HEDGEWOOD BOY COVERED MILE IN 2.01 AT GALESBURY

Minor Heir and George Gano were Beaten by Him in Special Race.

Galesburg, Ill., Aug. 24—The opening day of the Great Western circuit here was marked by the favorites winning in straight heats but the feature of the day was the dash special race between Hedgewood Boy, Minor Heir and George Gano. It was won by Hedgewood Boy, the first quarter being done in .29½ the half in 1:00, the three quarters in 1:38½ with a strong wind blowing up the back stretch and the mile in 2:01. It was the fastest mile ever paced on this track in a race. Most of the distance Hedgewood Boy and Minor Heir were on even terms.

In the second heat of the Manufacturers' trot Dr. Trag crowded Henry H. and the latter went the mile in 2:07½.

In the 3-year-old class Lulu Arien was the best. The summary: THE MANUFACTURERS, TROT-TING.

WOODSTOCK PLAYS THE LOCALS THIS AFTERNOON

Fog Prevents Good Playing at St. John Yesterday
Woodstock Losing and Tieing--Peasley Pitches Today with Neptune at Short Stop.

The Woodstock team is here for two games with the locals, one this afternoon at four o'clock and the other tomorrow at three. The games will be the best of the season and as the local club's management is under heavy expense big crowds are necessary at both games. Peasley will twirl for the visitors having been laid off yesterday. Neptune the Indian wonder will play at short. The local team will be strengthened by the contingent from the Clippers and will put up the stiffest kind of game. Harry Blair and Jimmie Roberts will be the umpires and should handle the game so it will be run off quickly.

WOODSTOCK LOST IN ST. JOHN.

Woodstock lost 6 to 4 in St. John yesterday afternoon when the team went up against St. Peters. In the second game the score was 8 to 8 at the end of six innings. The Woodstock men say that they failed to win because they could not see the ball in the fog. Even the St. John papers admit that there was a "mist" on the field.

The Telegraph says:

"A good crowd attended the games and a lot of fans were disappointed because the famous Peasley did not appear in either game. Although advertised to appear, the big six-footer contented himself with sitting on the bench. Neptune pitched the first game for the visitors and did very well, striking five men out and passing four men. Harrington was on the delivery end for the Saints and had one strikeout to his credit and one base on balls. Both pitchers were touched for a two-base hit, Art Mahoney having one off Neptune and Malloy one off Harrington.

LANGFORD WILL MEET BURNS IN LONDON

Seattle, Wn., Aug. 24—Hugh McIntosh the Australian fight promoter, has opened negotiations with Tommy Burns regarding the proposed bout between Burns and Sam Langford. McIntosh will return from Vancouver today and complete his arrangements with Burns. "I have virtually closed arrangements for a 20 round bout between Tommy Burns and Sam Langford for London next December" said McIntosh.

"I want also to bring Burns and Johnson together again. Johnson promised Burns and myself at Reno that he would give Tommy another chance. He says now that he wants to rest a while, but we do not want him to take a long vacation for interest in him will die out. He has promised to give Tommy first chance."

BOXING NOTES

Willie Beecher and K. O. Brown will meet in New York next Monday night. Tom Overby the Wilkesbarre colored heavyweight and Morris Harris will meet in Tom O'Rourke's New York club next Friday night.

Kid Herman, the Chicago lightweight, who has been out of the ring since he got a bad lacing from Joe Gans, is going back into the game.

Warren Barbour, the millionaire amateur boxer of New York who won the heavyweight championship in Boston last April is going to become a professional.

Judging from a telegram that Joe Thomas who is now in this city, received from Kansas City, Bill Papke is not going to Australia as soon as he expected. A Kansas City promoter wired Thomas asking if he would box Papke Sept 21. Thomas telegraphed that he was willing and he will start for that city next Friday night.—Boston Globe.

CLIPPERS WON SLOW GAME AT ST. STEPHEN

St. Stephen, Aug. 24—A rather slow game today between the Clippers of St. John and the Thistles, of St. Stephen resulted in a victory for the Thistles with a score of 11 to 6. Howe who pitched for the Clippers, struck out 6 men and Callaghan who replaced him, struck out 1. Carter of Thistles, struck out 10 men.

The handicaps this year should be an improvement over those of the past.

Lady Agile 2.11½ goes to the Pittsburg matinee the property of J. D. Callery.

"The second game was a regular farce. No less than three pitchers were in the box for the visitors viz., Dow, Malloy and Neptune. Dow went in first and was batted all over the lot, retiring in favor of Malloy at the end of the inning. The Saints took kindly to the latter's benders and he was forced to depart at the end of the fifth. "Big Chief" Neptune then went in the box and finished the game. Art Mahoney started in to pitch for the St. Peter's but only lasted for five innings, Harrington relieving him at the end of the fifth. In the five innings Mahoney was in the box no less than ten hits were made off his delivery."

Dick Malloy had his batting clothes on in the second game getting three safe ones. "Tanker" Hughes got two in the same game and one in the first.

WOODSTOCK LINE-UP.

This afternoon the Woodstock will line up as follows:

Peasley, pitcher; Wilson catcher; Lott, 1st base; Hughes, 2nd base; Malloy, 3rd base; Neptune, shortstop; Good, centre field; Michaud, right field; Milmore, left field;

FREDERICTON LINEUP

There is still some doubt concerning the line-up of the Fredericton team. Brogan will pitch and Art Finnamore catch. Feeney will play first base; Tom Howe third, George Finnamore will be in his place at short stop but it is doubtful who will play at second. Joe Donnelly is out of business with a sore hand and will not play. It is likely that McGovern will be the man however with Boyce, Boome and Wandless in the outfield "Axwell" Walker being still too sore to play.

THE HARVESTER WON AT GOTHAM YESTERDAY

New York, N.Y., Aug. 24—Followers of light harness racing enjoyed today the grand circuit sport at the empire city track. Good time was made in every event each of which was won in straight heats. The Harvester, holder of the world's trotting stallion record of 2:02 made last week at Buffalo, driven by E. F. Geers, won the first heat of the free for all in 2:08½, and later when called upon to break his own record he took the heat and race in 2:03 despite a retarding wind. Under the conditions it was a remarkable performance. The Hungarian stallion Willy had no difficulty in winning the second division of the 2.16 class trot and Hailworthy following up his last week's victory at Buffalo by capturing the Fleetwood stakes of \$2500.

BASEBALL NOTES

Woodstock today.

Oh you Peasley!

Big surprise that game in St. John yesterday.

Something to look at today and tomorrow with Peasley, Neptune, McGovern, Harrington and Good likely to perform.

That looks like a strong infield, Feeney, McGovern, George Finnamore and Tom Howe.

The Athletics are first in batting, with the Red Sox second. In fielding the Mack men stand second, with Boston seventh.

Flynn is playing winning ball for Pittsburg and Fred Clarke feels sure he selected the right man for his first base corner.

A year ago yesterday the Cubs were a rather bad second with the same number of points won that they have today.

Those Athletics have crawled up to their highest standing since July 20, and, with the exception of that one day, when they topped their present 696, the highest since June 5.

The Rochester-Newark series, will have an all-important bearing on the championship. If it comes to an even break, look out for the Leafs who are entertaining Baltimore.

FAVORITES WON

Bangor, Maine, Aug. 24—All three events on today's race card at the eastern Maine fair, were won with ease by the favorites but in each class the others made a lively race. The weather was comfortable and the various events were witnessed by a crowd estimated to number about 15,000.

HARRY LEWIS DID NOT TRY TO WIN BOUT

In its account of the Houck-Lewis bout at Boston Tuesday the Boston Globe says:—

Leo Houck of Lancaster, Penn., was awarded the decision over Harry Lewis of Philadelphia in their 12-round bout at the opening meeting of the Armory A.A. last night.

It was a good lesson to Lewis, for there is no question in the minds of the spectators that if he wanted to he could have stopped Houck in two rounds at least. He listened to the appeal of the spectators to let Houck stay a few rounds when he had him in a bad way.

For several rounds it was evident that Lewis was not trying and it looked so bad to the referee that he stopped the contest for a few seconds and warned Lewis about holding back. When Lewis finally did start out to wind up the bout he was not able to get going and the result was that Houck outscored him in the last half of the contest and was entitled to the decision.

HOOF BEATS

Harves James is of the opinion that John Coakley is up to something as a rough rider. What a rattling good race horse The Abbe is. He has six straight victories to his credit.

Lon McDonald has sold the Bingen stallion The Mariner to W. Schlesinger of Milwaukee.

Brocton gives \$10 to the first five drivers in every race and adds \$15 for the fifth horse.

Mona Wilkes 2.03½, Clarita W. 2.09½, Ella M. 2.11½ and Donnybrook, 2.14½, have died recently.

The Broncho, 2.00½, is lame again and her turf days are over. She will be bred to Minor Heir.

N. Y. DETECTIVE KILLED IN FIGHT WITH A CROWD

Oyster Bay, Aug. 23—George Gostelli, a New York detective, who was well known for his enormous strength was murdered early today. He was killed in a fight with a crowd at the landing of the Hwawana Yacht Club boathouse, here. Gostelli had been acting as keeper of the boathouse during the summer while he was recuperating from a bullet wound. An attempt was made to assassinate him in New York last spring. He was shot down in a street in Harlem, while he was tracking a man suspected of robbery. His assailant fled, leaving him for dead, and was not captured. Gostelli had trouble all summer with crowds of men who insisted on loafing about the boathouse and a week ago he fought several of them single handed, driving them away. Half dozen of them went to the boathouse last night and Gostelli drove them away. They returned early today, one of them carrying a shotgun. Three shots were fired, two from the detective's repeater and one from the shotgun. Gostelli fell dead on the wharf.

Gostelli came to America several years ago from Denmark. He said little of his past life. He prized greatly a seal ring on which was a coat of arms. He was believed in New York to have been a member of a noble family.

RICHEST JANITRESS IS GLAD FOR HER CHILDREN

New York, Aug. 24—Mrs. Johanne Seerup, janitress of an apartment house at No. 1034 Fox street, the Bronx yesterday received \$70,000, her share of her mother's estate. She undoubtedly is the richest janitress in the city, for, besides this legacy she has in bank the larger part of \$20,000 she inherited from her father six years ago.

Mrs. Seerup is a Norwegian. Her husband, Christian, a Dane, is an expert silversmith, employed on East twenty-first street. He is the son of a wealthy silver manufacturer in Denmark. There are two children, Harry aged thirteen and Emma, aged twelve.

"Most of this money will go to the children" said Mrs. Seerup, last night. "My husband wanted me to put it all in trust for them, but I shall not do that. The money naturally will make some difference in our method of living. I shall give up my work here and we will take an apartment for a year. Then we are going back to Denmark, where my husband will take charge of his father's factory. I hate to leave this country. I had wanted my children to grow up in America."

Mrs. Seerup was married before, and the two children are those of her first husband.

"Keep your temper, laddie," said an old Scotchman to a rather fiery-tempered son. "Never quarrel wi' an angry person, especially a woman. Mind ye, a saft answer pays best. It's commanded, and forbye it makes them far madder than anything else you could say."

Willy, the European crack, was right at home on a two-lap track, and 2.11 was not his limit.
