HERSEY DROVE MINOR HEIR IN GREAT STYLE AT INDIANAPOLIS

In Spite of Stiff Wind Great Horse Stepped L's Quarter in 2.6--Skillful Driving.

Indianapolis, Sept. 15.—Although the noted quartette of pacers failed to break any world's records at the state fair yesterday, they went a wonderful mile under the circumstances. The time was a second and a quarter slower than the world's record performance on Monday, but Minor Heir, who again won the race, stepped the last quarter in 29 seconds faster than any quarter in his previous efforts. In the last furlong the stallion seemed fairly to fly, and this in the fact of a wind that kept the flag on the top of the timers' stand out flat.

On the first score Hedgewood Boy broke and on the second Minor Heir and Lady Maud C. went off their stride, but all were pacing smoothly the next time down. The first two quarters of the mile were in 30½ seconds each and it was plainly seen that no such mile as was witnessed on Monday was to be repeated. From the half on the time improved, the third quarter being in 30½ and then came the marvellous final two furlongs. Minor Heir had the pole and never lost it, maintaining a comfortable lead all the way. Down the homestretch Hersey got busy and commenced to swish his whip, shift the bit and, in fact, employed all the artifices of the skilled reinsman. It was an entirely different finish from that of the record-breaking mile, and the immense crowd went wild with enthusiasm. In the 2:20 trot and the 2:13 pace it took five heats to decide the winners. Senator Hale had a chance to win the opening heat in the 2:20 trot, but stumbled three times in the stretch and nearly fell. The summary:

THE HARVESTER AGAIN BROKE STALLION RECORD

Trotted Mile in 2.01 1-4 at Syracuse Yesterday—Geers Won C. of C. with Demarest.

Syracuse, N.Y., Sept. 15.—At the state fair track today The Harvester the great brown horse owned by August Utheim, of Milwaukee, piloted by Ed Geers, broke his own and the world's record for trotting stallions of 2:02 by stepping a mile paced by a runner, in 2:01½. Horse and driver were given a great demonstration by the great throng which jammed the stand and overflowed against the track fences to the turns.

This was but one of a number of brilliant features upon the grand circuit, card which followed the inter-city matinee races. The Chamber of Commerce stake of \$2000 for 2:09 trotters, unfinished from Wednesday, became a sensation and gave Geers another honor for what proved one of the happiest days of his life. Three heats of this event had been raced at sundown Wednesday. Soprano, the plucky daughter of Bellini, had taken the first two heats and was just brushed out of one by Oro Bellini in the third. The experts figured that the finish on Thursday would be between Soprano and Oro. However, at the resumption along came Geers' Demarest and took three heats and the race.

STIRRING FINISHES

Stirring finishes were well nigh the unbroken order of the day. In the 2:04 trot, after Bob Douglas had easily taken the first heat when Sonoma Girl broke badly at the first turn and barely saved her distance. Cox electrified the crowd by excellent driving in the second which almost landed the Girl a winner. There were ding done finished too, in the 2:08 trot, won by Gen. H. and D., in the 2:04 pace which May Day beat Earl Jr., Ethan Roberts not being a serious factor.

Track Fast.

The course was in fine shape for the record breaking attempt of The Harvester, the air being warm and there being little wind. Geers nodded for the word on the second attempt. The Harvester paced a grand mile, never faltering and finishing strong.

ALL-STARS SAY THEY WILL DEFY COMMISSION

Detroit, Sept. 14.—The gauntlet has been thrown down to the national baseball commission. Celebrities of the diamond insist that they will play on the All-Star American and All-Star National teams this fall, and the promoter, D. A. Fletcher, is equally as insistent that the tour is a certainty.

Fletcher was in Detroit today. Soon after his arrival Larry Lajoie and George Mullin put in an appearance, followed by Bush, Stange and Crawford. A long conference was held in Mr. Fletcher's room. Judging by the chance remarks dropped by the players after the meeting, it appears certain that they had confidence in Fletcher.

"We'll have the certified checks," said Mullin. "It shows that they mean business."

It was learned today that the shipping baseball players with the exception of Hans Wagner, Roger Bresnahan and Eddie Walsh, had signed contracts.

Fletcher hopes to secure the signature of Hughie Jennings to a contract. Jennings was on the point of signing up, but the action on the part of the commission, which refuses to sanction the tour, made him halt. Ty Cobb, as well as Mullin, Stange, Bush and Crawford, were among the first to sign.

RUGBY TEAMS ARE ORGANIZING IN ST. JOHN

Word from St. John is to the effect that there will be two senior Rugby teams in that city this year. The Alouettes who have been in the game for several seasons past will again put a senior XV on the gridiron.

Sandy Thorne formerly captain of the U. N. B. team, season 1905 will very likely be captain of the Indian's team. Carlton is also likely to have a senior team this year.

A FINE WEEK END PROGRAMME

The Bijou has a very fine programme for today including a vitagraph feature "The Turn of the Balance," a society drama that possesses all the elements that keep up a continuity of interest, also "His Sing and the Grasers" a good western picture and other good subjects. —d

"JIM" VAUGHN

"Big" Jim Vaughn, the star pitcher of the New York Baseball Club, is back again on the diamond after a long absence in which he was nursing a sore arm. Vaughn is now in perfect condition and is ready to do some good twirling for the Yankees.

WATERBURY TEAM MAY PLAY IN ST. JOHN

St. John, Sept. 16.—Some real baseball is promised the fans during the next few weeks. The St. Peters and Clippers will play two games next week. They will clash in the Every Day Club grounds on Wednesday afternoon, and on Saturday will play on the Shamrock grounds. Arrangements have also been practically completed for bringing here the fast Waterbury team, the winners of the Connecticut League, to play an All-St. John aggregation that will be picked from the St. Johns, Clippers and St. Peters. This should prove a banner attraction.

PITCHED NO HIT AND NO REN DOUBLE-HEADER

Bessemer, Ala., Sept. 14.—Striking out more than a score of batters and keeping his opponents helpless for two games last Thursday, Pitcher Tucker, of the local league team, is believed to have established a precedent in baseball by winning both ends of the double header without a hit or run. Tucker gave several bases on balls, but nothing resembling a hit was secured of his delivery.

BASEBALL NOTES

Pitcher McIntyre of Meaford and First baseman Kelly of Buffalo worked out with the Leafs in practice. They will be placed by the local management if they give promise of developing into good men.—Toronto Globe.

Second baseman Jim Delehanty of the Detroit American League team is in a hospital at Cleveland with a badly sprained leg, received in sliding to the plate in Saturday's game and may not be able to play again this season. His physician says he will be able to walk but must not venture on the field for a long time. He is a brother of Joe Delehanty of the Leafs.

The New England clubs lost between \$25,000 and \$35,000 during the championship season closing last Saturday according to the estimates of several of those in close touch with the league's affairs. Even New Bedford, winner of the pennant quit more than \$1,000 behind the game, the sale of Cunningham for \$3,500 to the Washington club helping out the Whalers' treasury a whole lot. In fact the only club that did succeed in making any money was Worcester.

Colorado E was picked out as a world beater by the late Will Evans, who named him Colin, after the great thoroughbred.

John H. Shults has placed Toddington in Billy Andrews' hands. This young stallion is by Moko out of Fanella, the dam of Todd and Sadie Mac.

Young Italian's Serenades to Women Sent Him to the Workhouse

New York, Sept. 16.—Antonio Martello, a Neapolitan, who lives at 581 Robbins Avenue, the Bronx, went to the workhouse yesterday for serenading women at 149th Street and Robbins Avenue late on Sunday night. On complaint of several women Patrolman Larkin of the Alexander Avenue Station investigated, and saw Martello playing a guitar, and singing Italian serenades. He watched him for fifteen or twenty minutes, and saw him address passing women. The singer finally approached a young woman and spoke to her. When she repulsed the troubadour Larkin arrested him. In the Yorkville Court yesterday morning Martello said he was a city lamplighter, and told Magistrate Corrigan he meant no harm. The magistrate sent him to the workhouse for twenty days.
