New York, June 25.—New York today defeated Philadelphia by a score of 4 to 1 before one of the largest crowds of the season. This was the locals tenth victory of the year over the Philadelphians, who were unable to hit Mathewson. The score by innings:

Pittsburg, Pa., June 25.—Pittsburg today took another game from Chicago, full of wrangles and objections by the players. After hitting two batsmen, Leever was requested by the Chicago players to leave the rubber. The players appealed to the umpire, claiming Leever's wildness might prove dangerous to life and limb.

Umpire Moran ordered Leever to pitch several balls over the plate to demonstrate his control. He did this and was continued in the game. Steinfeldt and Chance were ordered off the field for too vehemently protesting. Pittsburg won in the third inning, in which Reulbach was hit hard and often and five runs were scored. SUPRISING CALM IN CAMP OF FIGHTERS

Corbett Says the Situation is One of the most Unusual in the History of Boxing—Principals are Nonchalant.

Reno, Nev., June 24.—With the greatest heavyweight battle in the annals of pugilism only ten days off, I am, however, surprised at the calm that prevails at the camps of both principals. This is all the more remarkable to me, when I remember the days of worry and turmoil that always preceded the big fights when I was among the contenders.

It is only to be expected that intense excitement should reign at the headquarters of both fighters, especially in view of the rough sailing the match has had during the last week or so, but the visitor is unconsciously surprised at the calm and quiet that pours over all at the training camps.

"How quiet it is," they all say to me, and when I ask them what they expected to find they stammer and reply:

"Why, it's so different than I thought it would be," but they can't explain. Never before in the history of a boxing contest for a world's championship have the principals been taking things so easily in their actual training as are Jeffries and Bohannon. Today I am told that John son did no training, and I know that Jeffries laid off for several days during the international strife that seethed in San Francisco immediately following Gov. Gillet's edict against the match. But this layoff is readily explained. Both men, Jeffries especially, have been working longer and harder for this contest than any other two fighters ever worked for a single match.

Jeffries is now as fine as he can get and only requires the drying out that is gradually beginning to put him on a sharp edge. Johnson, too, notwithstanding his several frolicsome automobile escapades, has kept himself in excellent condition. He had to train hard for his match with Ketchel and he has not known prosperity long enough for it to have any visible effect on him as yet.

The absolute nonchalance of the principals is one of the remarkable things about this remarkable match, and the nonchalance is not assumed, it is natural.

Time was in the days gone by when a pugilist pretended all indifference that he was far from feeling. I know for I have tried it myself. That was when strangers were about. But Fitzsimmons, McCoy and myself, all of us, I know worried keenly as the time for our big matches drew near.

I am with Jeffries nearly all of the time and he is always the same, never the least apprehensive about his contest with Johnson. From what I can learn, Johnson is about the same way.

Jeffries showed very well in his workout today. Because of it, I was unable to box with him, but I hope to get a chance to put on the gloves with him several times before the time comes for him to cease training for this fight. He is beginning to look trimmer already and from his buoyant spirits it looks as if he will escape the querulous stage of his training.

ARTHUR DEVLIN IS CHARGED WITH ASSAULT

Devlin, who is third baseman on the New York National league team, was named as defendant today in a civil suit for \$5000 damages growing out of the trouble that brought his suspension. B. J. Roessler, a Brooklyn garage keeper, brings the action charging that Devlin knocked him down while he was watching the New York-Brooklyn game yesterday. Roessler says he was innocent of annoying Devlin.

ROUND THE WORLD WON THE GREAT TRIAL STAKES

Sheepshead Bay, N. Y., July 25.—Amid the cheers of 15,000 persons, Round the World won the Great Trial stakes here today. The victory stamps her as one of the best fillies ever brought from the west, for she met and defeated some of the best colts in the east. Her victory was due partially to the riding of Jockey Walsh. Iron Mask, which is supposed to be the best in the Keene barn, met her first defeat but was not disgraced for Round the World won by only a head.

Second game—Fall River, 0; Lawrence, 13.

CONNECTICUT LEAGUE.

At Hartford—Springfield, 0; Hartford, 4.

At New Haven—Northampton, 4; New Haven (13 innings).

At Holyoke—Watbury, 4; Holyoke, 0.

At Bridgeport—New Britain, 2; Bridgeport, 10.

TANNERY WINS AGAIN

The Tannery baseball team continued their winning streak on Saturday evening when they defeated the St. Mary's Stars, at the Trotting Park by a score of 4 to 1.

The game was marked by a large number of errors on both sides, but they proved disastrous to the Stars whose errors came with men on bases. One error by Atkinson resulted in three runs being chalked up against the Stars.

Both McLean and Brewer pitched good ball, but received ragged support. The line up was as follows:

PRETTY GAME AT ST JOHN

At the everyday club grounds in St. John Saturday afternoon the St. Johns won from the Clippers by a score of 5 to 4. About 500 fans witnessed the game, which was marked by many trappy plays. George Finnamore played at shortstop for the Clippers. Ernie Boone was not in the box for the Clippers, McGovern having taken his place.

DIAMOND DUST

Pitcher Ed. Keiber who was a prospective member of the Toronto twirling force, has been released by Newark to the Atlanta Club of the Southern League.

"Goat" Anderson recently released by Rochester has balked at joining Dayton Central League. His home is in South Bend and he wants to go there to play, where he will have a chance to manage the team next season.

The Chicago Cubs are surely on the high road to another pennant. The return of Kling seems to have imbued the ex-world's champions with the old fighting spirit.

The Montreal Club hates to see Ed. Holly sitting on the bench, and has made all sorts of offers to Manager Gangel for him. However, Manager Gangel will not send him to that club as he thinks Rochester needs Holly. The Royals are in need of a shortstop.

Now that Jack Deal has been traded to Buffalo Cockill will be played at first-base by Montreal. East will go to second, where it was intended to play Cockill. The transfer of East leaves the Bisons with only a couple of the penoms brought up from the Southern League by Manager Smith.

Wilbur Goode will probably rejoice the Athletics at the close of the season. Down in Baltimore he is plunking out one or two hits a game, and is second in the Eastern League. He's a classy fielder also. Cleveland could use him now, with Flick not in the best of shape.

Firstbaseman Jack Deal, whom Toronto sold to Montreal, has been traded to the Buffalo club for Secondbaseman East. Montreal needed a secondbaseman and Buffalo has been shy a first-sacker all season. The move should help both clubs. Montreal has also loaned Catcher Bridges to Utica of the New York State League.

The Red Sox are now five games behind the Philadelphia leaders.

Lowell and Haverhill won close score games from Worcester and Brockton.

Tommy Dowd got the jump on Billy Hamilton yesterday at Lynn for a double-header.

Charley Hickman is at his old tricks with the Toledo club, fairly knocking the cover off the ball.

No less than 16 players have been fined and suspended in the National league for trouble with players.

The New Bedford leaders will play the champion Worcester team a double header this afternoon at Worcester.

Lawrence stopped the fast-traveling Fall River hustlers and will play them a double-header this afternoon at Lawrence.

When called on, club owners must furnish affidavits as to the correctness of statements sent to headquarters as to their salary limits.
