CHAMPION TIGERS LOSE TO THE TAILEND BROWNS

Chicago Defeats Cleveland--In National League Chicago Whips St. Louis--Cincinnati Puts it Over Pittsburgh.

AMERICAN LEAGUE.

St. Louis, 4; Detroit, 3.
St. Louis, Mo., June 26.—The Browns regained their popularity with the St. Louis fans when they won a thrilling game from the champion Tigers by a score of 4 to 3.

Barney Peltz, the veteran pitcher, took on a new lease of life and had the Detroit sluggers eating out of his hand throughout the contest.

The renowned Cobb could not even get one hit. Some wonderful fielding stunts by Peltz's team mates helped him along, and Wallace, Newman, Hoffman and Stone wielded their big sticks in timely fashion. Clever fielding also pulled Peltz out of several tight places.

Detroit scored one in the second on Crawford's double, Delehanty's sacrifice and Jones' double.

Three Browns tallied in the second, which Newman opened with a single to center. Schweitzer walked. Hoffman singled to right. Truesdale hit to Bush, who fumbled, scoring Newman. Killifer fanned. Peltz filed to Cobb and Hoffman and Truesdale advanced on the play. Then Stone hit over second for a base, scoring Hoffman.

Wallace led off in the Brown third, with a scorching single to left. Newman singled over second. Schweitzer bunted and on a bad throw all were safe. Truesdale walked, scoring Wallace.

Detroit tallied the final run of the game in the fourth, which Cobb opened by flying out to Stone. Crawford singled over second. On the hit and run Delehanty singled past short. Killifer, trying to catch Delehanty stealing second, threw wild, Crawford scoring. Moriarty walked and stole second. Jones walked. Schmidt filed to Hoffman, scoring Delehanty.

It was the Browns' third consecutive victory.

Cleveland, 5; Chicago, 4.
Chicago, June 26.—Cleveland combined clever playing with Chicago's

laxity in the fourth inning and made five runs, enough to win by a margin of one.

NATIONAL LEAGUE.

Cincinnati, 6; Pittsburgh, 3.
Cincinnati, June 26.—Cincinnati bunched hits with bases on balls to win and defeated Pittsburgh 6 to 3.

McLean was ordered out of the game by Umpire Rigler for disputing a decision.

Chicago, 3; St. Louis, 2.
Chicago, June 26.—By bunching two singles, a pass and a double steal in the sixth inning today, Chicago won a hard fought game from St. Louis, 3 to 2. St. Louis drove Kroh from the box after Konetchy hit a home run and Bresnahan had doubled in the sixth. Cole held the visitors safe in the closing innings.

RUGBY FOOTBALL MAY BE INTRODUCED

Oxford-Cambridge Team May Visit U. S. to Re-establish the Game--Roosevelt Has an Opinion About Mollie coddles.

(New York Herald.)

Negotiations have nearly been completed for the sending of a combined Oxford-Cambridge team to the United States with a view to re-establishing Rugby football in eastern schools and universities. In accordance with the ideas of Theodore Roosevelt, expressed to the students at the Cambridge Union on May 26. Mr. Roosevelt said that he wished Americans could learn from Cambridge how to make football less homicidal. He wouldn't have the game dropped for anything, he declared, but would want it changed in order to draw the teeth of the mollycoddles, who were always clamoring for the abolition of any manly game.

MARTIN SHERIDAN PLANS BUSY DAY

New York World.—Martin Sheridan will be the busiest athlete in the world on July 4th. In order to give the kids who will be deprived of their fireworks a chance to see him in action the great athlete will compete in about twenty meets that day. He has mapped out a programme which will enable him to compete at all the meets in all the boroughs that day. As soon as his event is finished on one field he will leap into an automobile and spin to the next field. In this way Martin says he can be at every meet.

And that will be a record and Martin will be hero to every lad in all the boroughs that loves athletics. Boys have long memories and they will appreciate the effort of the great, all-round champion to give them pleasure. Nothing that Martin has done since the triumphs in the Olympic games has been so good. It is the best thing for athletes that has been done in many a year.

BASEBALL NOTES

Addie Joss contends that the real no hit, no run game is where the pitcher strikes out 27 men. Such a case is recorded for the first time in baseball history. Two teams, Montreal and Hotchkiss, in a minor Colorado league met the other day and a lad named Jones pitched for Montreal and fanned the entire 27 batters a marvelous feat. The score was 3 to 0.

Jack Dunn owner of the Baltimore team says that he expects to get \$15,000 or more for "Lefty" Russell when he is ready to sell him. The rumor that Russell is sure to go to the Athletics at the end of the season is all bosh, says Dunn. If Connie Mack's bid is within a thousand or so of the highest offer received, Mack will get the player, says Dunn, not because Mack has any stock in the Baltimore team, but because the Athletics' manager has helped out Dunn in selling him players.

The record for home runs in one season is held by Buck Freeman, a old Boston player, now in the New York state league. In 1899, when he was with the Washingtons, Buck made 24 home runs.

Lave Cross is managing and playing third base for the Charlotte, N. C. team.

That manager Kennedy of the Troy team made a mistake when he released Leo Hafford is the opinion of the Troy fans. Hafford is now pitching good ball for Trenton of the Tristate league.

Hobe Ferris and Jimmy Williams are playing so well in the American association that it is said the Browns would like to get them back.

Batteries—Brown and Graham; Barger, Scanlon and Bergen. Time—1.57. Umpires—O'Day and Brennan.
At Pittsburgh: Pittsburgh... 11100220x—7 10 0 St. Louis... 010000002—3 6 5 Batteries—Webb and Gibson; Lush and Bresnahan. Time—1.35. Umpires—Rigler and Emslie.

THE TANNERY NINE DEFEATS CLIPPERS

The Tannery nine kept up their winning streak by defeating the Clippers last night at Scully's Grove by a score of 2 to 1. It was the fastest and most interesting game that has been played here this year and was watched by a large crowd of spectators. Bird of Marysville pitched for the Clippers and considering that it was the first time that he had faced a batter this year he gave a remarkable exhibition. He had good speed and great control and although hit oftener than McLean he kept his hits so well scattered that there was not an earned run made by the Tannery team. McLean pitched his usual good game holding the Clippers down to five hits and also having no earned runs marked against him. He was well supported especially by Burgoyne and Hudson. For the Clippers Boyce played a hard game and did some fast base running. The same teams expect to play in Scully's Grove the first of July and judging from the swell sample of ball that these two teams put up in the two preceding games there should be a good crowd in attendance.

The teams lined up as follows:
Clippers: Tannery
Dolan...catcher...H. McDonald
Bird...pitcher...McLean
Bartlett...1st base...Chase
Ryan...2nd base...Hudson
Boyce...3rd base...Walker
Johnson...short stop...Burgoyne
Wandlass...left field...King
Hughes...centre field...J. McDonald
Osborne...right field...Coward
Umpires—Blair and McCorquindale.

MELVIN SHEPPARD MAKES NEW MARK

New York, June 26.—Melvin W. Sheppard, the great distance runner of the Irish-American A. C., added another world's record to his credit this afternoon at the Clan-na-Gael games at Celtic park. Paced by two speedy middle-distance runners, he travelled 550 yards in 1m. 5s., clipping four-fifths of a second from the world's mark hung up by Harry Hillman at Travers island in 1905.

HORSE NOTES

After several years of exile, M. J. Daly has been granted a probationary license as trainer by the Canadian Racing Associations.

Steeplechase Jockey Edward Huppe died in New York of injuries received when he fell with Gold Plate at Sheepshead Bay on Wednesday.

After King James won the Sheepshead Bay Handicap on Thursday, a claim was made by Jockey Powers that Shilling, on King James, had struck Maskette across the nose with his whip in the stretch run, but it was not allowed.

The Fort Erie Track is reported in splendid order and the application for stable room are so numerous that very keen racing may be expected at the meeting which opens next Saturday with the \$3,500 Canadian Derby is the feature.

Toronto Globe.—Leaving it to you to draw your own conclusion, I simply point out that in the whole wide world the only governing bodies that prohibit betting on race courses are several State Legislatures whose corruption and misrepresentation of the people are a byword among the nations.

Pail Mall Gazette.—The announcement that His Majesty intends to continue the breeding and racing studs bequeathed to him by King Edward VII., will be welcomed everywhere but in the ranks of a narrow and misguided school of censors. Racing is a healthy and natural sport and one that is indispensable, moreover to any country that wishes to maintain its breed of horseflesh at a high level. It has its moral dangers, just like tea parties or cocoa journalism, and they have to be resisted by the same instincts which have to cope with the omnipresent evils of life. But the surest means of letting the worse elements obtain supremacy in any institution is for reputable people to separate themselves from it in an attitude of self-righteousness; the most certain method of upholding its character is for the leaders of society to interest themselves in its affairs, and set the standard of a high example. His Majesty's patronage of the turf will be an immeasurable boon to the purity of racing and an encouragement to the best types of sportsmanship in all other directions.

If the Chicago Cubs win the National league championship the world's series cannot be started before Oct. 16. The Cubs and the Cardinals are scheduled to play the final league game of the season in Chicago Oct. 15. There are a lot of open dates in the preceding week and some time ago Stanley Robinson asked Charley Murphy to agree to the advancement of the final date so that the teams could disband earlier, but Murphy would not agree to this. Now, as it looks as if the Cubs might win the pennant, Robinson says that he will not agree to advance the game scheduled for Oct. 15. The American league champions will have closed the season 10 days earlier and may not care to wait for Chicago, should it be the contender, to complete its series.
