

That Cold Room

on the side of the house where winter blasts strike hardest always has a lower temperature than the rest of the house. There are times when it is necessary to raise the temperature quickly or to keep the temperature up for a long period. That can't be done by the regular method of heating without great trouble and overheating the rest of the house. The only reliable method of heating such a room alone by other means is to use a

which can be kept at full or low heat for a short or long time. Four quarts of oil will give a glowing heat for nine hours, without smoke or smell.

An indicator always shows the amount of oil in the font. Filler-cap does not screw on; but is put in like a cork in a bottle, and is attached by a chain and cannot get lost.

An automatic-locking flame spreader prevents the wick from being turned high enough to smoke, and is easy to remove and drop back so that it can be cleaned in an instant.

The burner body or gallery cannot become wedged, and can be unscrewed in an instant for reworking. Finished in Japan or nickel, strong, durable, well-made, built for service, and yet light and ornamental. Has a cool handle.

NOTES FROM ALONG THE RIVER.

Oct. 28.—Coons have been very plentiful this fall, the furry kind, whose warm covering clothes the traveller for his wintry travels. But another sort of coon is said to have disturbed the hen roosts of this neighborhood lately, a most marvellous affair indeed, for this species is said to be white. It is something unheard of here in other days.

The leaves have left the trees and with them are going our young men. Some went with the earliest leaves, some are lingering like our willows, and a few will remain with us till spring, like our winter beeches. Among the earliest to flit was LeBaron Anderson, of the Barony, who has gone past the blackened town of the north, far up the Restigouche for the Dalhousie Lumber Company.

Mr. Robert Scott of Dumfries has also left us, having bought a place on George street in the city of The Mail. He was a man who took a great interest in church and other public matters, and he will be much missed from our midst.

Mr. Nehemiah Hoyt of Prince William had a bad fall lately from his haymow, which this season he had so bountifully filled. It is wonderful that he escaped with sprained wrists and a lame knee. The fork with which he was tearing out a tangled mass of hay gave way suddenly and precipitated him headlong from the mow to the floor.

The tow boat is still endeavoring to make trips but finds it almost impossible on account of the low water and heavy head winds. Come on Mr. Railroad man, our patience has almost ceased to be a virtue.

Visitors were always welcome and made comfortable at Mr. John Anderson's, of the Barony, one time M. P. for York, but one could never hope to attain to more of comfortable coziness than their sitting room now presents. Two Morris chairs and a lounge, all commodious, comfortable, and handsome, are placed at the disposal of the visitors, whom Mr. and Mrs. Anderson seem to try more and more to cheer on their way. The chairs and lounge were a present from their four sons, William of Vancouver, Robert of St. John, John and LeBaron of the Barony, and of their four daughters, Mrs. William Currie of Andover, Mrs. George Hagerman of Scotch Settlement, Mrs. H. H. Tibbitts of Andover and Mrs. Clarence Haugh of the Barony.

The home of Mr. and Mrs. Ernest Hoyt of Prince William has lately been made happy by the arrival of a new boy.

A social was held on Friday, Oct. 28th, at Mr. Ben. Griffin's for the benefit of the Episcopal church of Prince William.

A chicken supper was held the same evening at the home of Mr. Fred Ebbett of the Barony, the annual donation for the benefit of the Baptist minister, Mr. Rutledge.

Her Face and Body Were Litterly Covered With "BOILS"

Burdock Blood Bitters Cured Them

Mrs. John H. King, Johnston, N. B., writes:—"Last summer I was very much troubled with boils, and my face and body were literally covered with them. A friend advised me to take Burdock Blood Bitters. I got three bottles, and before I had taken all the first one my boils began to go away. I had just taken a few doses out of the last one when they all disappeared. My husband has also used Burdock Blood Bitters with much benefit."

Boils in themselves are not a dangerous trouble, but still, at the same time, are very painful. They are caused entirely by bad blood, and to get rid of them it is necessary to put the blood in good condition, and for this purpose there is nothing to equal that old and tried remedy, Burdock Blood Bitters.

ANOTHER SCHEME TO FREE MORSE

Washington, Oct. 28.—Friends of Charles W. Morse believe that they have found a way for President Taft to let the convicted New York banker out of the Atlanta penitentiary without actually pardoning him. In effect it would be to parole Morse, but that end would be accomplished by issuing a "conditional pardon." The banker's friends claim precedent in their favor and point out that President Cleveland pardoned a federal prisoner conditionally, with the proviso that he report to the United States district attorney every year for five years.

While the plans of Morse's friends are not known at the department of Justice, it was said that there is nothing to prevent the president from issuing a "conditional pardon," and that in such an event the federal board of parole would be charged with the responsibility of looking after Morse.

Any proposition to parole Morse under the terms of the law passed at the last session of congress, has been suggested, is out of the question, says the attorneys. The law says a federal prisoner may be paroled after having served one-third of his sentence. Morse was sentenced to fifteen years, and would not be eligible for parole under that statute, therefore, until January, 1915.

FOUGHT FATAL DUEL IN THE FAR NORTH

Winnipeg, Oct. 29.—Up in the wild country between Lake Winnipeg and Lake Manitoba, one hundred miles an overwhelming hatred of each other met in the bush last Monday. Both of them carried shot guns. Conrad Kruczko instantly killed Alex. Barko. Kruczko walked all that night and all day Tuesday, arriving at Teulon fifty miles distant, on Wednesday morning. He told the people there what had occurred and stated that he was going to Winnipeg to give himself up. He arrived here Wednesday night and after staying all night with a friend gave himself up to the authorities. He pleads self-defence.

TRY THE MONEY-BACK CURE FOR INDIGESTION

Nine times in ten the stomach derangements are responsible for sallow complexion, dull eyes and thin body. It is the stomach that supplies nourishing blood to the muscles, the nerves, and skin. If the stomach is healthy, plenty of nutritious matter will be absorbed by the blood. If it is not healthy, the food will ferment, and undigested, will pass along through the bowels, furnishing so little nutritious matter that the blood becomes impoverished, and the glow of health vanishes.

If you suffer from nervousness, sick headache, belching of gas, sour taste in the mouth, heaviness after eating, or any other miserable stomach disturbance, you need Mi-on-a, and the sooner you get it the quicker you will be healthier and happier.

It will relieve any distressed stomach condition almost immediately. It will cure if used according to directions. A. J. Ryan sells it for 60 cents a large box, and he thinks enough of it to guarantee it to cure indigestion.

CIVIL WAR VETERAN DEAD AT DAYTON, O.

Dayton, O., Oct. 29.—Brig. General Charles Candy died suddenly here last night of heart failure. He enlisted in the regular army in 1850 and served through the Indian wars in 1854-55. He also served in the Civil War as a colonel and captain of volunteers. In 1865 he was breveted brigadier general. Gen. Candy was 74 years old.

HAD KIDNEY TROUBLE.

COULD NOT CROSS THE FLOOR PAIN WAS SO GREAT

Miss Hazel Hess, Winchester Springs Ont., writes:—"I was troubled with my kidneys for five years. They were so bad, at times, I could not cross the floor for the pain. The doctor could not do me any good and a friend advised me to use Doan's Kidney Pills. I bought six boxes and now I have been cured for over four years. I will recommend them to every sufferer."

No woman can be strong and healthy unless the kidneys are well. When the kidneys are ill, the whole body is ill, for the poisons which the kidneys ought to filter out of the blood are left in the system. Then how important it must be to see to it that this system of sewerage is not clogged up.

Doan's Kidney Pills are a purely vegetable medicine, realizing quick, permanent relief, without any after ill effects. A medicine that will absolutely cure backache and all forms of kidney and bladder trouble.

Doan's Kidney Pills are 50c. per box or 3 for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

If ordering direct specify "Doan's."

BIG GOLD STRIKE IN NORTH ONTARIO

Toronto, Oct. 28.—News has reached Sault Ste. Marie of a wonderfully rich find of gold in the vicinity of Holon on the C. P. R. main line. It is claimed to be the biggest strike made in Canada since the Yukon. William Norquis has recorded the first claim.

KENT CO. WOMAN WINS ALIENATION SUIT

Boston, Oct. 27.—An award of \$10,000 was made by a jury in the superior court at Dedham yesterday to Mrs. Elizabeth H. Webber, of Needham, who sued Mrs. Sarah A. W. Benbow, of Needham, for \$25,000 for alienation of the affections of her husband, George H. Webber.

The defendant, 48 years old, is an aunt of the plaintiff's husband, who is 27. The defendant, who is ill, put on no witnesses. It took two days to present the plaintiff's case. The jury was out two hours.

Mrs. Webber, a daughter of William Cochrane, of South Branch, Kent Co. N. B., was married at Norwood, Sept. 24, 1904, where the husband was employed as an electrical mechanic. In the spring of 1905 they moved to Needham, where for four weeks they lived with Mrs. Benbow in one of the latter's houses.

Mrs. Webber, in the fall of 1905 began to notice a change in her husband Mrs. Benbow, the plaintiff said, got the habit of kissing her husband, and objected to his wife kissing him. The aunt kept inviting him across the street to visit her evenings. Mrs. Webber said, and had him install a telephone in the house so she could call him up. The affair culminated, according to Mrs. Webber, when her husband threatened to shoot her one afternoon after he had talked with Mrs. Benbow.

Mrs. Benbow tried to get her to go to her folks in New Brunswick, and finally took about all the furniture out of the house she declared. Her baby died while she was away.

Mrs. Webber is an attractive woman of 27 years. Her husband has been in court twice for non-support. He disappeared about a year ago.

TORONTO "BLACK HAND" MAN CAUGHT

Toronto, Oct. 27.—The perpetrator of one of the most daring attempts at extortion that the Toronto police have had to deal with in many years was run to earth yesterday morning when James E. McCauley, an amateur "Black Hand" was captured in the Colborne street doorway of the King Edward Hotel. McCauley's "Black Hand" threats against Mr. John C. Eaton, president of the T. Eaton Co., Ltd. and the assistance given the police by Mr. Eaton enabled the police to effect his arrest.

For over two hours detectives lay in waiting in the lavatory of the hotel waiting until the author of the "Black Hand" letters came to secure the money left there as a bait. When the trap was sprung McCauley was followed to Colborne street entrance where detectives pounced upon him and after a warm struggle got the hand-cuffs on him.

A remarkable feature of the case is that the two hundred dollars was as a bait has mysteriously disappeared. McCauley in a confession made to the police later, after he had been taken to the detective offices, said that in the excitement attending his capture he had pulled the roll of money from his pocket and dropped it on the ground. So far no trace of it has been found. The bills however are all marked and the numbers are in the possession of the police.

On Monday Mr. Eaton found in his morning mail a letter demanding that 200 dollars be placed in a certain corner of the lavatory in the King Edward hotel. If the money was not forthcoming, the writer threatened, "To ruin your household and family or yourself by shooting the first one handy or by dynamiting your house or yacht when you or your family are on board."

THE POSTMASTER SICK FOR YEARS

But He Found Permanent Relief in Dodd's Kidney Pills

Mr. John Nolan had Backache, Nervousness, and Rheumatism but Cured Them so They Didn't come back.

Point La Nim, Restigouche Co., N. B., Oct. 31.—(Special).—That as a renewer of youth Dodd's Kidney Pills has no equal is the experience of John Nolan, the veteran postmaster of this place. Sixty years of age but still strong and healthy, Mr. Nolan declares he owes his health to the great Canadian Kidney Remedy, Dodd's Kidney Pills.

"For ten years I was a sufferer with Backache, Nervousness and Rheumatism," says the Postmaster. "I was so bad at times that I was confined to my bed. I felt heavy and sleepy after meals, had flashes of light before my eyes and had difficulty in collecting my thoughts. After using several medicines without benefit I began to take Dodd's Kidney Pills, taking in all fifteen boxes. That was four years ago, and though I stopped taking the Pills two years ago, I have had no return of my trouble."

Backache, Nervousness and Rheumatism are all caused by diseased Kidneys. To cure them to stay cured you must cure the Kidneys with Dodd's Kidney Pills.

When blacking a stove that has been discolored by overheating, try rubbing well with vinegar before blacking. The polish will remain brighter much longer than otherwise.

Many delicate and nervous people who cannot digest iron tonic should eat spinach, which contains more iron than even the yoke of an egg. Onions are also an excellent nerve.

When the milk supply is limited for any cause, save the water in which the rice is boiled. When this is allowed to stand until it is jellied it makes an economical substitute for milk and can be used in all the cream soups and needs not the thickening with butter and flour that milk must have.

Caught a Heavy Cold

It Left Him with a Hacking Cough

Mr. J. H. Richards, 1852 Second Ave., East, Vancouver, B. C., writes:—"Allow me to write a few lines in praise of your Dr. Wood's Norway Pine Syrup. Last fall I contracted a heavy cold which left me with a hacking cough, and every time I would get a little more this hacking cough would become a lung splitting one. It kept on getting worse and I kept on spending money buying different cough remedies until a friend asked me if I had ever tried Dr. Wood's Norway Pine Syrup. I told him I was willing to try anything I thought would cure, and on the same day bought two bottles. Before half the first one was used my cough began to get much easier, and by the time I had used a bottle and a half my cough was gone. I am keeping the other half bottle in case it should come again but I am quite sure I have a positive cure. Let me recommend Dr. Wood's Norway Pine Syrup to all who suffer from a cough or throat irritation of any kind."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; three pine trees the trade mark; price 25 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

A suggestion in whipping cream is to whip it in the upper part of a double boiler, with fine ice or cold water placed in the lower part. An added advantage to this arrangement is that the boiler is deeper than a bowl and there is less spattering.

To test butter, take a clean piece of white paper, smear a little of the butter on it, roll the paper up and set it on fire. If the butter be pure, the smell will be rather pleasant, but if it is made up wholly or in part of animal fat it will smell like tallow.
