WOODSTOCK WON, 13 TO 2, BEFORE BIG CROWD

Harrington Pitches Today and Different Result is Expected--Brogan and Boone were Batted all Over Lot--Peasley a Mystery to Locals.

Lack of a pitcher that the team could fall back on in time of need allowed the Fredericton team to be unmercifully trimmed by Woodstock. The score was 13 to 2. Brogan, who proved a mystery to Calais and who has put up good ball this season, pitched the first half of the game but could offer nothing that Woodstock could not slam all over the field. Ernie Boone was then called to the box but his offerings were just as acceptable to Woodstock as were Brogan's. He was touched for seven hits and Brogan had been hit for eight. Boone struck out Dick Malloy the only Woodstock player to fan and the crowd seemed to like it.

Peasley, the lanky heaver whom Malachi Kittridge spotted for Detroit was the great mystery for Fredericton. In five innings he allowed but four safe hits. Iott essayed to pitch the first of the game, Michael going to rest and Peasley to right field. "Happy" electrified the vast throng by allowing only two hits. He sent George Finnamore to first however by hitting him in the ribs with the ball.

BIG CROWD THERE.

It was a very sad occasion for the big crowd that turned out, a crowd like those that used to turn out some ten years back when the old Tartars were playing the game in these parts. The fans had to console themselves with the thought that Harrington was to pitch the next game and might duplicate that victory of his in St. John Wednesday.

THE GAME.

It was a very good game up to the end of the fourth inning, the score then standing 4 to 2 for Woodstock. Fredericton started out well only one Woodstock man getting farther than first in the first two innings. At the bat the locals were weak and ran bases in very poor style. Art Finnamore got safe in the first when Wilson dropped a little pop fly but was caught stealing second. In the second Bell got reckless and played off first just far enough to let Wilson whip the ball to Iott and catch the base-runner.

WOODSTOCK STARTS.

In the third Woodstock made a good start. Brogan handled out two passes, Wilson got a hit good for two and "Tanker" Hughes followed with one for three bases. The next result was three runs.

FREDERICTON'S RUNS.

Fredericton's runs were made in the third inning. Feeney went out by the foul-fly route. Brogan got a nice single and stole second. Art Finnamore's hit sent him to third. The famous Woodstock battery held a consultation and while this was in progress Mr. Brogan was rude enough to start to steal home. He did it too, the attempt to catch him at the plate being a trifle too slow. The crowd yelled and the contingent of Woodstock rooters in the middle of the grandstand who had been making themselves heard just before, became conspicuous by their silence.

Mr. Frank Hughes generously presented himself with a couple of errors and enabled Art Finnamore to score and that made two for the locals.

ALL WOODSTOCK

After that it was Woodstock all the way through. Art Finnamore reached third in the eighth, but died there. In the fourth Woodstock tal-

WAGNER MADE SEVEN HITS IN SEVEN CHANCES

New York, Aug. 25—The recent slump in batting by Fred Snodgrass, the Giant aspirant for the automobile that has been offered for the leading batter this season in the major leagues, makes Hans Wagner loom up again as the probable winner of the National League honor if not of both big leagues.

Wagner's feat yesterday in getting seven hits out of seven trips to plate gave the Teuton a big boost. In the last month Wagner has been hitting at the merriest sort of clip, and if he keeps it up for the remaining six weeks of the schedule, there is no doubt that he will reach the front in the National. Ty Cobb has such a handsome average in the American League, however, that he appears the most likely recipient of the automo-

bile. Snodgrass who was hailed as a marvel two weeks ago has made only five hits in the last ten days.

AMERICAN LEAGUE RELEASES

Chicago, Ill., Aug. 25—President B. B. Johnson, of the American baseball league today issued the following list of releases and contracts affecting 14 players: Releases by St. Louis to Milwaukee, J. P. Galligan; to Denver A. G. Fisher and E. Kinella. By Detroit unconditional, F. Donahue. By Boston to Sacramento, F. Arellanes; to Providence, Foley and Barabach; to Chicago, Lord and A. McConnelly; to Waterbury, Hearn.

Uhlman and The Harvester carry the blood of Vermont Black Hawk, the best of the Morgan tribe.

That 4-year-old gelding Gold Dollar who is winning regularly down in Tennessee, must be a real good trotter.

Snodgrass who was hailed as a marvel two weeks ago has made only five hits in the last ten days.

PRINCE ALFONDLY WON 2.20 TROT AT BANGOR THURSDAY

Hayden's Horses Won Two Out of Three Events--Maud S. Winner in 2.30.

Bangor, Me., Aug. 25.—Five thousand people attended the Eastern Maine State Fair Thursday. Two of the three events on the race card were captured in straight heats by representatives of Pine Tree stables, Lewiston, Prince Alfondly, having no trouble in the 2.20 trot, while the 2.30 was easy for Maud S.

It was in the 2.22 trot, 2.22 pace that interest chiefly centered, and here the wise ones who had picked Maud of Pines or Pollard Wilkes, got a bad upset. Maud of Pines acted badly and Pollard Wilkes was not right, while Direct Braden was right on edge, showing speed, style and steadiness in a big field and won as he liked in straight heats.

BILL MCKINNON HAD BETTER OF MORRIS

Sydney, Aug. 25.—The boxing bout between Bill McKinnon and Andrew Morris this evening was the fastest ever seen in Cape Breton. The bout was scheduled to go 10 rounds, but owing to the small crowd, the fighters would not go the full route. Six rounds were agreed on. McKinnon had the advantage in the first round. The second was the best, both men getting knockdowns. No damage was done however. Third and fourth rounds were slow but the fifth and sixth were fast.

In the fifth Morris was knocked down twice and McKinnon once. Morris took some awful punishment in this round.

The bout was declared off by Referee Francis, as agreed before hand. McKinnon had a shade the best of it. Joe Walcott was introduced and challenged any welterweight in the world. He boxes Goodman, of New York here next week. McKinnon leaves tomorrow for Manchester, New Hampshire, where he will meet Frank Mantell on Labor Day.

Dudie Archdale has not heard the bell this week as Geers wants to have her in shape for the Massachusetts.

Baron McKinney, 2.104, is a producing sire, his 2-year-old The Gleaner having secured a standard record.

NEW YORK GRAND CIRCUIT MEET WILL END TODAY

New York, Aug. 25.—The third day of the grand circuit meeting at the Empire City track drew a good crowd today and in two of the three events the largest fields of the meeting so far were on the track. A high wind prevailed during the afternoon, precluding any record time being made.

General H., the bay stallion by Comlineer, won the 2.09 class trot in straight heats and Teasel and Alice Roosevelt divided second and third money after two close finishes.

The Hungarian stallion Willy, driven by H. A. Watterson, won both heats and first money in 2.13 class trotting to wagon in faultless style, with Direct Tone, driven by Jas. Butler, the owner of the track stepping into second place.

The first split heats of the meet occurred in the Bacon stakes for pacers 2.35 class. Baron Whips won the first and Ess H. Kay the second. Only the winners of heats were allowed to go in the third heat and while the starter did not give them the word the two flew away, neither driver evidently hearing the bell. Ess H. Kay finished first and after some discussion it was mutually agreed that Ess H. Kay should get first money.

Although scheduled for five days the meeting will end tomorrow with the Matron Futurity stakes of \$15,000 for three year old pacers and 2.20 class for pacers and the Bonner Memorial stakes of \$2,500 for trotters in the 2.25 class.

GAMBETTA WILKES DEAD

Lexington, Ky., Aug. 26.—Gambetta Wilkes, the last of the sons of the great George Wilkes and one of the greatest sires of harness horses the world has ever known, is dead at the farm of his owners, G. and C. P. Cecil in Boyle County.

Gambetta Wilkes has 212 standard performers, many of them with records better than 2.10. He was 29 years old.

"CY" SEYMOUR SOLD

New York, Aug. 26.—J. Bentley Seymour, the last of McGraw's "greatest outfield the world ever saw," has been sold to Baltimore of the Eastern league.

Donlin is out of the business, Spike Shannon with Kansas City, and "Cy" after remaining on the Glat's shelf for the most part of this season is turned over to the minors.

BOXING NOTES

Joe Coster and Young Wagner have been matched to box in New York next Tuesday night.

Warren Barbour, the millionaire amateur, denies the report that he is to become a professional boxer.

Tom O'Rourke is now managing Cyclone Johnny Thompson. If Thompson follows out O'Rourke's advice he will get some good matches.

The winner of the bout between Tommy Quill and Young Loughrey at the Armory A. A. next Tuesday night will be matched to box Leo Houck, the conqueror of Harry Lewis at the club next month.

Alek McLean, the manager of Matty Baldwin, and Dave Desher have returned from New York after having a talk with the representative of promoter McIntosh relative to Baldwin and Desher going to Australia to box. The promoter's agent could not do anything about giving McLean contracts, as previously agreed, and it looks as if the proposed trip is off.—Boston Globe.

Abe Attell, the featherweight champion, realizes that he has reached such a stage in his career that he must be careful whom he boxes lest he meet with defeat. He wants to quit the game a champion. The other day a California promoter asked him to box Frankie Burns of California. When told he was a green youngster, foxy Abe replied: "Get someone else to box Burns." He was not taking any chances in boxing green ones.

HOOF BEATS

The Huguenot, brother to The Abbe and The Abbot, is pretty close to a 2.10 trotter right now.

Bingen Hall, the 2-year-old half-brother to Bingen, by Walnut Hall, has taken a record of 2.274.

Peter Donna, 2.08, is a new 2.10 trotter for Peter the Great. His dam is Prima Donna 2.094.

Country Jay, Spanish Queen, C The Limit and Lillie W are in Kentucky enjoying a month's letup.

The extent to which the common house fly may become the bearer of diseases was illustrated recently in the case of a typhoid fever epidemic in the town of Lyons, N. Y., where 18 cases of the disease were traced to milk that had been exposed to visitation by swarms of flies which also had access to typhoid infection. The health authorities of the New York State definitely located the source of infection, ordered a change of methods in the dairy in question, and the epidemic died out.
