## ACADIA WINS TRACK MEET; TWO RECORDS BROKEN, ONE TIED

Result by Points, Acadia 53; U. N. B. 25; Mt. Allison 12---  
Spicer of U. N. B. and Howe of Acadia Break Pole Vault  
Record--Correy of Acadia Breaks Mile Record--Ryan of  
Mt. A. Ties 100 Yards Record.

St. Stephen, N. B., May 27.—Acadia won the inter-collegiate sports here today by a big margin. U. N. B. came second, and Mount Allison third. The score stood: Acadia, 53 points; U. N. B., 25 points; Mt. Allison, 11.

The track was heavy this morning, but the few hours' sunshine about noon put the track in good condition. The attendance was fairly good, and the sports proved most interesting. U. N. B., Mt. Allison and Acadia each had good teams and the competition was keen. Two records were broken.

In the mile run Corey, of Acadia, made the time 4.51 2-5, the previous record of 4.55 being held by H. Atkinson, of Mt. Allison. March, of Acadia, was second, and Dickinson, of Mt. Allison, third.

In the pole vault, Spicer, of U. N. B., and Howe, of Acadia, tied for first place at 9 ft. 9 1/2 inches, and broke the record held by G. Lewis, of Acadia, of 9 ft. 9 inches. Kuhring, of U. N. B., was third.

100 YARDS RECORD TIED.

There were three heats in the 100 yards dash. In the first heat Camp, of Acadia, was first; Ryan, Mt. Allison, second; Devor, of U. N. B., and Atkins, Acadia, tied for third place. In the second heat Roy, of Acadia, was first; Binney, U. N. B., second and Hayes, of Mt. Allison, third. Time, 10 1/2.

Final heat—Ryan, of Mt. Allison, first; Roy, of Acadia, second; Binney of U. N. B., third. Time, 10 2-5. This is the record made previously by V. Black, of Mt. Allison.

The running high jump resulted in a tie for first place by Howe, of Acadia; Brooks, of U. N. B., and Porter, of Acadia; height, 5 ft. 6 in. The pre-

vious record was 5 ft. 7 in. held by Eaton, Acadia.

The running broad jump was a tie for first place between Porter and Roy of Acadia; distance, 20 ft. 3 1/2 in; Brooks, of U. N. B., third.

The 220 yards dash was taken by Robinson, of Acadia; Camp, Acadia, second; Ryan, Mt. Allison, third. Time, 23 4-5.

Shot put—Fitch, of Acadia, 1st—35 ft. 9 1/2 in.; Lank, of U. N. B., 2nd—35 ft. 6 1/2 in.; and Page, of Acadia, 3rd—34 ft. 8 in. The record, held by G. F. Baird, of U. N. B., is 37 ft. 8 1/2 in.

#### FAST QUARTER

440 yards dash was won by Robinson, of Acadia; Cochrane, of Mt. Allison, second; and Johnson, of U. N. B., third. Time, 5 1/4. Record is 50 seconds, held by Rutledge, U. N. B.

The hammer throwing was far short of the record of 125 ft. 2 1/2 in., held by W. Jones, Acadia. Page, of Acadia, 1st—distance, 105 ft. 5 in.; Lank, of U. N. B., 2nd—distance, 101 ft. 6 in.; Cochrane, of Mt. Allison, 3rd—distance, 89 ft.

120 yards hurdles—First heat, Porter, of Acadia, 1st; Armstrong, of U. N. B., 2nd; Pickup, of Mt. Allison, 3rd. Time, 17 1/2.

Second heat—Kuhring, of U. N. B., 1st, and White, of Mt. Allison, 2nd. Third heat—Armstrong, of U. N. B., 1st; Kuhring, of U. N. B., 2nd; White of Mt. Allison, disqualified. Time, 17 1/2 sec.

#### ACADIA TAKES TROPHY.

The conditions for winning the cup are: "The college winning the cup five times, not necessarily in succession, to keep it." Acadia won today making 53 points; U. N. B., 25 pts., and Mt. Allison, 11 points. This makes five times that Acadia has

won it, so the cup goes to Acadia.

The sports were hurried at the after end, for the train left at 5.30, and the teams wished to leave for home in it. Nearly all of the boys were too late for the train, but the Mt. Allison boys were so anxious to be at the closing exercises of that institution tomorrow that arrangements were made by them for a special train to McAdam, where the regular was held until their arrival.

#### COMMENT

Now that the trophy for which the three colleges have struggled, since 1903 has become the property of Acadia it is up to some one to put another trophy up for competition during the future years. The old trophy was supplied by graduates of the colleges taking part in the meet, the U. N. B. grads resident in St. John having much to do with the matter. Perhaps the next trophy will be obtained from another source.

Acadia won a well deserved victory. The Garnet and Blue always works hard in whatever branch of sport she may enter. The Wolfville college has applied modern methods to athletics with deserved success.

Spicer's showing in the pole-vault was rather a surprise to the local collegians. The unexpected usually happens, however.

U. N. B. men now have their names tacked to three intercollegiate records. Baird holds the shot-put record, Rutledge that for the quarter-mile and Spicer is tied with Howe of Acadia for the pole-vault record.

#### DIAMOND DUST

Freddie Parent will spend the next two weeks hunting and fishing around Sanford, Me., nursing a sore finger during the evenings.

Two fine college pitchers will join the Red Sox right after the first of June. One of them may need further development but Manager Donovan believes that the other will be able to hold his own right from the start.

Jimmie Collins is leading the Eastern league at the bat. If Collins could only get down to his former weight he would still be first-class big league timber.

Honus Wagner has not yet struck his batting gait and is at present away below his teammates in clouts with the ash. But wait until the "Flying Dutchman" gets really started. Then the outfielders will play back.

Vice-Pres. John Harris of the Boston Nationals saw the Boston-Cincinnati games this week.

Fred Lake is carrying only 17 players on this trip. "About 20 men is all I care for," says Lake.

After a month's playing only three games separate the first four clubs in the New England league.

Bush, the Tiger shortstop, is doing the most sensational ball playing this season of any player in major league base ball. The little fellow is a wonder.

New York American:—The fans had their first peep at Shortstop Blackburn, for whom Duffy paid \$8,500. The Chicago scribes have dubbed this youngster "the Rube Marquard of the American League," because of his disappointing work to date. Blackburn handled himself very well at the position, despite the fact that he was spiked on the knee several days ago.

## ABBIE WOODS BETTER THAN TOM LONGBOAT

Montrealer's Performance on Victoria  
Day Showed that he is Better  
than Great Indian Runner.

(Toronto Globe.)

That Longboat, even in his palmiest days, could not have beaten Abbie Woods, the Canadian Derby winner, on the holiday night at the Island, is the general opinion of the athletic sharps. Woods ran like a well-greased piece of machinery from end to end, and always, with the exception of a few miles in the early part of the contest, when St. Yves kicked out a little surplus energy, concealed in his person, had the foot of his party. He was always on his toes, springing along with a nice, easy loping, stride that was grace personified. His prolonged sprint before the finish belied the appearance of fatigue, which the pallor of his face lent him. Holmer ran up to his form, but he was not the equal of the winner at any time. Johnsen, the Swede, and Kolsmaen, the Finlander, demonstrated that plugging was their forte pure and simple. St. Yves showed his best, but he was ill-advised in trying to kill off his field when he did. Had he conserved his energies until the last few miles he would have made Woods run under Ljungstrom's world's record time instead of just missing it by three seconds. Jack Roe showed well for the first time out, and will undoubtedly be a money-winner before the season is over.

## LEWIS KNOCKED OUT

New York, May 27.—Hillie Lewis was knocked out by Stanley Ketchel in the second round of a scheduled ten round bout at the National Sport club tonight.

The Boston Red Sox are now the leading sluggers of the American league.

The close call that John Evans had in Chicago a few days ago, while driving his automobile, and in which a newspaper man, George A. McDonald, lost his life, has made the ball players apprehensive, and the chances are that several machines will be for sale.

## CAMERON SAYS HE USED ONLY COLD TEA

Denies Story that He Was Doped at  
St. John—Tom Trenholm Makes  
Same Statement.

The Amherst News takes up the cudgels for Fred Cameron and denies the statement made by the St. John Times to the effect that the Amherst runner was "doped" at St. John.

The News has the following:—

"There is a rumor regarding the runner Cameron which ought to be set at rest without delay. After Saturday night's race with Stirling he needed the attendance of a physician, and it is stated that he was in bad shape, and that he will not be permitted to run again for some time. The rumor is that something that his trainer gave him on a sponge, when he made the sprint which headed Stirling near the end of the third mile was not only largely responsible for the spurt and the winning of the race, but for his subsequent state of collapse.

Is this true? Is there any foundation for the whisper that Cameron is given "dope"? The question should be properly and authoritatively answered, both in the interest of Cameron and of amateur sport.

Yesterday morning the News man interviewed Cameron and Trenholm relative to the above statement and both pronounced the insinuations of the Times absolutely false. Cameron remarked that personally he was not worried over the matter but he would not want any of his friends, in other towns to think that he was a "dope" user. He wished to say that he did not require the attendance of a physician after the race, in fact he never felt better in his life. The only "dope" he ever used in the marathon race or any other race was a little "cold tea." He did not like lemons and much preferred moistening his mouth with the beverage referred to. It was up to the Times to produce the doctor who was called in to see him. "Doc" Trenholm had rubbed him down after the race as usual and that was all there was to it. He had always been a total abstainer, seldom used tobacco and if he could not win races without using "dope" he would quit the track altogether. He did not and could not understand why the Times should publish such misleading and false statements, it looked to him as if

## HUGHEY JENNINGS WILL MARRY AGAIN

Tigers' Leader Will Take a Second  
Wife—A Dead Secret but it  
Leaked Out.

Philadelphia, Pa., May 27.—Captured by Cupid Hughey Jennings, manager of the Tigers, announced his engagement to Miss Mary O'Boyle, a Scranton, Pa., society woman, before the team departed from this city.

Players in the Tiger bunch gave the secret away, and then Jennings admitted that he will plunge into matrimony again.

It all came about when Miss O'Boyle with her father, a Scranton business man, attended the last game with the Athletics. When she departed for her home, she was wearing a solitaire diamond ring on her engagement finger and admitted to Jennings' men that she was engaged.

Hughey has been married once, his first wife dying nine years ago. He has a daughter twelve years old.

Mr. and Mrs. Jennings will live in Scranton, where Hughey practices law off-season.

#### GETTING YOUNG AGAIN

Mr. John Brown, a respected colored resident of Charlotte Street, who has labored under the belief that he was 104 years of age recently made the discovery that he was only 94. He says that he was led astray by the church records, and it was always against his better judgment that he put forward the claim that he was a centenarian. Since getting the matter straightened out Mr. Brown says that he feels ten years younger. He is still able to move about the streets and hopes yet to be able to cross the century mark.

some of the reporters had been doped when the article was written.

Trenholm was equally emphatic in his denial. "Cold tea, and very weak at that is what I have handed out to Cameron at his races," was the statement of his trainer, and added that the story of a collapse after
