TOM FLANAGAN IS AT JOHNSON'S CAMP

Longboat's Old Manager to Help
Negro—Bout Between Ring Veter-
ans is Now Proposed.

San Francisco, Cal., May 25.—There is joy in the Johnson camp as a result of the announcement that Billy Delaney, veteran maker of heavyweight champions, is to coach the negro for his fight with Jeffries. Johnson himself is highly elated. He figures that Delaney is the best man in the business to prepare him for the crucial battle of his career. This belief is based on the fact that not only can Delaney give him the fruits of forty years of ring experience, but that the veteran who developed Jeffries, knows more about the retired champion than anybody else and will be able to give Johnson many pointers about Jeffries' style of fighting.

The advent of Tom Flanagan into the Johnson camp is likewise a matter of great satisfaction to the negro's supporters. Flanagan, who trained many long distance runners, including Longboat, the Canadian Indian, will have supervision over Johnson's road work, which the fighter regards as one of the most essential features of his training.

Delaney broached a suggestion to Promoter Tex Rickard yesterday that finds favor with the fans. His proposal is to invite Jem Mace, the one-time champion of England, and Bill Clark, another veteran pugilist, now living in St. Louis, to box three one-minute rounds as a curtain raiser to the big fourth of July contest. Delaney says he is willing to act as referee for the old timers and he would revive an historic custom by having Mace and Clark shy casters into the ring and affix their colors to their respective posts as pugilists were wont to do in the "Palm Days."

Rickard welcomed Delaney's plan, and will try to carry it out. According to Rickard, the work of constructing the big fight arena here will begin on Monday.

DIAMOND DUST

The rearrangement of the Toronto team since the sale of Jack Deal simply means the substitution of O'Hara for Deal. The answer is easy. If somebody does not get a move on and stop the Philadelphia Americans they will have a tight hold on the Ban Johnson pennant. If they hit another of those long winning streaks they will only have to win about half of their remaining games to land the bunting.

Jack Deal's base-stealing will be a thing of great value to the Montreal club, Grimshaw's lack of speed will be more than atoned for by his fielding and batting, "Grim" is a fighter too, not a rowdy ballplayer, but the hustling, aggressive kind who is trying every minute to win.

The Pittsburgh Leader devotes a column to a comparison of Fud Sharpe and his former rival for the Pirate first sack. In the Boston-Pittsburgh series Flynn hit .455 and Sharpe .182. They both fielded perfectly, but the ex-Torontonian had more to do than Sharpe. (The Leader says:—Flynn is certain to prove a good batter. His position at the plate is faultless. Bending forward slightly. Flynn is in a position to hit to any field according to the pitch. If the ball comes right over or a little close, without shifting he can pull to the left pasture or drive directly to centre. These are his favorite spots. Flynn is cool and confident in tight places and most of his hits have been timely, run-scoring drives. He looks better every day, and the past week his stickwork has been high class. Flynn has become a prime favorite with Forbes Field patrons. He is a hustler and spills more chatter than all the rest of the infielders combined.

U. N. B. TRACK SQUAD LEFT FOR ST. STEPHEN

Large Number of Rooters Will Cheer
on Red and Black at Intercollegiate
Meet Tomorrow.

The U. N. B. track team, accompanied by a large number of rooters, leave this evening for St. Stephen, where the Intercollegiate Track Meet takes place tomorrow. Some of the members of the team left this morning. The chances of the U. N. B. team of landing the cup are considered to be fairly good, but it is expected that the winning team, whichever it may be, will not have a big margin. If Acadia wins the cup this year the trophy becomes the property of that college. Since the cup was put up for competition in 1903, it has been won as follows:

1903, at St. John, by Mt. Allison.
1904, at St. John, by Acadia.
1905, at Halifax, by U. N. B.
1906, at Moncton, by Acadia.
1907, at St. Stephen, by U. N. B.
1908, at Moncton, by Acadia.
1909, at Moncton, by Acadia.
The U. N. B. track squad is composed of the following:
Brooks, Lank, Spicer, Deeds, Binney, Dever, Johnson, Eastman, McNair, Robinson, Willis, Armstrong, Connelly, Smith, Grimmer, Teed.
It is doubtful if all will be used at St. Stephen.

The records made in previous Intercollegiate Meets are as follows:

INTERCOLLEGIATE RECORDS.

100 yards dash, 10 2.5 seconds.
High jump, 5 feet 7 inches.
Running broad jump, 21 feet 11 1/2 inches.
220 yards dash, 23 1-5 seconds.
Hammer throw, 125 feet 2 1/2 inches.
440 yards dash, 50 seconds.
Shot put, 37 feet 8 inches.
120 yards hurdles, 16 3-5 seconds.
Pole vault, 9 feet 9 inches.
Mile run, 4 minutes, 55 seconds.
It is possible that some of the above records may be bettered. The pole vault and shot put have been closely approached by U. N. B. at practice.

BOXING GOSSIP

Apparently every boxing promoter in California is figuring on running a big fight late in June or around July 4 when the Jeffries-Johnson battle comes off. Within the next few weeks most of the fighters now in the East will hit the long trail. Some of them have engagements all made for the coast and others will go out on a chance to pick some money and incidentally see the big fight.

Among those who are soon to make their getaways are Attell, Langford, Jem Driscoll, Ketchel, Johnnie Coulon, Willie Lewis, Joe Jeanette, Jim Stewart, Battling Nelson, Ad Wolgast, Al Kaufman, Matty Baldwin and many others. Things will be very dull in the East after the first week in June. But after that there will be some star pugilists out of funds, which means easy matchmaking for the Eastern promoters.

Jim Corbett is on his way to join Kid Goodman and Tommy Bergin will meet in Lewiston Me, tonight. "Honey" Melody will leave Friday for Oklahoma where he is to meet Kid Ferns, June 7.

Maurice Desmoine has been matched to box Jack Ryan of New York at Southbridge, June 7.

The chief of police of San Francisco says he will not stand for any more bouts between boxers of unequal skill.

Ad Wolgast the lightweight champion, and Lew Powell have been matched to box in Vernon, Calif., June 25. Wolgast had no trouble winning before over Powell and he is pretty sure of repeating.

Frank Mantel, the Pawtucket mid-dleweight, evidently was not treated just right in his recent bout with Denver Jack O'Keefe at Sacramento. It was called a draw, but the fans figured that Mantel should have got the decision.

Sandy Ferguson, who is in Los Angeles training for his bout with Jack Burns in that city May 31, in letters to his manager, Johnny McGann, gives glowing accounts of the condition he is in for the bout. McGann hopes he will box as well as he writes.

NOT IN A HURRY.—A gentleman hurriedly entered a much advertised West End of London emporium to look for an address in the directory. He found a lady studying the book very intently. He waited as patiently as he could for a time, but the lady still searched, and as his time was limited he finally ventured to remark "If you are in no great hurry, madam, would you be so kind as to allow me to glance in that book for just a moment?" "Certainly," she replied, "I was just looking it over to find a nice name for baby."

THE MARRIAGE LAW

Clergyman in a Sermon to Sons of Eng-
land Says that Early Marriages are
a Gamble—Makes a Strong Plea
for Purity in the Home.

Toronto, May 23.—The annual church parade of the Sons of England Benefit Society took place to St. James' Cathedral yesterday afternoon. There were over eight hundred in the procession, which was headed by the British Welcome League band.

An excellent sermon was preached by Rev. Lawrence E. Skey, M. A., rector of St. Anne's Church, which resolved into an earnest appeal for the sacredness of the marriage tie, and for greater purity in the home. "In these days," he said "we need something to make our nation stronger and better. That something is a greater regard for the sacredness of home. The higher the homes are lifted up and the more sacred the level attained, the higher will the country be lifted up."

"One reason for the degeneration of home life is the bad marriage laws of the country. The laws are most inadequate. Under them a boy and girl over fourteen years of age can be married provided they obtain the consent of the parents. This is a crying shame. We clergy remonstrate and weep, but we are powerless to do anything when parents have no sense of the responsibility resting upon them. Three times during the past three years I have had to perform marriage ceremonies for three girls sixteen years old. I pleaded with the parents, but they could not see any harm in these marriages, and as the law makes it possible, I had nothing to do but comply."

Rev. Mr. Skey then pleaded with all present to use their influence with their children. "Every father and mother should see to it that their children do not gamble with the greatest destiny of life, because early marriage is a gamble. No girl should marry under nineteen, and no man should marry under twenty-one. Boys and girls under these ages might entertain a sentimental idea of love, but when they later face the hard realities of life too often they discover that they are not suited to each other, and then the grim tragedy begins."

LOWER PRINCE WILLIAM.

May 23.—Mr. Michael Kelly, of St. Martins, the blind lecturer and orator, lectured in the Baptist Church last Monday evening, in Temperance, in the interest of the I. O. G. T. The following evening he preached an able and impressive sermon to a large congregation. The silver collection taken at the close of the meeting for Mr. Kelly, testified to his popularity.

Mr. Nevins Kitchen, who has been on a business trip to Plaster Rock, returned home Saturday.
Mr. and Mrs. Gordon Boddy are receiving congratulations on the arrival of a young daughter at their home last week.

Mr. and Mrs. Spurgeon Jewett are also receiving congratulations on the arrival of a young son.

The Women's Missionary Society met this month at the home of Mrs. Abram Kitchen. The June meeting will be with Mrs. Samuel Moore, of Burden.

Miss Inis Kitchen has returned home from the Fredericton Business College.
