day decided to strike. Twelve thousand men will quit work today. The

result will probably be that the

Welsh coal mine owners' association

will lock out two hundred thousand

Welsh miners. The miners will strike without giving the legal notic

which will render them unable to

draw strike pay from their union

The strike will also be in defiance of a decision reached at a conference a

Cardiff yesterday which was attended

by delegates representing the entire

Welsh coal fields. The delegates fav-

sympathy with the men of the Cam-

brian fields, but the leaders urged the gravity of such a step. Then the delegates agreed that a ballot of all

the men should be taken before a
