PUNTS AND DROPS

Saturday's rout at College Field seems to indicate that police are necessary for all football games.

U. N. B. wore the new jersey, red with black band around the waist, in yesterday's game.

It is likely that Fredericton City will play the Algonquins in St. John on Saturday.

"There goes the Beef Trust" some one yelled when Gearson went on the field Saturday.

It has been many years since an accident so serious as that which happened in Halifax Saturday, has

taken place on a football field in the Maritime Provinces.

A thousand people saw Glace Bay win from Dalhousie yesterday. The game was played in a pouring rain. The score was 10 to 0.

Canadian football has been introduced on the North Shore. St. Thomas College was beaten at this game by Chatham Juniors on Monday. The score, 5 to 1.

Sussex High School was beaten 24 to 0 by St. John's High School on Thanksgiving Day.

The decision of a referee is final and teams should not go on a football field unless they are willing to abide by the decision of the referee.

U. N. B. RUGBY XV LEFT ON TOUR THIS MORNING

Mt. Allison Picked to Win at Sackville Tomorrow
—U. N. B. Lost to St. John Algonquins Here Yesterday, 3 to 0—Game Rather Poor.

The U. N. B. football team left on tour this morning. Only two games are to be played on the tour. Mt. Allison will be played tomorrow afternoon at Sackville and Moncton will be played at Moncton on Thursday. The team will return home on Friday.

The U. N. B. squad, which left was composed of the following players: Fullback, McGibbon; halves and quarters, Binney, Howe, Balkam, Kinghorn, Machum, Kubring, Jennings, H. B. Murray; forwards, Jewett, Gunter, Deedes, Alexander, Vavasour, Melrose, Rigby, McNair, Patterson, VanWart.

"The line-up for the Mount A. game," said Captain Kinghorn last evening, "will not be definitely decided upon until immediately before we go on the field."

It is expected, however, that the team which will face Mount A. will be as follows:

McGibbon, full-back.
Binney, Howe, Kinghorn and Balkam, halves.

Jennings and Kubring, quarters.
Jewett, Gunter, Deedes, Vavasour, Alexander, Melrose, Rigby, McNair, forwards.

THE REFEREE QUESTION.

The referee question will have to be decided at Sackville, as the two colleges, up to the time the U. N. B. left, had not agreed upon one man. Ralston, who was proposed by Mt. Allison and agreed to by the U. N. B., will not be able to act. Roy Cameron, proposed by U. N. B., was not acceptable to Mr. Allison, which has proposed Stairs, of Halifax, who refereed the Dalhousie-Wanderer game on Saturday. It is likely that Stairs will be the man selected.

YESTERDAY'S GAME.

The U. N. B. team left with its stock below par and Mt. Allison generally picked to win tomorrow's game. That choice is based on the showing made here yesterday by the U. N. B. team, when it lost to the Algonquins of St. John, by the score of 3 to 0. The game was a big surprise as U. N. B. had been expected to win. The College played in a listless fashion throughout the game, showing flashes of speed and spirit only early in the second half, when, by poor playing, it failed to score. The St. John team touching down. The game was a tremendous disappointment to the supporters of U. N. B. The local halves fumbled the ball, continually and the quarters failed frequently to get the ball out. What little playing was done was done by the forwards.

FINLEY STARTED.

Finley, the St. John fullback, who performed in stellar fashion throughout the game, scored St. John's try. He took U. N. B. unawares just as "Sheeny" McKnight did when he scored for the U. N. B. against Fredericton City. Finley went around the right end of the U. N. B. half-line. He ran close to the touchline and spectators say he went over it. Joe Brosman, the Algonquin touch-judge, said Finley stayed in the field-of-play and the try was allowed. It was not converted. Brosman previous to this incident had shown ignorance of the duties of touch-judge, and at Captain Kinghorn's request, he was replaced by Holly Wandless.

FIRST HALF.

The first half of the game was all Algonquin. The St. John team won the toss and played with the sun at their backs. Early in the game their forwards although lighter than the U. N. B. pack showed that they could gain ground. Their quarters however, were the strongest part of the team, while the halves tackled hard and took the offensive frequently. Drinan got away for a twenty-five yard run early in the half. U. N. B. showed lack of knowledge of the game by hacking at the ball.

Referee Dolan penalized the college quarters frequently for picking out of the scrim. Play was very slow and in U. N. B. territory most of the time. Only once did the U. N. B. halves show anything like the form displayed against Moncton. The ball went out to Binney, but Drinan stopped him. Howe's defensive playing was a feature at this point. The college lost much ground by fumbling of the backs.

SECOND HALF.

U. N. B. started out like a football team after half time. The ball was fumbled to the Algonquin goal-line, where H. Seely stopped the dribble. Loose play by the U. N. B. halves let the ball go back to the college five-

yard line. Play went back to mid-field and Finley scored as mentioned before.

Play zigzagged back and forth. McGibbon misjudged a punt and had the Algonquins been a little faster they would have scored. Howe made a fair-catch and Deedes took the kick. He sent the ball over the St. John goal-line and Finley touched down. Shortly afterwards Deedes dribbled over the Algonquin line and several players fell on the ball. The Algonquins then bucked up and carried the play into the U. N. B. territory, where it stayed until the end of the game.

Rigby and Melrose were prominent in the college forward line and at fullback McGibbon played a consistent game. Drinan, Thorne and Willis of the Algonquins, were playing all the time, and the St. John quarters were superior to their opponents. Leonard and Stan Seely played aggressive football in the Indians' forward line.

ROW ENDED HIGH SCHOOL GAME WITH TIED SCORE

A football match which furnished more excitement than any has afforded in the past ten years was pulled off at College Field Saturday afternoon when St. John and Fredericton High Schools played. The excitement was not furnished as much by the game itself as by the specialties which were put on at the various times. The game was close and keenly contested. The score at the end of time was 3 to 3, and overtime was played in an attempt to break the tie. "The best laid schemes of mice and men gang aft agley" and this was an instance, for a scrap between two players led to a scrap between the referee and a spectator with the result that the crowd took possession of the field and the game was not played out.

The visiting team made its try in the first half Murphy doing the trick, when the Fredericton fullback misjudged a kick on his own goal-line.

The first half was all St. John, the Fredericton team playing poorly its half-backs particularly being compelled to save itself from being scored upon by touching down or kicking over the dead-line. In the second half Fredericton High School showed a surprising reversal of form scoring on St. John after a good piece of play by the halves in which Walker and Burns figured, and keeping the opposing team on the defensive up to the end of the game. In that portion of overtime which was played the Fredericton team kept the ball in St. John territory where it was when played stopped.

THE ROW.

The incident which caused the end of the game occurred in the first minute period of overtime, which it was decided to play at the expiration of time. Walker, one of the Fredericton High School halves, was observed trying to drive the head of the St. John captain, Donnelly, into the earth and was deservedly ordered from the field. Donnelly had been playing a rough game from the first toot of the whistle, but had been working in his special attentions to the Fredericton players in such a manner as to escape the notice of the referee. When Walker was ordered from the field the spectators ran on and demanded that Donnelly be also put out of the game. The Fredericton team made the same demand and when it was not granted declined to play, the game ending with the score 3 to 3. During the altercation which ended the game the referee was asked by reporters if he intended to penalize Donnelly as well

'WANDERERS' HALF HAD SPINE BROKEN ON SATURDAY

Slipped and Fell Doubling His Neck up
—Wanderers Won From Dalhousie 8 to 0.

The Halifax Chronicle says:—R. W. McLellan is at the Victoria General Hospital in a precarious condition as a result of an injury received in the football game between the Wanderers and Dalhousie on Saturday afternoon. McLellan had received the ball on a pass and was running up the field, when he lost his footing and fell forward in a heap on his head. He was running with his head down and in falling his body doubled up and his spine was fractured between the shoulders. He was, at first, thought not to have been hurt badly, but when he did not rise the other players gathered around him and it was soon realized that he was seriously injured.

At the hospital an X-ray photograph of the back was made and it was found that one section of the spine between the shoulders was broken, and the spinal cord damaged. An operation was decided upon, and on Saturday night, Dr. McKay, with the assistance of Dr. Cox and Dr. McAskill, house surgeon, was successful in relieving the pressure of the spinal cord and some hope is entertained for his recovery. The fracture of the spine caused paralysis from the shoulders down.

Though seriously injured, McLellan never lost consciousness and asked to have it made clear that none of the Dalhousie players were to blame for his injury and that it was an accident pure and simple.

WANDERERS WON

With the field wet and slippery from the constant rain of the past few days, and with a heavy down-pour of rain throughout almost the entire game, the Wanderers outplayed Dalhousie in every department of Saturday's football match, and won out by a score of eight points to nothing. It was the Wanderers game right from the outset and considering the

ABBIE WOOD WON AGAIN FROM CAMERON

Montreal, Oct. 31.—Abbie Wood, the well-known Montreal long distance runner, easily defeated Fred Cameron, of Amherst, N. S., this evening in a 15-mile matched race at Jubilee rink. Wood ran a clever race, holding in well and letting Cameron make all the pace, simply hanging on till the last, then Wood let out a spurt which showed he had much more reserve than the Amherst man and easily established a lead of 30 yards, which he held to the end, defeating Cameron for the fourth time by his strong finish.

While the apparent time given, 1 hour, 38:35 seconds, was slow, it was found that, owing to a mistake of measurements, the men had run nearly 17 miles. There was a fair sized attendance and Wood's spectacular finish brought the crowd to their feet, cheering.

Wood and Cameron leave tomorrow for New York, where a team race will take place Friday night at Madison Square Garden. Wood and Meadows, running against Cameron and Hans Holmer, for 20 miles.

PAT WHYTE FOURTEENTH AT HALIFAX; THOMAS THE INDIAN WON

Halifax, Oct. 31.—Michael Thomas, the fleet Indian runner of the Abegweit Club, Charlottetown, won The Herald and Mail's ten mile championship road race here today from a field of 56 starters. The team prize was won by Chabucto Club, of Halifax. St. John runners were the favorites, but, owing to the large number of competitors, from the Chabucto Club, the fleet runners from the sister city were badly handicapped. Ernie Sterling of St. John, ran a game race, and finished in fifth place.

The St. John men finished as follows: Sterling fifth, Whyte fourteenth, Stubbs twenty-third, Horseman, twenty-ninth. St. John was second in the team race. They left for home this evening. Thirty thousand people witnessed the race.

The road race was the most successful ever held by The Herald and Mail. The weather conditions were most favorable for Eastern Canada's greatest athletic event.

Fifty-six of the fastest runners in the Maritime Provinces lined up before The Herald building at five minutes after ten.

Over twenty thousand enthusiasts lined the sidewalks from The Herald building to North Street.

Attorney General MacLean discharged the pistol which started the runners on their long grind.

WHITE WON EASILY

Montreal, Oct. 31.—E. White, of Brockville, won The Herald round the mountain race in easy fashion today in 56:65 3-5. There were 124 runners in the race.

condition of the field and ball the game was extremely fast. The heavy rain of the week had soaked the ground and it was hard for the players to show what they really could do. To say that the Wanderers were elated over their victory would be to make a mild statement, but owing to the unfortunate accident to MacLellan very little comment is made on the win.

When play was resumed McFadden was caught picking the ball out of the scrim. The free kick was returned. Brewer's weight was telling in the throws-out from touch. The Fredericton halves lost ground through loose play. The ball again went over the St. John line for a touch-down Fredericton losing the chance for a try through poor playing.

McFadden was again penalized for picking out. Kicking sent the ball to John's five yard line, but it was dribbled back. Time was called with the ball at mid-field.

OVER TIME

Fredericton kept St. John on the defensive during overtime. Walker's punts were very effective. Donnelly and Burden got into a mix-up. Matters were straightened out. The game ended in confusion with the ball in St. John territory.

A House on Your Hands

Did you ever figure out how small a percentage of our population pass your house when they could see a "To Let" sign, or how large a percentage read our paper? Good tenants are not the kind that have time to waste in going around looking for signs. They look in our Want Ads.

If you have a house on your hands, a "To Let" sign, and will bring them to you, we will be glad to help you.

Woollen blankets should be put away in boxes lined with newspapers and a few pieces of cotton, saturated with turpentine, should be put in the corner of the boxes to keep out moths.

The addition of a little sugar to the water in which turnips are boiled will improve the flavor of the vegetables.
