

"Hawes" Von Gal Hats

THE
SMARTEST
SHAPES
FOR
SPRING
AND
SUMMER

The preferred shapes for the present season, still show the flat and medium-flat set brims. In soft hats the style differences are rather more in evidence. Of course good form and taste dictate the avoidance of extremes, in hats as in clothes. Individuality is of course desirable, and it is this attribute combined with Style, Quality, Superior Workmanship, Finish and Fit, that has placed HAWES, VON GAL HATS first in the favour of smartly dressed men.

NEWS OF SPORT**OPPOSITION TO THE JEFFRIES--
JOHNSON FIGHT DEVELOPING**

Preparations for the Event are Going on, But
Strenuous Efforts are Being Put Forth by Re-
ligious Bodies in all Parts of the Country to
Prevent it Taking Place.

San Francisco, Calif. May 3.—Pre-
liminary arrangements for the Jeff-
ries-Johnson fight prescribed by the
articles of agreement are being rap-
idly disposed of and unless the anti-
prize fight movement, accelerated by
the Tommy McCarthy ring fatality,
assumed proportions alarming to the
promoters of the big contest, no
hitch is anticipated. This was a busy
day for promoters Richard and Gleason
and for the managers of both
fighters, the business on hand being
the depositing of \$30,000 the second
installment of the fight forfeit and
conference relative to the selection of
a referee. But for the absence of bank
officials from the city the promoters
it was said, would have attended to
forfeit matter yesterday. The gold
coin was put in the bank vaults
pending the formal transfer today. It
was planned to record the transfer
by photographs of the gold, the pic-
tures to be preserved as souvenirs.

CHURCHES OPPOSE.

The San Francisco church federa-
tion has decided to enter the cam-
paign against the Jeffries-Johnson
fight. It was announced that as soon

as the matter was in proper shape
it would be laid before attorney gen-
eral Webb and governor Gillette with
a view to official action to prevent
the encounter.

The Presbyterian ministers' union
also expressed its disapproval of
prize fights. A committee was ap-
pointed to draft a communication to
governor Gillette protesting against
the big fight.

Philadelphia Pa., May 3.—Philadel-
phia Methodist ministers are endeavor-
ing to start a nation wide protest
against the Jeffries-Johnson fight
in California on July 4th. At the
weekly meeting of the Methodist
preachers' association a resolution
was moved in which says "Resolved
that the permission of the fight can
be registered as nothing less than
national disgrace and calamity to
the moral life of our country and
that the Philadelphia preachers meet-
ing protest the permission of this
fight and that we invite the minist-
ers of all denominations in the state
of Pennsylvania and in other states
to stir their people and unite with
us in a protest to the governor of
California against the permission to
conduct this fight."

**JEFFRIES STILL CONFIDENT
OF SUCCESS**

Ben Lomond, May 3—"I am going
to lick Johnson sure. I may be dis-
appointed but I feel it in my bones
I will win. I am going to be like a
greyhound if I have no bad luck
while training. At the rate I am go-
ing I will go into the ring at 215
pounds.

Talk about being fast, I will carry
Johnson along at a clip that will
make his head swim."

So spoke Jim Jeffries last night
voluntarily and out of the exuberance
of high spirits. The big fighter aglow
with vitality and brim full of con-
fidence, came out with that state-
ment in a burst of confidence that
caused his hearers to wonder.

"Jeffries is getting garrulous" was
the comment of the camp and there
never was cause for the remark for
as a rule Jeffries is taciturn. Never-
theless his attendants are highly
pleased. He feels it or he wouldn't
say it, they said. With his back and
blood in good condition and only a
bit of stiffness remaining in his shoul-
ders which he is gradually eliminat-
ing by a daily row on the river, Jef-
fries is showing much zest for hard
training and the month of May will
likely see severe and unremitting
work at Ben Lomond. One other in-
terruption to the fighters activities
is scheduled, his trip to Oakland to-
night to bring his wife, Mrs. Jef-
fries is reported to be fully recovered
from her illness and that fact has
had good effect on her husband.
