READ THIS!

"I am constrained to believe that the growth of Claresholm during the next five years will be a repetition of Calgary's progress during the same period just past. Another city in Southern Alberta is looked for and quite natural too. Claresholm has by far the best chance of any on account of its geographical location. It may never be a large city; but to say as large as Lethbridge is today is well within keeping, and far from conjectural."

(Expression of a well known)
Calgary Ex-Alderman)
