WITH WHISKERS SHAVED FOLEY RAN ON TUESDAY

"Youth will prevail," is an old saying. Age prevailed Tuesday in the Marathon run of the Boston A.A. On Sunday Peter Foley of Winchester, Mass., 52 years of age, received a notice that he would not be allowed to start in the run. It was a very polite note, but it was easy to read between the lines. Peter was considered too old, and exertion, such as is called for in a Marathon race was thought too much for him.

Foley had been a contestant in the past seven or eight Marathons and had always finished. He had his heart set on entering the race of Tuesday and determined to be among the starters anyway, order or no order.

So Peter shaved off his gray whiskers and in the hustle and bustle at the start escaped notice. He appeared to be one of the boys, and when the big bunch was sent away Peter was one of them.

What is more, he finished. It is true that he was not very well up, but he finished, and that is all that Peter Foley intends to do any year.

DRISCOLL HAD HEAD CUT

London, April 20.—In his fight with Jem Friscoli at the National Sporting Club, Spike Robson fell in the fifth round, his head striking Driscoll's chair. A nasty scalp wound was the result and at the end of the contest Robson was in bad shape. This gave rise to a report that he had been seriously injured, but he has expressed a desire for another bout with Driscoll.

NEWS OF SPORT

TWO DAYS' RACING HERE THIS SEASON

Park Association Arranges for Maritime Circuit Meet, June 30th and July 1st—Met Last Night.

At the meeting of the directors of the Fredericton Park Association held last evening, it was decided to have a race meeting here in connection with the Maritime circuit on June 30th and July 1st.

Purses to the amount of \$1,500 will be hung up and there will be five races—all class events and no stakes—with \$300 for each race. Two races will be given on June 30th and three on July 1st, a public holiday.

Secretary Black, will send out announcements of the races to all horsemen of the Maritime Provinces and Aroostook Co., Me., who are invited to send the names and records of horses in training so that a list of class races can be made up to draw the largest number of entries.

The committee to take charge of the track, stalls, buildings and ground was appointed as follows: Ald. H. C. Jewett, chairman; John S. Allen and J. H. Fleming; Messrs. Jewett and Allen will have charge of the handling of track tickets and also the collection of stall rents. Terms for track tickets and stall rent were made the same as last year.

The John Palmer Company's baseball team, through Manager Harold Smith, applied for a lease of the track centre field as a baseball field and the matter was referred to Ald. Jewett, who will close for the rental of the field.

A resolution was passed disallowing any advertising matter on the grand stand or judge's stand hereafter.

Applications from Trainers Harvey McCoy, Jack Leonard, Sandy Stewart and Tommy Raymond for stalls for their training stables were accepted and the locations applied for were approved.

President T. H. Colter was in the chair at the meeting and those present were, Ald. J. Hugh Calder, Ald. H. C. Jewett, Postmaster Edwards, A. B. Kitchen, J. H. Fleming, J. S. Allen and J. D. Black, secretary. It was Mr. Allen's first meeting as a director. The absent directors were T. V. Monahan and D. McCatherin, who is the vice-president.

WHAT CAMERON SAID AFTER HE FINISHED

Boston, April 21.—In speaking of the race Fred Cameron said after the finish:

"While I always expect to win when I enter a race, as this was the first time I had ever ran so far I would have been satisfied had I finished among the first 10. But after we got going I saw the others were not running at a pace that was fast enough for me, and so I began to let out a bit, for I knew I could do better."

"Then when I got a good lead, I was not pushed, and so I could reserve my strength. There was no time during the race when I felt at all anxious."

"I think the course is a fine one. Down where I come from we have sandy roads and as there is lots of snow there I could not train for this race as long as I would have liked to; so I really had only two weeks to get ready. I was too heavy, for I started in weighing about 120 pounds and I usually run at about 116."

"I lost seven pounds during the race. Next year is too far ahead to say whether I shall try for it a second time, to equal what Caffrey did, winning it twice."

After the race Mayor Fitzgerald sent word to Cameron that he would like to have him as a guest at luncheon. The little runner is a very modest chap and he was surprised at the honor thrust upon him, but he said he would probably accept. When he left the club house there was a swarm of people on hand and they cheered him, and many tried to shake his hand, so that he was forced to put his trainer forward to shield himself. Cameron will remain in Boston for a couple of days and then go back to Amherst and take part in some other long and short distance races.

WILL BE WELCOMED.

Amherst, N.S., April 20.—The news of Fred Cameron's victory in the Boston Marathon race was received with delight in this town.

Every street corner, every club and all places where people congregate the talk is Cameron and the reception that should be given him on his return home. If ever a town was wild with delight and enthusiasm, it is Amherst, and Cameron and Tremholm will receive such a homecoming welcome as has never been surpassed in Amherst. His admirers did not anticipate that he would take the first place among the pick and flower among the Canadian runners, and when the news went abroad that he took the lead from the start and held it to the finish the town went wild and the word is that nothing is too good for Cameron.

TWO NEW CLASSES AT HALIFAX EXPOSITION

Additions are 2.20 Trot and 2.18 Trot and Pace—Complete Programme.

The entry blanks for the speed competition at the Nova Scotia Provincial Exhibition, Sept. 28 to Oct. 6, are being sent to horsemen throughout the Province. Since the original program was published two new classes have been added, 2.20 for trotters only, and 2.18 trot and pace. Some changes have also been made in the arranging of the races for the various days, and the official program is as follows:

1ST DAY	
2.15 Trot and Pace	\$350
2.40 Trot (Stake)	400
2ND DAY

2.17 Trot and Pace	350

2.40 Trot (Stake)	400
2.40 Trot (open to Maritime bred horses only)	350
All races open only to horses owned in Maritime Provinces previous to May 1. Entries close in stakes, May 10th; in all other classes Sept. 10th. The races are not limited to five heats this year, as the new rule requires that any horse not starting for the money after the third heat go to the barn, and it is thought will shorten the races sufficiently without additional conditions.	

CHARLOTTETOWN RACES

Charlottetown, April 20.—(Special.)—The classes for the horse races, to be held during the exhibition, have been settled upon. The exhibition this year will be open to the whole dominion and will open on Monday, the 19th September, instead of Tuesday and will last for five, instead of four days, as in other years. There will be three days' horse racing, as follows:

Tuesday, Sept. 20—2.27 class, trot 2.30 class, pace; stake purse, \$300; three-year-old trot and pace, stake \$200; two-year-old trot and pace, stake \$150.

Wednesday, Sept. 21—2.40 class trot, stake purse \$250 (open to horses owned on P. E. Island only); 2.19 class, trot and pace, \$300; 2.25 class trot, \$300.

Thursday, Sept. 22—2.35 class trot stake \$300; 2.20 class trot and pace, \$200; 2.30 class trot, \$300.

TURF NOTES.

While visiting at the Lexington track, August Uhlein, the Milwaukee breeder and turfman, stated that The Harvester would not be raced until late in the fall, when he would be sent to lower the stallion record of 2:02½, held by Cresceus. It is likely that this attempt to lower the world's record for a stallion, which has stood since 1901, will be made at the fall meeting at Lexington.

The breeding world suffered a distinct loss this week in the death of the 14-year-old mare Neva Simmons, 2:11½, by Simmons, dam Neva by Squire Talmage. During her career on the turf Neva Simmons won many notable races and defeated some of the best horses of her day, including Country Jay, Iva D, Alberta D. and others. In 1901 she was the second largest money winner of the year, having been nosed out for first honors by Country Jay.

Neva Simmons met with an accident at the Patchen Wilkes farm, having been kicked by another animal, and blood poison developed which resulted in her death. She had been bred to Peter the Great.

VICTORIAS ARE CHAMPS

In the afternoon series, the Marathons defeated Chatham 1315 to 1272 and the Victorias won by default, giving them the championship for 1910. The teams and their total pin fall in order are as follows: St. Croix, 6,707; Black's, 6,684; Victorias, 6,677; Marathons, 6,504; Chatham, 5,025; Y. M. C. A., 4,981.

DIAMOND DUST.

Tom Needham, the Boston Dove cast-off, is now doing the backstop for the Chicago Cubs and doing it well.

Jack Ryan is travelling through New England with his Jersey Skeeters. Ryan is an old Haverhill boy.

Steve Flanagan of Brockton is usually the first manager to cut down his players to the 14 allowed in the New England league.

The management of the St. Louis Nationals has issued orders that all hitting of players must be stopped on the home grounds. The best way to stop the hitting game is to sign up a good bunch of ball players.

Blackburn, the White Sox shortstop is looking for a rabbit's foot. He has not been playing up to the form predicted by clever experts, but is sure to come later on.

Freddy Parent is a fixture in centre field for the Chicago White Sox.

Before leaving Boston Saturday Manager John McGraw told an old friend that Fred Tenney's days with the New York Giants were numbered.

Gessler is in fine shape this spring and hitting the ball in his old style.

The New England league season will open Friday, Fall River, Brockton, New Bedford and Lowell having the first chance to see the teams.

Oberlin, the pitcher brought by the Boston Americans from Milwaukee three years ago and let go after a short trial, is now with the Senators working the moist ball.

John Kling prefers to manage and play with a Chicago independent club rather than play with Charley Murphy's Cubs.

William Laverty of Brockton has turned baseball promoter. "Billy" has tipped off several crackerjack players to the big clubs, Jimmie Callahan and Malachi Kittridge among others.

President Lynch of the National League has announced that he would not allow his umpires to referee college games while they are under contract with his organization.
