ACTED PROMPTLY.

A Fredericton man who visited Marysville yesterday had his attention attracted by an old skate of a horse which was lying down in a field near the home of its owner. The animal was in such a pitiable condition that it was unable to get upon its feet, although it made repeated efforts to do so. The young man on his return to the city reported the case to City Marshal Roberts, local agent for the S.P.C.A. YORK MUNICIPAL COUNCILLORS VOTE $800 TO CAMPBELLTON

Prompt Action Taken at Special Meeting Held This Morning---Indemnity of Councillors Donated as Part of the Grant.

The York Municipal Council met this morning and voted the sum of eight hundred dollars to the Campbellton fire suherers. This with the sum of $200 voted by the town of Marysville brings the county's contribution to the fund up to the respectable sum of one thousand dollars.

The council met first in committee and held an informal discussion. The members with very few exceptions expressed themselves as being in favor of granting liberal assistance to the afflicted people of the north shore town. The councillors are entitled by law to $2.50 per day for their attendance at council meetings, but it was unanimously resolved that the amount of their indemnity be include in the grant. As there were twenty-two councillors at the meeting they contributed $55 of their own money.

Warden McMullin in calling the meeting to order briefly explained the object for which the council had been summoned. He expressed the hope that the council would make a liberal grant to the Campbellton fire sufferers.

Secretary Treasurer Bliss called the roll when the following answered to their names:

Canterbury—Councillor G. C. Grant
Bright—Councillor Reynolds.
Dumfries—Councillor Carson
Douglas—Councillors Rogers and Colter.
Southampton—Councillors Fawcett and Graham.
Manners-Sutton —Councillors Hunter and Thompson.
Queensbury —Councillors Timmins, and Morrison.
Stanley—Councillors C. W. Pond and Sterling.
North Lake—Councillor Wetmore.
Kingsclear—Councillor Everett.
Prince William— Councillor R. H. Graham.
New Maryland—Councillor Hainning
McAdam—Councillors Skeen and Green.
St. Marys—Councillors Smith and Fred Pond.

After a brief discussion taken part in by councillors R. H. Graham, Timmins, Rogers, Fawcett, Everett, Reynolds, Smith, Colter, C. W. Pond and Fred Pond, it was moved by councillor Sterling and seconded by councillor Reynolds that a grant of $800 be made to the Campbellton fire sufferers and that the councillors draw no pay for their services.

Councillor Fred Pond and several others objected to the motion on the ground that it did not make it clear that the councillors were willing to donate their day's pay of $2.50 to the fund. He wanted it understood that every councillor present was personally contributing $2.50 to the amount which it was proposed to grant the fire sufferers.

Councillor Sterling said that he was not looking for any personal glory in the matter. The councillors had assembled to make a grant to Campbellton and it was hardly right that they should charge the county for doing it.

Mr. Bliss explained that the money was available, therefore there would be no interest charge to pay. It would be necessary at the next session of the legislature to secure the passage of a bill to legalize the grant.

Councillor Sterling'l motion was put and carried by a vote of 18 to 3.

Warden McMullin expressed himself as pleased at the action of the council.

Mr. Bliss in reply to Councillor P. Graham said that warden McMullin would see to it that the money reached the proper authorities.

Ex-warden John Scott, by request briefly addressed the council and commending their action in granting aid to Campbellton.

Ex-warden McNally who also spoke briefly said he would have been glad had the councillors seen the way fit to have made the grant $1000. Still he thought they had acted very generously.

Squire Jaffrey of St. Marys also commended the action of the council.

On motion of councillor Fawcett the council adjourned sine die.
