## 1,000 INJURED, 100 DEAD IN A FEARFUL HURRICANE

Rome, July 27.—Fully 100 persons are dead, 1,000 injured, as many more homeless and property worth \$5,000,000 has been destroyed as the result of the hurricane which have swept Northern Italy, according to the latest despatches. It is believed that when the full reports have been received from the country districts with which communication is still crippled the damage list and death roll will be found even larger.

### AFFLICTED ITALY

Troops and army supplies were distributed through the afflicted region, the soldiers being ordered to carry relief work to every quarter and investigate the situation in all towns and hamlets yet unheard from.

### WRECKAGE PILED HIGH

This work, however, has been seriously hampered by the damage to railroads, particularly at Milan where wreckage tied up all lines.

Refuge camps have been established, together with special hospitals at the most important of the towns struck by the storm including Soronno, Solarovlonarate and Revelsaca.

### SCENE OF NOTED ASSASSINATION

Efforts are being made to overcome the damage done to the new memorial chapel at Monsea, the scene of the assassination of King Humbert, in time for the dedication on the tenth anniversary of that event on July 29th. The damage to the chapel has been found more serious than was first believed, however, and success is doubtful.

## BILLY BURK EQUALLED WORLD'S RECORD AT KALAMAZOO TUESDAY

In 2.15 Class the Horse After Getting Second Place Won in Straight Heats.

Kalamazoo, Mich., July 27.—Billy Burk, driven by Ed. Benyon yesterday equalled the world's fastest four-heat trotting record of 2:06½, when, after being carried to the half in 1:03½ and in the three-quarters in 1:35 by Henry H, he stood the son of Gregory the Great on his head at the head of the stretch and fairly jogged the last 100 yards.

Responding to the cries of the crowd to take back in order that the field might not be distanced, Benyon pulled up 100 feet from the wire and even then all except Henry H were outside the flag; but they were placed, with the exception of Oakland Flobar.

Billy Burk was a sensationally fast three-year-old trotter and in the hands of Brook Curry he showed a mile in 2:07 at Columbus but in his first start was drawn on account of a dangerous illness. He is owned by J. Howard Ford of the historic Stony Ford farm New York, who purchased him last winter at auction. Billy Burk at the beginning of the season had a two-year-old record of 2:15, and two weeks ago obtained a record of 2:09½ at Terre Haute, Ind., in a winning race.

When they got the word in the first heat today Bobbie B McGregor went to the front and led throughout the mile, Billy Burk getting through the bunch at the last turn and failing in his finish drive by a half length. After that McDonald's gelding was tired and Charley Dean's M. and M. candidate, Henry H took up the battle and landed three times in the place. The summary:

## AMERICAN YACHT WINS SECOND RACE FOR SEAWANHAKA CUP

The St. Lawrence Meets With Another Mishap and is Beaten by More than Eight Minutes.

Manchester, Mass., July 27.—So decisive was the victory of the defender Massachusetts over the challenger St. Lawrence, in the second race today for the Seawanhaka cup, that several of the Canadians have made arrangements to go home after tomorrow's race. There was eight minutes and twenty-eight seconds between the boats at the finish today.

Three times the yachts beat two miles to the windward mark in an eight-knot breeze and ran back to the finish, and with the exception of the last leg the Massachusetts gained on each leg.

To add to the discomfiture of the visitors the St. Lawrence had her third accident of the series when the bolt rope on the luff of the jib pulled out just after rounding the leeward mark the first time, and at least two minutes was lost in repairs.

In the three legs to windward, the Massachusetts beat the St. Lawrence a total of seven minutes and one second. In the three runs down the wind the Massachusetts made a net gain of one minute twenty-seven seconds. In the last run to leeward the wind shifted, making it a broad reach. The Massachusetts, taking no chances, used her small jib and lost twelve seconds to the St. Lawrence on this single leg.

The yachts will race over a triangular course tomorrow, starting at 1 p. m.

Someone expressed the wish tonight that the crews might swap boats tomorrow, but the Yankees laughingly refused to entertain the proposition. Massachusetts, 1:53:13; St. Lawrence, 2:01:41.

## LOUIS WINAN'S AUSTRIAN BRED HORSE WILLY IS WONDER OF SEASON

"Local horsemen," says The New York American, "are in a flurry of excitement over the prospect that a European trotting horse will win the principal race of the Grand Circuit meeting at the Empire track on August 23-24. Louis W. Winan, of Hove, England, who owns the 'herby horse,' Sir Martin, recently sent over the first string of European trotters ever campaigned in this country, and one of them, the bay stallion Willy, has shown such form in his first two races that he now seems likely to take the measure of the forty American trotters in the 2:16 race to wagon, amateurs to drive, for \$2,500 stakes, at the New York meeting.

"At Grand Rapids, Michigan, a few days ago Willy won the first heat of his first race in America in 2:08½, and in the fourth heat he was beaten by an eyelash in 2:07½, the fastest time ever made by a trotter on the Grand Rapids track. At Kalamazoo Willy won the first race of the Grand Circuit, trotting his heats below 2:10 with ease.

"Willy is the first European trotting horse that ever won a race in the Grand Circuit. He was raised in Austria-Hungary. He is six years old. In his three-year-old form he won six consecutive races in Germany, Austria and Hungary, and he twice won the Hungarian Derby, a feat which no other horse ever before accomplished.

## CANADIAN INDIAN PITCHER FOR DETROIT

Detroit, July 27.—Rendered desperate by the slump of the Tiger pitchers, Pres. Nagin sent scouts in every direction with orders to bring young men into camp for immediate use.

Three curves have been landed just as the Tiger veterans are resuming their form. Earl Wilson of the Elgin, Ill., team reported a few days ago and will be worked out as soon as Jennings gets home.

Jimmy Casey has rounded up an Indian named Sheets of the Regina team in the Canadian northwest. He will be here in a week.

Londell of the Waco team, is the third youth to sign. He will report at once. His fame is based on a recent 23-inning 1-to-1 tie with San Antonio, in which he went the full route.

## CLIPPERS WON

The Clippers trimmed the St. Johns 9 to 1 yesterday in spite of the fact that the St. Johns made seven hits to their five. The St. Johns made an error to the Clippers two. Art Finamore played centre field for the Clippers. It is said that Manager Tilley of the St. Johns, is after Peasby, the Woodstock pitcher, and has offered a pretty good salary.

### BASEBALL NOTES

Rube Waddell is in St. Louis getting into trim, but not much is expected of him until the fall barnstorming tour.

The New England league race has about six weeks to go. Worcester has a good chance for its fifth straight pennant.

Hall of the Red Sox, has beaten Washington four times this year; Karger has beaten Detroit four times, and Cicotte has beaten Cleveland four times.

The Tigers are putting forth every effort to get good pitchers. With a good staff for the box the champions would get back into the hunt mighty quick.

The Boston Nationals on their western trip won six games and lost nine. The record of the trip was St. Louis 3-1, Cincinnati, 1-2, Pittsburg, 2-2, Chicago, 0-4.

## DUDIE ARCHDALE WON PAPER MILL STAKE FOR 2.11 CLASS TROTTERS

Kalamazoo July 27.—Dudie Archdale the favorite had comparatively little trouble in winning the \$10,000 Paper Mill stake for 2.11 class trotters, the classic of the Kalamazoo Grand Circuit race meet in which a field of four horses contested today.

Ed. Geers, the veteran, who was unable to drive in Kalamazoo this week because of the injuries he received at Grand Rapids, sat in the timers' stand and watched his entry win the rich prize. F. G. Jones, who drove Dudie Archdale to victory, was enthusiastically cheered at the finish. He carried in a floral horseshoe to a spot in front of the timers' stand, where he was given the D. D. Streeter cup, a handsome silver trophy valued at \$500. This cup is given to the winner of this event as a memorial by the heirs of the late D. D. Streeter of Kalamazoo a noted horse breeder who died within the year.

A feature of another kind was the conclusion of the 2.17 pace left over from Tuesday. Owings, driver of The Philistine, who had been taken down after the first heat Tuesday, was allowed to resume his place. Then Snow drove Hallie to a victory. The judges declared all bets off and Owings promptly drew Jordan, his entry, for the first race of today. Every favorite today was returned a winner.

In the first race, the 2.21 trot, interest attached to the fact that Dora which won without much difficulty, is a Hungarian bred horse owned by Louis Winans, of Brighton (Eng.), whose Willy won the first race Monday, the 2.16 trot, thus proving the success of the British invasion. Dora was never in danger except in the third heat when she broke badly.

## WARSHIPS WHICH COST MILLIONS SOLD CHEAP AT A LONDON AUCTION

London, July 26.—For a month the bill boards of London contained posters advertising a sale by auction of a job lot of warships. They cost millions to construct, but the auction at the Portsmouth navy yards realized only \$100,000. The most interesting vessel sold was the second class cruiser "Melampus." It was on this cruiser that King George flew his first commander's flag. The "Melampus" realized \$45,000. The battleship "Centurion" from which Admiral Sir Edward Seymour commanded the landing of bluejackets to march to the relief of the besieged embassies in real life during the Boxer rebellion, realized \$125,000. Her sister ship, the "Barfleur," brought \$1,500 more. Junk dealers bought the ships. They were so obsolete that not even a South American republic could afford to buy them.

## REMAINS OF LOST MAN FOUND AFTER TWO YEARS

San Francisco, July 27.—Members of the Sierra Club, returning from the King's River Canyon in Fresno Co., bring news of finding in a spot, 23 miles from Kanawyer's Cabin, bones, locks of hair, a watch, note book and clothing identified as belonging to Kenneth Archibald, formerly of Boston, and a small tin cup with the name Kenneth Archibald scratched upon it.

Archibald was lost in the mountains in 1908. He was the son of Rev. Andrews Archibald, a Boston clergyman, and left a \$75,000 estate. Although blood hounds were placed upon the young man's trail and all other efforts used to solve the mystery, his fate has been a mystery for more than two years.

## FAMILY MIX UP ENDS IN TRAGEDY

Little Rock, Ark., July 27.—B. V. Barger, of Memphis, Ten., was shot and mortally wounded here last night by C. M. Gaynon, who in turn was killed by Barger. Mrs. Gaynon declares that Barger was attempting to crawl through a window of her home when her husband fired.

The tragedy is said to be the culmination of an enmity of twenty years' standing. A score of years ago Mrs. Gaynon secured a divorce from Gaynon and married Barger. Within a year, however, she was granted another divorce and re-married her former husband, Barger, Mrs. Gaynon says, is her half brother. Several h's were fired by both men and Mrs. Gaynon narrowly escaped being struck.

It's easier to lie than it is to follow it up with a satisfactory explanation.

A father is likely to forgive his daughter for eloping after he figures the cost of a swell church wedding. While a young man is wondering if he dare kiss a girl the chances are that she is wondering why he doesn't brace up and get permission.

If a young man would ascertain just how he stands with a maid he should make love to a widow in her presence.
