rest but Pres. Taylor says that with Speaker back in the game Engine can play second for a while and let Gardner out.

Pres. Taylor is very anxious to see the Red Sox as strong as possible when they reach Detroit next week, as that is the club he is anxious to help pull down. He said he had not tried to get Lee Tannehill from the Chicago club as he had heard that Tannehill was suffering with a lame leg, and he was not anxious to have any more cripples at the present time.

WHITE SOX SIGN NOTRE DAME PLAYER

Notre Dame, Ind. June 12.--"Red" Kelly captain of the 1910 baseball team, has signed with the Chicago Americans and will join the team next week. He will return to Notre Dame next year to finish his course in law and will coach the team.

GREAT SHOOTING RECORD

A foretaste of the record shooting that may be seen at Bisley this year was given recently when Sergeant John Tippins made 410 out of a possible 420, missing the bull's-eye apparently fewer than ten times in eight-four consecutive shots.

Under the new rules for Bisley, Sergeant Tippins used an aperture sight of his own invention on a rifle of service pattern. He was shooting in a North London Club competition under King's prize conditions, seven shots each at 200, 400 and 500 yards, and in four consecutive series at the three ranges scored 102, 101, 103 and 104. This is the first time that any man has made four scores of over 100 in a day.

BOXING GOSSIP

Jim Stewart and Tom Overby will clash in New York June 14.

Harry Lewis, who is abroad writes that he is going to stay away from the United States until he has won the welterweight championship of England.

Cy Smith and Johnny Dohan meet in Albany tonight. Abe Attell has accepted an offer to box Owen Moran in Los Angeles, June 24.

Willie Lewis and Frank Klaus will be matched in a few days to box in Pittsburgh or New York.

Mickey McDonough and Jack Fitzgerald have been matched to box in Philadelphia Monday night.

Matty Baldwin has been signed by his manager, Aleck McLean, to box Frankie Burns of California in Newark tomorrow night.

Bob Deady manager of Al Kaufman, the boxer, who is training in Jack Johnson's camp, writes from California that he figures Jeffries to win.

Some of the Boston sports figure that the majority underestimate the ability of Jack Johnson in guessing on the probable result of his match with Jim Jeffries.

It is likely that Stanley Ketchel will postpone his trip to San Francisco and remain in New York to meet Joe Jeannette at Tom O'Rourke's club in a couple of weeks. If he does stay east it would not be a surprise to see him boxing again at the Boston Armory A.A.

Timmy Kearns, the former Lawrence lightweight, died from blood poisoning in New York Thursday night. He was to be buried in a pauper's grave, but Terry McGovern and other boxers and sports in New York raised enough money to give him a proper burial. Kearns was born in Lawrence in 1876 and for a number of years was considered among the best lightweights in the country. For several years he had been out of the game.

DIAMOND DUST

The series which began on Friday, at New York with Chicago will have an important bearing on the National League race. The Cubs and Giants have been fighting tooth-and-nail for a fortnight, the Cubs to hang on to first place and the Giants to assume the lead.
