GIANTS DEFEATED HIGHLANDERS IN THE DECIDING GAME

Christy Mathewson in Box For Nationals
was Batted Hard—American Field-
ed Poorly.

New York, Oct. 21.—With Christy Mathewson in the box the New York National league won the 1910 baseball championship of Manhattan today by defeating the American league team six to three, thereby taking four out of seven games. The games stand: National 4 won; Americans 2 won; one game tied. The Americans out-batted their National league rivals in today's game, but played poorly in the field, their errors enabling the Giants to get three tallies. Doyle's home run in the third inning, with two on the bases, was the feature hit of the game and of the series.

The total attendance at today's final game between the Highlanders and the Giants at the Polo grounds was 4,439, and the total receipts, \$3,433. Of this sum the National commission will receive \$343.30, and each club owner \$1,544.85. The total receipts for the series were \$81,462.50.

DERBY BOY WINNER IN FREE-FOR-ALL AT HILLSGROVE

Hillsgrove, R. I., Oct. 21.—Only two of the five events on today's card were finished and three of the races all split affairs, will be fought out tomorrow. A raw, cold wind swept over the course and the 600 spectators shivered in the chilly atmosphere while the judges took their time in getting the heats started.

Gracious Peter, owned by C. R. Russell, of Lake George, N. Y., won 5th heat and race in the 2.20 trot in a fierce struggle. Derby Boy, entered by George N. White, Lansdale, Pa., captured the free-for-all trot in straight heats, although pressed hard in the stretch. The 2.15 trot proved a genuine horse race, and after four heats it was carried over with a local horse having two heats to his credit, and two others each having one heat to their advantage.

The 2.15 pace brought out a field of 20 horses and the judges split the field in two divisions. Kid Wilkes, entered by V. M. Frost, of Springfield, Mass., won two heats in close finishes after Ike Blumenthal's Charlie R., a Hartford horse led the field in the getaway. Stanza, A. S. Rodney's Queen Direct and Roxy Ann owned by S. B. Hastings, of Boston, each have a heat to their credit, in the second division.

RING NOTES

Bobby Wilson and Young Nitchie have been matched to box in Albany next Monday night.

A. J. Dunsy of Jamaica Plain and Tom Foley of South Boston will meet again at the Armory A. A. in a couple of weeks.

The bout between Battling Nelson and LaGrave, which was to take place in San Francisco next week, has been called off, as Nelson insisted on getting \$5,000 for his end.

Tommy Lee of New York, manager of Frankie Burns, the New Jersey bantam, started for home yesterday after making an unsuccessful effort to match Burns with Jimmy Walsh. The managers could not agree on conditions.—Boston Globe.

Frank Klaus, who is to meet Jimmy Gardner at the Armory A. A. next Tuesday night, will arrive in Boston Sunday afternoon. As he has been training for a bout in Philadelphia that did not come off he will require but little work to have himself right for the Armory go. Gardner is aware that this is his last stand to make good in the boxing game.

RED AND BLACK XV HAS
BEEN CHANGED FOR TODAY'S GAME

RED AND BLACK XV HAS BEEN CHANGED FOR TODAY'S GAME

Jennings and McNair of U. N. B. out of Game on
Account of Injuries—Jardine and Colter New Men
on Fredericton Team.

U. N. B. and Fredericton are slated to meet for the third game of the season at College Field this afternoon. Both teams will have new men playing. The U. N. B. has a couple of good men out of the game in Jennings and McNair, both of whom are rather knocked-out after Thursday's game with Moncton. Just why U. N. B. has made changes other than those made necessary by accidents is unknown. The changes made in the City line-up will not weaken the team.

The teams are expected to go on the field in the following order:

McKee.....	Fullback	McGibbon.....
Rutter.....	Halves	Binney.....
Jardine.....	(Capt.) Kinghorn	Babbitt (Capt.).....
Hazlett.....	Howe	Balkam.....
Clynick.....	Quarters	Machum.....
McKnight.....	Bender	Vavasour.....
McFadden.....	Forwards	Patterson.....
Day.....	Jewett	Deedes.....
Brewer.....	Wandless.....	Alexander.....
Clark.....	VanWart	Melrose.....
Brooks.....	Rigby	Barker.....

The Fredericton substitutes are to be, Roberts, half; Chappell and Belding, forwards.

The College substitutes will be, Gunter, Gilbert and Murray, forwards, W. Loggie, quarter; Creaghan, half.

On account of McNair's injury Vavasour will play as third quarter. Here before he has played in the scrim.

GREAT GAME IN MONCTON THIS AFTERNOON

All eyes will be on Moncton today where Mount A. and Moncton will battle on the gridiron. U. N. B. administered a severe trouncing to Moncton here on Thursday, but today the Moncton team will be much stronger than it was here, especially in the forward-line. Moncton always was a tough proposition on home grounds and will have an advantage over Mt. Allison today. The result of the game will be the means of sizing up the comparative strength of U. N. B. and Mt. Allison.

MT. ALLISON TEAM

The Mt. Allison team is expected to be as follows:

Full Back—Trapnell.
Halves—McDougall, Godfrey, Grant or Milford, Smith.
Quarters—Bell, Thompson, McKeen.
Forwards—Lawrence, Parker, Glenning, (Capt.) Cochrane, Woodman Moore, White.

MONCTON TEAM

The Moncton line-up, as well, has not been officially posted as yet but will be selected from the following:

Gilbert, who has been playing the third quarter position in practice is a sub. Machum will take Jennings' place at quarter. He has been playing as a half-back. Gunter, who has showed up very well in the forward-line has been laid off and Patterson will be tried out. VanWart is another new forward and is an unknown quantity.

NEW CITY PLAYERS

The Fredericton team will have Jardine at left inside half. In past seasons he has put up a first-class game and should play in good form today. He takes McGibbon's place. Fred Baird is out of town and Hazlett has been dropped back from quarter-back to fill his position at right-outside half. McFadden will be at quarter again. Prof. Stephens has not yet recovered sufficiently from the injuries he received some time ago to get into the game. Ashley Colter, who was with U. N. B. a few years ago will be in the scrim and his weight should tell.

Prof. Stephens and John Dolan have both been mentioned in connection with the office of referee.

FAIR CATCHES

Many persons doubt the wisdom of the numerous changes which have been made in the U. N. B. team.

McKnight will be back with Fredericton.

The City team is to appear for the first time with its uniforms of white and cardinal red.

Machum's work at quarter will be watched closely by those who have followed his playing in practice.

There will be no shift in the Red and Black half-line, the four men being regarded as permanent.

HOOF BEATS

That free-for-all will not be the least uninteresting thing in the Rhode Island this week.

Ario Leyburn 2.17½ has been turned over to Geers, who may make a useful racing tool of him.

The McDonald stable will be let down at Indianapolis shipping to Memphis after the holidays.

Some of the horses that raced for their owners at Lexington.

Gordon Todd, a three-year-old trotter by the dead Todd, worked in 2.10 at Lexington last Thursday.

The yearling brother to Native Belle, 2.06½ is to be retained at Walnut Hall as a successor to his sire, Moko.

Joan is likely to find her way into the hands of Doc Tanner. C. K. G. Billings is mentioned as her future owner.

Forwards—Rae, Cummins, Mackasy, Lightizer, Doherty, Sewell, Stoyles, Ayer and McFarlane.

Quarters—Humphrey, McIsaac and McBeath.

Halves—Dayton (Capt.) Brown, Doe, Donald and Edington.

Full—McLeod.

THE INTERNATIONAL Y. M. C. A. CONVENTION

Local Young Men's Christian Associations throughout Canada are busy selecting the delegates to represent them at the Great International Convention to be held in Toronto on Oct. 28-31. Some idea of the importance of the gathering is had from the fact that over two thousand delegates will be present.

The programme for the Convention is, in part, as follows:

Quiet hour session—Fletcher S. Brockman, national secretary, China. Triennial report of International Committee—Dr. L. C. Warner, New York.

"A Decade of Association Progress."—Home Field, Alfred E. Marling, New York; Foreign Field, W. D. Murray, New York.

"The Unifying Power of Christ and His Service."—Rev. J. L. Gordon, Winnipeg.

"The Timeliness of the Association to Meet the Needs of Canada."—J. A. Macdonald, Toronto.

Three devotional addresses by Dr. George L. Robinson of Chicago.

"In View of (a) Large Modern Buildings, (b) Civic and Industrial Opportunities, (c) Growth of Brotherhoods and Kindred Organizations, what is the present-day association objective, and what changes, if any, are required in our Religious Work Methods?"—C. R. Joy, A. G. Studer, Chas. R. Towson, W. K. Cooper, L. W. Messer and others.

"The Association's Message to Young Men."—F. S. Brockman, China.

"The Latest Powers of the Men of North America."—N. W. Rowell, K. C., of Toronto, and Dr. Clarence A. Barbour, of Rochester.

"Our World-wide Obligation."—John R. Mott, L.L.D.

"What Can the Association do to Recruit for the Church, Leaders, Lay and Clerical?"—Dr. Clarence A. Barbour, Rochester.

"Safeguarding the Boys of a Continent."—Ernest Thompson Seton New York, and D. R. Porter, New York.

"Some Great Unfinished Tasks in the Work of the North America Association Movement."—John R. Mott, L.L.D.

Canada has a right to expect great things from the Convention. During the last four days of its existence, several thousand picked men, representing the Young Men's Christian Association movement in America and Britain, will meet in Toronto. It is a third of a century since an International Convention of the Association was held in Canada. Since then the whole situation has changed. The range of the Association is wider. Conditions in Canada have been transformed. There has also come a larger recognition of the place and function of the Association in the life of the nation. All these facts combine not only to give visibility to the International Convention at Toronto, but also to increase its obligations.

Canadians throughout all the provinces of this half-continent are looking forward with eager expectation to the gathering. They hope for the best things. They know that from the Convention lines of transmission run out to every large centre. They believe that within reach is the source of "all power in Heaven and in earth." To send that power thrilling through the lives of all the delegates to the life of the Canadian people is the great opposition of the Convention. It is indeed great business.

RAIN SPOILED RACES
AT MEMRAMCOOK

Moncton, Oct. 21.—Owing to yesterday's heavy rain the fall races on the Memramcook track today were not as successful as anticipated, the attendance being rather small and the time slow. The green race was called first, Sleepy Jim, F. Bowes, Dorchester, first; Fannie Clayson, A. L. Buck, Dorchester, second; and Prince Albert, Lebaron Buck, Dorchester, third. Best time, half mile, 1.18.

The three-minute class was won by Royal Clayson, Bowes, Dorchester; Togo, E. McManus, Memramcook, second. Best time, 1.15.

Owing to an accident to Candy Girl and Claudia Hall the 2.17 class did not fill.

PUNTS AND DROPS

According to the Acadian Recorder Mt. Allison players in their game with the Wanderers at Halifax wore canvas jackets. Gear of that kind is a thing of the past as far as English Rugby is concerned.

On Thursday St. F. X. trimmed New Glasgow 20 to 0 at Antigonish. The Xavierians forwards but it all over their opponents. Walsh of St. John did part of the scoring. Others who figured were Morrison, Campbell and Macgillivray.

Concerning the Mount A.—Wanderer game at Halifax the Acadian Recorder says Mt. Allison used number signals. The Recorder says also, "They played with great snap, displayed much judgment, tackled quickly and showed they possess excellent material, and while they are strong in gaining ground by kicking into touch following the scrimmage, they have apparently not paid great attention to passing, and dribbling also lost sight of."
