MR. GREGORY

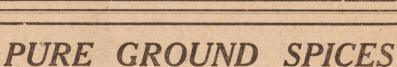

MR. BAXTER

Four Drawer Machine

Six Drawer Machine

In rebuttal Mr. Gregory remarked that his learned friend was employing an aargument which was some what misplaced. His arguments might be presented to a jury. His Honor however was presiding magistrate, who was to decide whether or not the case should be tried by a jury. Circumstantial evidence was frequently taken as sufficient to cause a case to be sent to a jury.

Touching on the technical points Mr. Gregory said the code did not state a telegram could not be forged Defamatory matter calculated to injure Mr. McLellan had been published. Continuing Mr. Gregory said that the question of the defendant knowing the libel to be false or true was one to be decided by a higher court Mr. McLellan had sworn that he had communicated his conversation with G. B. Fraser to the defendant but he did not tell him that the com plainant was guilty of forgery. (Continued on page five)
